

## The Mightiest Little Peasant Chapter 1763

"You are from the ancestral star? It can't be!"

There was a commotion.

The crowd sized Tang Hao up with suspicion.

The ceremony of blood source had indeed brought many people from the ancestral star, and they were all divine bodies. It had caused a huge sensation, but there was no such person!

"You're lying!"

"He said his surname is Tang, so he's from the Tang Clan. But I've never heard of anyone from the Tang Clan becoming a genius from the ancestral star crossing!"

They shook their heads in disbelief.

During the ceremony, the Tang Clan did not turn from zu Xindu to a genius. This fellow must be lying.

"Hurry up and get lost!"

Seeing that Tang Hao didn't move, the Qin clan's butler shouted again. "If you still don't scam, don't blame the Qin clan for being impolite!"

Tang Hao's expression darkened.

"Oh! Does this fellow really think that our Qin clan wouldn't dare to act?"

The Qin clan's disciples in the surroundings all crowded over, their expressions unfriendly.

They rubbed their fists and wiped their palms, but they could not hold back and were ready to make a move. However, at this moment, a low shout came from the palace, "What are you all doing!"

Then, a figure walked out of the palace. It was an old man in a purple robe.

"Elder Yun!"

Upon seeing him, everyone from the Qin clan hurriedly bowed and greeted him respectfully.

This was an official elder, not a managing elder, and had an extremely high status in the clan.

"What's going on?"

After stepping out of the palace, elder Qin Yun surveyed his surroundings with a displeased expression.

"Reporting to the elder, it's this B \* stard. He actually dared to insult the Holy maiden. He ... He ..." The managing elder said, but he hesitated.

“What did he say? tell me!”

Elder Qin Yun knitted his thick brows and rebuked sternly.

“He said ... The Holy maiden is his Dao companion!” The managing elder stammered for a while before speaking.

“What?”

Elder Qin Yun’s expression changed immediately.

“Hey! Elder Yun, isn’t this a joke? How can our saintess have a Dao companion? this kind of person even came to our Qin clan to deceive us. He is too bold. We have to teach him a good lesson and let him remember this!”

The managing elder said angrily.

Elder Qin Yun ignored him. He only stared at Tang Hao, his eyes filled with shock.

“How is this possible?”

He muttered in disbelief.

He was a core elder of the Qin clan. Naturally, he knew many things that ordinary clansmen didn’t know. The Holy maiden did have a Dao partner and they were in the ancestral star.

However, this news was concealed by the Qin clan. From their perspective, the Dao companion of their saintess was merely a native of the ancestral star. How much talent could he have? in their eyes, he was no different from an ant.

But the Holy maiden was different. Although she was born in the ancestral star, she had a Supreme divine body and also possessed the pure ancient blood of the Qin clan. Her future was boundless and she would definitely be the pillar of support for the Qin clan.

A mere ant from the ancestral star, how could he be worthy of someone like the saintess?

If this news were to spread out, it would definitely affect the Holy maiden and even the reputation of the Qin clan.

Therefore, they sealed off the news and kept it a secret.

They weren’t worried at first. If that guy hadn’t been brought to Pangu continent, he would never have the chance to come to Pangu continent again. They were from two different worlds, and they would never meet again. In a few years, when the Holy maiden forgot about him, everything would be fine.

However, he didn’t expect that a guy would come to his door and say that he was the saint’s Dao companion. How ... Could this be possible?

This was Pangu continent. How could this guy be here?

They had sent people to the Tang family to inquire about the situation. None of the geniuses that the Tang family had brought here were from the ancestral star, and none of them were called Tang Hao.

“You ... What’s your name?”

He shouted in a deep voice.

“Surnamed Tang, first name Hao!”

Tang Hao cupped his hands. “I’m from the ancestral star!”

Elder Qin Yun’s eyes narrowed. Tang Hao? Could it really be him?

No one else should know Tang Hao’s name, so it was highly likely that he was Tang Hao.

“How did this guy get here?” He was extremely shocked.

There was no other way to come to Pangu continent except for the ceremony of blood source. Occasionally, some people could come from the lower realm, but the method was extremely difficult, requiring them to pass through the cracks in the void, and the chances of survival were very low.

A moment later, he suppressed the bewilderment in his heart and began to think about how to deal with it.

The fact that the saintess had a Dao companion was something that could never be spread.

“So it’s young swordsman Tang, haha!” He laughed after a moment of thought. You really like to joke!”

“This young hero Tang is the saint’s friend. I’ve heard her mention him before. She was just joking!” He said to the crowd.

Everyone let out an “Oh” and revealed a look of realization.

Tang Hao’s expression changed slightly. Just as he was about to say something, elder Qin Yun walked up to him warmly and said, “Young swordsman Tang, come, come, don’t just stand there. You’re the saint’s friend, an important guest! Come, sit inside, I’ll report to you immediately, and I’ll take you there personally later. ”

Tang Hao hesitated for a moment but did not say anything. No matter what the Qin clan’s attitude was, the most important thing was to see sis Xiangyi first.

He immediately followed elder Qin Yun into the hall and sat down.

Elder Qin Yun exchanged some pleasantries before leaving. When he arrived at the side hall, his expression sank. He took out a voice transmission jade talisman and sent a message back to Qin city.

In a Palace in Qin city, a white-robed youth was sitting cross-legged. His skin was sparkling and translucent, and his entire body glowed with a resplendent divine splendor. He was like a bright moon in the nine Heavens, lying horizontally in the middle of the palace and emitting a powerful aura.

Suddenly, he seemed to have sensed something. He reached out his hand and caught the light that flew in from outside the hall.

Then, his expression changed and he opened his eyes.

The pair of eyes were golden. They were not human eyes, but a pair of dragon eyes.

“Tang Hao?”

He mumbled to himself, his face extremely gloomy.

Of course, he knew who this guy was, but what he couldn't understand was, how did an ant from the ancestral star manage to climb all the way here?

This was Pangu continent, which was above the starry sky of the lower realm!

“It seems that this guy is quite capable!” He snorted, but his eyes were still filled with disdain.

He didn't even look up to a guy from the ancestral star.

“It's good that he's here, we can get rid of him!” Killing intent flickered in his eyes. “Surnamed Tang, you are courting death. If you had obediently stayed below, everything would have been fine. Why did you have to come here and court death? the Holy maiden of my Qin clan...Is she someone you are worthy of?”

“Kill! Kill them all!”

He clenched the Jade talisman and shouted in a low voice. Then, he flicked his hand and threw the Jade talisman.

Whoosh!

The Jade talisman turned into a beam of light and flew out of the palace toward the capital of Qin.

Elder Qin Yun's eyes flickered when he received the Jade talisman. A murderous look appeared in his eyes but he quickly hid it. He put on a smile and returned to the hall. “Young swordsman Tang, come, let's go. The Saint said she wants to see you!”

Then, he brought Tang Hao out of the hall and flew into the air.
