

The Mightiest Little Peasant Chapter 1779

It didn't matter if he didn't say it, but the moment he did, the square saint's face changed.

This guy was clearly stealing the limelight!

If this fellow really showed off his might and defeated that Yan fellow, he might really be able to move sister Xiangyi.

"What a cunning fellow!"

They gritted their teeth in anger.

"Zhong, stop right there, let me do it!"

"I should be the one doing it. Sister Xiangyi, just you wait. I'll beat this Yan guy up."

They couldn't help but rush out one after another, rushing to the center of the square.

"Hmph!"

Yan nanfei snorted in anger. He was a little annoyed. He also looked at the Qin clan and shouted, "sister Xiangyi, just you wait. Let's see how your brother Yan will destroy this group of people!"

"Hmph! This is outrageous!"

Qin Shijie's face was a little gloomy. He took a step forward and also walked out. "All of you, get lost! Let me do it!"

In an instant, the square became a little noisy as a group of Saints rushed forward, fighting to be the first.

The others were dumbfounded. They didn't expect the situation to turn out like this because of what Zhong Bai had said.

"I'll do it!"

"Let me do it!"

A group of Holy Sons rushed to the center and stared at each other, not giving way to anyone. The situation was a bit deadlocked.

"Why not ... Let me do it!"

After a moment of stalemate, someone suddenly shouted in the midst of the noise.

His voice was low, but it was penetrating.

In an instant, everyone fell silent and turned to look in the direction of the voice.

When they saw it clearly, they were stunned and showed a look of astonishment. That was because that was the corner of the square, not their clan's territory, but the territory of those from the major sects, or even the individual cultivators.

In their eyes, these were all nobodies who were not worth mentioning at all.

Every Dao discussion on the divine mountain was a matter between their clans. How could this group of people have a share? these people could only watch and cheer at the side.

But now, there was actually someone here who wanted to step forward and get involved in the battle between the Saints?

Buzzzzzz! What a joke!

In the previous battles, these people were not qualified to participate, let alone now. The battle between the clan's Holy Sons was not something that these small fish could participate in.

"Who is it? Whoever shouted, come out!"

"Woof! You're quite bold! I'd like to see which sect you're from that has such great courage!"

The group of Saint children stopped arguing and looked in that direction, shouting.

Yan nanfei's expression was especially dark. This group of nobodies dared to challenge him. This was clearly an insult to him!

In that corner, everyone was also shocked. They looked around to see who was so bold to meddle in the affairs of the Saints.

"I! I was the one who shouted. What's wrong?"

In the midst of the chaos, the voice rang out again.

Then, a figure parted the crowd and strode out.

"You ... It's you?"

Everyone looked over and gasped. Many people recognized this person.

"Who is this?"

Even more people were puzzled. They didn't know this guy. He should be a nobody from a sect, but how could so many people know him? and from their expressions, it seemed that this person was different.

"He's that little Fishing Master or something! The guy who caught nine immortal fish in one go!"

“He’s that bastard, the one who stole countless law comprehension stages with a treasured saber!”

“So he’s that insane array Dao freak! The guy who broke seven arrays in one go and took away all the godly medicines!”

Everyone shouted.

After shouting, they were all stunned. They looked at each other in confusion.

“Isn’t ... Isn’t he the one who fished? You must be mistaken! How could he be that abnormal array Dao?”

Those who had seen this fellow by the heavenly Granny Pond all asked in confusion.

They weren’t mistaken, this was the guy who had caught the nine immortal fish, but how did he become that abnormal array Dao again? this wasn’t right!

The people in the divine herb garden said, “Hey! That’s not right! He’s clearly that formation path freak, I remember it very clearly, you’re the one who’s mistaken!”

“Wrong! Wrong! You’re all wrong, he’s the bastard who stole the law comprehension stage!”

The people from the cliff of enlightenment also shouted.

The three groups of people felt that they didn’t recognize the wrong person, but the other party did.

When the others heard this, they were even more puzzled.

They had long heard of the little Fishing Master and the abnormal array Dao, and had even searched everywhere. But shouldn’t these three people be different? but why did these people all recognize the same person?

Could it be that the three of them were actually the same person?

As soon as this thought flashed through their minds, they were greatly shocked.

How could these three people be the same person?

One could take out a bait that was even more powerful than the Yao clan, one held a treasured saber, and one had an extremely terrifying array Dao talent. No matter how one thought about it, they couldn’t be the same person, and they were even disciples of a sect.

If it was the same person, didn’t that mean that this person had nine immortal fish and seven divine herbs? that would be about fourteen divine herbs! What an amazing harvest!

“It’s me! It’s all my fault!”

The man nodded and admitted it.

The crowd was stunned at first, and then, with a whoosh, the entire square was in an uproar.

“Heavens! It’s really him!”

Everyone was extremely shocked.

They had never thought that the three of them would be the same person.

Then, their eyes instantly turned red.

There were about 14 godly medicines on this guy!

As long as they could get their hands on it, they would immediately be able to complete it and break through to the fourth tribulation, achieving the realm of infinite longevity.

Gulu!

Many people even swallowed their saliva, their eyes filled with greed.

“This guy ... Who is he?”

Everyone was getting more and more curious.

They really could not figure it out. This fellow was clearly not a member of the main clan. How could he take out a medicinal bait that was even more powerful than the Yao clan? moreover, he even possessed such terrifying array Dao attainments?

How could a sect produce such a person?

“Who are you?”

The group of Holy Sons frowned and stared at this person.

That person didn’t reply. Instead, he walked forward step by step and arrived at the center of the square. After that, he slowly turned around and walked towards the Qin clan.

With a smile on his face and his right hand behind his back, he walked to the front of the figure and stretched out his hand. A bouquet of flowers appeared.

“Beauty, this is for you!”

He grinned and handed over the flower in his hand.

The beautiful figure in front of him was stunned. Her beautiful eyes widened as she stared at him.

Everyone was stunned for a moment before they burst into laughter.

“This guy really overestimates himself!”

“Hahaha! Even a Toad would want to eat swan meat! Why don’t you take a look at yourself in the mirror and see what you’re made of!”

Everyone around him laughed at him.
