

The Mightiest Little Peasant Chapter 1764

“Young swordsman Tang, I’m sorry about just now! Please forgive her, after all, she’s a saint now!”

On the way, elder Qin Yun turned around and said apologetically.

“I’m fine!”

Tang Hao smiled and waved his hand.

He could understand that. After all, Xiangyi’s status was different now.

“It’s good that you understand!”

Elder Qin Yun laughed. After flying for a while, he said, “by the way, young hero Tang, I heard that you are indeed from the ancestral star. However, you did not appear to have been ferried up here during the ceremony of blood source. So, How did you come here?”

“They came up from the crack!”

Tang Hao replied.

Elder Qin Yun grunted, but the suspicion in his eyes did not dissipate.

This guy had not been chosen by the Tang Clan, so his aptitude must not be very good. How could a person like him cross the crack that had a slim chance of survival and come to Pangu continent safely?

No matter how he thought about it, it seemed impossible!

Those who could cross the crack were All Saints at the first or second tribulation. This guy was the same age as the saintess, and his aptitude was not good. How could he be a Saint?

One must know that the spiritual energy in the ancestral star and the lower worlds was very thin. It would be very difficult to cultivate to the Saint realm.

“Maybe this guy is very lucky!”

He muttered to himself.

He couldn’t think of any other possibility.

Although the crack was extremely dangerous and there was a 90% chance of death, there was still a chance of survival. It just so happened that this kid had bumped into it.

“But ... You’re out of luck now!” He laughed coldly in his heart, and a look of disdain flashed in his eyes.

This brat was really overestimating himself. Did he really think that this was the lower realm’s starry sky?

In the past, it was true that they were Dao companions. But now, Xiang yigui was the Holy maiden of the Qin clan. Her status was extraordinary. Naturally, she had to cut off all ties with her past.

A kid born in the ancestral star like him had neither talent nor strength. More importantly, he did not even have a strong background. Tang Clan would probably not even want to take him in. If he did not have a clan to take him in, how could he have a foothold on Pangu continent?

On Pangu continent, a clan was the strongest backing. Without a clan, one was nothing.

With this kid's strength, he wouldn't even know when he would be killed.

He gave Tang Hao a sidelong glance, and his eyes were filled with disdain.

However, he hid it well. His face was still full of a warm smile, and he would occasionally exchange pleasantries with Tang Hao.

"Soon! It'll be soon!"

"Let's fly a little longer, we'll be there soon!"

He kept talking on the way.

However, after flying for more than 15 minutes, they still had not arrived. Looking around, there was no sign of any ancient city, only a desolate mountain range.

Tang Hao observed his surroundings and gradually realized that something was amiss.

"Elder Qin Yun, are you still not here? Where is the ancient city?"

He stopped and asked in a cold voice.

"Al! Don't worry, soon, soon! The fifteen minutes I said was just an estimate. Don't worry, we'll be there soon, and the Saint is waiting!"

Elder Qin Yun said with a smile.

Tang Hao's expression darkened when he saw that. He was no fool. He was extremely sharp and could tell that elder Qin Yun was up to no good.

In fact, he had already sensed it a long time ago, but he was not sure.

"Elder Qin, what are you doing!"

He shouted coldly.

"Nothing much! I'm taking you to the ancient city! You're not going?" Elder Qin Yun pretended to be puzzled.

“Woof! Elder Qin, stop pretending. With your acting skills, don’t embarrass yourself in front of me!”
Tang Hao laughed.

Elder Qin Yun was taken aback before his expression turned dark. He snorted coldly. “You’re not stupid, brat! That’s smart, but it’s a pity! Even if you know, so what!”

“Originally, I wanted to bring you further away and slowly deal with you. But since you’ve found out, I’ll be more straightforward and finish you here!”

As he spoke, a hint of anger appeared on his face, and his killing intent was revealed.

“Does she know that you want to kill me?” Tang Hao said coldly.

“She won’t know if I kill you! You brat, you shouldn’t have come. Do you really think that the saintess will still like you? Would my Qin clan allow the two of you to be together? You’re dreaming!”

“Surnamed Tang, why don’t you take a look at what kind of trash you are? you’re just an ant from the lower realm, poor and smelly. What qualifications do you have to be together with the Holy maiden of my Qin clan?”

“I’m helping you. I’m helping you to free yourself from your suffering. Do you know how many young heroes in the spiritual wilderness admire our Holy maiden? if they know of your existence, will they let you go? when that time comes, you will still die without a burial ground.”

“So, you should thank me!”

Qin Yun grinned hideously.

“Thank you?”

Tang Hao laughed out loud as if he had just heard the funniest joke in the world.

“What are you, the heroes of the spiritual wilderness, to me? if they want to kill me, then I’ll kill them. If they come, I’ll kill them. If a group comes, I’ll slaughter them all!”

Suddenly, his smile disappeared and he shouted with a bold tone.

He really didn’t care about the heroes of the spiritual wilderness. He had killed many people, and if these people dared to stop him, he would slaughter them one by one.

If the Qin clan dared to obstruct him, he wouldn’t be polite and would kill them without hesitation!

Upon hearing that, Qin Yun was taken aback as he revealed a look of extreme shock.

He was a little suspicious. Did he hear wrongly? this ant from the lower realm actually dared to look down on him, a hero from the spiritual wilderness? what did he say about killing whoever came?

“Hahahaha!”

In the next moment, he laughed out loud, bending forward and backward.

“You little brat! In my entire life, I, Qin Yun, have never seen someone as arrogant as you. Who Do You Think You Are to look down on the heroes of my spiritual wilderness? let’s not talk about the other clans, just my Qin clan alone has tens of thousands of heroes. Any one of them can kill you as easily as slaughtering a dog.”

He shouted.

“Is that so?”

Tang Hao laughed coldly and did not comment.

“Brat, I’m too lazy to talk nonsense with you. I’ll kill you now and report back to the Saint.”

With that, his body trembled and his aura exploded. He was in the third tribulation realm.

He flashed in front of Tang Hao, grinning hideously as he swiped at him with his claws.

His eyes were squinted like a pair of Snake Eyes, shining with a cold and eerie light. The corners of his mouth were slightly pulled up, with a disdainful smile.

It didn’t take much effort to deal with this kind of young kid. One claw was enough.

But the next moment, his expression changed.

“You’re looking for death!”

With a loud shout, the boy in front of him suddenly trembled and exploded with a terrifying aura. It was like a raging tide that slammed down on his head. Just this aura alone was enough to make him stagger.

In an instant, his mind trembled, and he was completely stunned.

His eyes widened as well, revealing a dull look.

He just stared at the kid in front of him in shock.
