

The Mightiest Little Peasant Chapter 1786

“The Holy Son of the Yao clan ... So what?”

“Hmph!” Tang Hao grunted coldly. True fire gushed out of his body and turned into a Blood Dragon that pounced toward the Golden Phoenix.

A Dragon and a Phoenix, two types of flames, collided together brazenly and began to fight.

For a time, the roars of Dragons and phoenixes shook the world.

“He still has energy left!”

The crowd watched for a moment, and all of them revealed shocked expressions.

He had already fought so many battles, how could this guy still have energy left?

What kind of monster was this!

“I really didn’t expect that the lower realm could also produce such a freak!”

Many people were speechless.

This fellow surnamed Tang had completely subverted their previous understanding of the lower realm.

“Hey! You guys don’t know this! The lower realm isn’t completely useless. Every grand ceremony of blood source will bring in many geniuses. This proves that the lower realm isn’t lacking in talents. It’s just that the spiritual energy is a little thin and the cultivation environment is poor. ”

“However, no matter how bad the environment is, there can still be a freak occasionally! In the past, there were many people who came from the lower realms and made a name for themselves on Pangu continent. The closest ones were The Blood King, and the distant ones were the soul Emperor and heaven reverse Emperor. But these are all figures from a long time ago. At that time, the lower realms were not so withered, and many experts had emerged. ”

Someone said.

“Blood King?”

Upon hearing this name, many people’s expressions changed, revealing fear and even fear.

The Blood King!

This name was notorious on Pangu continent, and he had committed countless murders. He was a peerless murderer who was wanted and hunted by the great void heaven, one of the thirty-three heavens, and ranked first on Pangu continent’s murderer list.

And it was said that The Blood King came from the lower realm.

However, this was a figure from a thousand years ago. He had been extinct for many years, and not many people remembered him.

Boom! Boom! Boom!

In the sky, the dragon and phoenix collided intensely, constantly exploding with dazzling brilliance.

The two of them attacked with all their might, madly activating the power of the flames.

After exchanging blows for a while, Tang Hao was at a disadvantage.

After all, he had fought so many battles, his immortal essence had been greatly expended.

Noticing this, Yao Kong Xuan raised his eyebrows and revealed a happy expression. Everyone else was also overjoyed. They felt as if a big stone had been lifted off their hearts.

“I thought that this guy was really that strong! I didn’t expect it to not work!”

“Hahaha! Quickly kill him!”

They laughed and shouted excitedly.

“It’s too early for you to be happy!” Tang Hao rolled his eyes. He flicked his right palm, and a large pill appeared in his hand. He popped it into his mouth.

As the elixir entered his stomach, the aura on his body skyrocketed, and in a short while, he was full of energy again.

This time, everyone was dumbfounded.

After being stunned for a moment, their faces twitched, and they had the urge to vomit blood.

He had thought that this guy was finally done for, but he didn’t expect that this guy actually had such a treasure pill. With one pill, his condition was completely restored, and he became so fierce again!

“One pill is enough to recover. It’s definitely an amazing treasure pill!”

They were even more surprised. A pill that could help a three-tribulation Saint quickly recover his celestial core power and fully recover was a very rare and precious pill.

Yao Kong Xuan was also dumbfounded.

“You ... You ...”

He looked at Tang Hao and was speechless.

“You what you!” “Hmph!” Tang Hao grunted. He released his aura, and his true fire grew. It turned into a sea of blood that surged forward and swallowed the Golden Phoenix.

“Ah!”

Then, there was a scream.

The moment the fire Phoenix was swallowed, Yao Kong Xuan’s body trembled as if he had been seriously injured. His face turned pale. The four ancient lamps beside him also dimmed, and the flames on them were almost extinguished.

“A mere Dao fire wants to rival my true fire?”

“Die!” Tang Hao shouted. He grabbed the spear, and the sea of blood returned to the spear.

Whoosh!

The next moment, the divine spear burst out, carrying the power of true fire, and attacked Yao Kong Xuan.

Yao kongxuan’s face changed. He hurriedly took out his defensive weapon to block it.

However, with a bang, the defensive tribulation Transcender weapon was directly blown away and ruthlessly slammed into his chest. The impact sent him flying and he spat out blood.

“Kong Xuan!”

With a few shouts, the other geniuses of the Yao clan rushed forward and caught him.

“I lost again!”

Everyone sighed, frowning.

Even Yao Kong Xuan had lost. Who else could win him?

“Next!”

Tang Hao turned around and continued his challenge.

This time, no one responded. Everyone had a hesitant look on their faces, not daring to step forward.

“Woof! Are all the men in the spirit wilderness cowards?!” Tang Hao laughed mockingly.

“You ...”

“Don’t be so arrogant, Tang kid!”

As soon as he said that, everyone burst into an uproar.

Everyone's faces were filled with anger. After being provoked like this, if they could still endure it, then they were not men.

"I'll fight you, Tang kid!"

They all rushed forward.

However, he was quickly sent flying and landed on the ground in a sorry state.

One after another, they all suffered a crushing defeat.

In the beginning, the four sides were still furious. Everyone kept shouting to encourage the Saint children and to grind this Tang brat to death. However, as each of them suffered a crushing defeat, the shouts from the four sides gradually subsided.

They began to fall silent, and in the end, they were completely numb.

"Ninety-eight!"

"Ninety-nine!"

"A hundred!"

Soon, he had reached 100.

At this time, they finally came to their senses and were greatly shocked.

He had defeated 100 of the spirit wilderness 'Saint children by himself. What an amazing achievement!

Looking at the figure in the air with his black hair dancing in the wind, they were all stunned.

It was hard to imagine that such a peerless monster was actually someone from the lower realm!

"Another madman from the lower realm!"

Everyone sighed.

Back when The Blood King first arrived at Pangu, he had also done something earth-shattering and was known as the lower realm's madman. No one expected that such a figure would appear in the lower realm after thousands of years.

"Next!"

Tang Hao's gaze swept across the room, his fighting spirit soaring.

This time, no one responded, and no one dared to look him in the eye.

“You! The one surnamed Qin! It’s your turn!”

Tang Hao looked around. When he saw that no one was willing to accept the challenge, he looked at the Qin clan and pointed at Qin Shijie.

This person had ordered people to kill him and had a blood feud with him.

In an instant, everyone’s gaze swept towards Qin Shijie.

Qin Shijie’s expression changed drastically, turning a few shades paler. After watching so many fierce battles, he had long figured out the strength of this man surnamed Tang. Although he was somewhat unwilling, he had to admit that he was still not a match for this fellow with his current strength.

If he went up now, he would probably end up in a crushing defeat.

Moreover, he knew very well that this fellow wanted to kill him. If he was not careful, he would die Here.

So, he was afraid. He took a few steps back and shouted, “Tang kid, you’re not in your best condition right now. Even if I win, it’ll be an unfair victory. Why don’t we fight again next time? I’ll definitely win fair and square!”

Upon seeing this, everyone booed.

Naturally, everyone could tell that Qin Shijie was afraid. He was afraid that he would end up like the others and suffer a crushing defeat. That was why he found such an excuse to avoid the battle.

“Hmph! Coward!”

“Hmph!” Tang Hao grunted coldly, his face full of disdain.

“You don’t even have a single gutsy fellow in the vast spiritual wilderness!” Tang Hao looked around and said disdainfully, “if that’s the case, I’ll be taking this person away!”

After speaking, his body suddenly sank down, landing before the Qin clan’s team.

“Beauty, come with me!”

Tang Hao grinned at sis Xiangyi. He lifted her up by the waist and ran away as she looked at him in shock.
