

## The Mightiest Little Peasant Chapter 1803

“Senior, please take a look at this formation diagram. How do I break it?”

“Senior, look at this ...”

A group of array Masters surrounded Tang Hao, fighting to be the first to ask for guidance.

“Well, it’s very simple!”

Tang Hao did not refuse anyone and gave them a few pointers.

His attainments in the Dao of formations were only slightly inferior to that of alchemy. After coming to Pangu continent, he had studied the Dao of formations here, so it was more than enough for him to guide these so-called grandmasters.

“Wonderful! This move is really wonderful!”

“As expected of a senior! It’s really high!”

After a round of guidance, all the grandmasters were convinced and amazed.

This was a genuine senior! His array Dao attainments were unfathomable!

They were even more respectful now.

“My surname is Shi!”

Tang Hao pretended to reveal his surname unintentionally.

“Stone?”

The group of Masters was slightly stunned, and then nodded secretly.

That made sense. They had guessed that this senior had come from somewhere else, and the stone clan was not from the spirit wilderness. They were from the distant Dragon wilderness, which matched their guess.

This person must be an expert from the stone clan, and he just happened to come to the spiritual wilderness.

With such profound array Dao attainments, his status in the stone clan must not be low.

“So it’s a Big Shot from the stone clan!”

They secretly praised him, and their expressions became more respectful.

“Senior, look, there’s still a formation ahead. It’s the most dangerous formation. As long as we get through it, we’ll reach the immortal graveyard!” Daoist priest horizon pointed to the front and said.

“When we entered the mountain to find out the situation, we saw the tomb in the array. We don’t know the details, but from its appearance and aura, we can tell that it must be an immortal tomb.”

The old man surnamed Xu pointed ahead.

Tang Hao’s eyes narrowed. His gaze was sharp as he probed the formation.

He could vaguely see a mountain through The Fiend formation in front of him.

Upon closer inspection, he realized that it was not a mountain, but a huge tomb! It looked a little dilapidated on the outside and was made of yellow mud, but it was emitting a shocking immortal Qi.

“It’s indeed an immortal tomb!”

Tang Hao nodded.

He had learned the “soul burial Scripture”, which was one of the wondrous Scriptures. It was a Supreme Scripture on the Dao of soul burial and had many descriptions of immortal graves.

That Daoist priest frowned and said, “all immortal tombs are extremely dangerous. There are countless restrictive spells inside. Many of the previous group should have broken in, but none of them survived. I’m afraid it’ll be difficult for us to break in!”

“Hey! Old Tian Huan, what are you afraid of! It’s a rare opportunity to enter the immortal graveyard and study the ancient formation. Isn’t this what we array Masters dream of?”

The old man named Xu said.

“That’s true!”

Daoist priest horizon was stunned for a moment before he laughed.

After a moment, people gradually came out. They were all people from the great clans.

Seeing the situation in the valley, they were all stunned and revealed puzzled expressions.

Aren’t they all array Masters? why are they all gathered together? who’s the person in the middle? Why did it seem like those Masters were all revolving around him?

“Master Tian ze, master Xu ... Who is this?”

A fifth tribulation elder walked over and asked.

“Oh! Senior Zhong, this is senior Shi! An expert from the stone clan, his array Dao skills were world-shaking! He was the first one to break the bewildering formation!” Daoist priest horizon hurriedly said.

“Senior Shi, this is senior Zhong, a famous expert in the spiritual wilderness!”

He then introduced them to Tang Hao.

“Stone clan?”

The old man from the Zhong clan was startled. The Shi clan was far away from here!

However, he quickly came to a realization. This person must have travelled all over the world before coming here.

He did not have the slightest doubt. Everyone present was a top figure in the spiritual wilderness ‘array path. Since they had all acknowledged this person, there was definitely no problem.

“Sect fellow Shi! ‘Nice to meet you!’ Nice to meet you!”

The old man from the Zhong clan quickly stepped forward with a warm smile on his face.

The stone race of the desolate Dragon was not simple and was famous throughout the four Seas and eight wastelands. Since he was someone from the stone race, he had to show some respect. Furthermore, this person was an array Dao expert and was even more worthy of befriending.

“Senior Zhong, you’re flattering me by calling me fellow Daoist!”

Tang Hao put on a good act.

“Al! Sect fellow Shi, you’re treating me as an outsider. Although my realm is slightly higher, with your attainments in the Dao of arrays, you should be on the same level as me in terms of talent. ”

The old man from the Zhong clan laughed.

Tang Hao made some excuses and agreed to it. Then, he began to chat with the Zhong clan’s senior.

“What? A formation expert from the stone clan has come?”

When the people who came out later heard the news, they were all a little surprised.

Following that, the people from the various clans were like the Zhong clan. They all squeezed forward enthusiastically, wanting to befriend this expert from the Shi clan!

Tang Hao talked and laughed with them. He acted naturally.

“Has that Tang guy come yet?”

“Get out here, Tang kid!”

Soon, a few shouts came from the crowd. It was the group of Saints. They took all kinds of treasures and wandered around the crowd, taking pictures everywhere.

“Eh? What are they ...?”

Tang Hao pretended to be surprised and looked in that direction.

“Oh! Sect fellow Shi, they’re looking for a kid with the surname Tang. Why? Sect fellow Shi, haven’t you heard of this Tang guy?” The old man from the Zhong clan was the closest to Tang Hao.

“The brat surnamed Tang?”

Tang Hao furrowed his brows and shook his head. “I’m not too sure. I just came to the spiritual wilderness!”

“Oh! So that’s how it is!” The old man from the Zhong clan said. Then, he gritted his teeth and said, “this Tang kid is really detestable. He bullies men and women just because he has some strength. He has committed all kinds of crimes and even raped the saintess!”

“Right! That brat surnamed Tang is a despicable, despicable, lecherous, and shameless man!”

At the mention of this brat, all the clansmen were united against a common enemy, cursing one after another.

Some of them cursed at Tang Hao’s ancestors countless times.

Tang Hao bared his teeth. His expression was strange.

It was a strange feeling to hear this group of people scolding him in front of him.

“I see! Then this brat is really detestable!” After they were done, Tang Hao pretended to echo them.

“Ai! Look, almost everyone’s here! Let’s keep moving forward. As long as we can break through this fiend formation, we’ll be able to enter the immortal graveyard. ”

Tang Hao said as he turned around to look.

“Alright!”

“Sect fellow Shi, we’ll have to rely on your abilities when we enter the immortal graveyard later!”

The group of 5th tribulation Almighty cupped their hands at Tang Hao.

The immortal graveyard was full of restrictive spells. If they wanted to break through, they would need the help of an array master. This array master was so powerful that he could help them. It was also because of this that they were so polite to him.
