

## The Mightiest Little Peasant Chapter 1822

In the cave, it was terrifyingly quiet!

Whether it was the 5th tribulation Almighties or the Holy Sons, everyone was dumbfounded.

The iron rule of not breaking in the Saint realm had actually been broken?

Many people rubbed their eyes desperately, wanting to see more clearly. However, no matter how they looked, that primordial spirit was real. The aura of the fifth tribulation that it emitted was also not fake.

That was indeed a 5th tribulation primordial spirit!

“His cultivation is only at the 4th tribulation, how can his primordial Spirit Break through? Will his body be able to withstand it?”

“How long has it been since he advanced to the fourth tribulation? How did his primordial spirit reach the 5th tribulation?”

The next moment, a deafening noise erupted from all directions of the cave.

Everyone was confused.

The current situation was completely beyond their understanding.

“Oh right! It must be that old devil! He devoured the old Devil’s origin soul!” Suddenly, a fifth tribulation eminence seemed to have thought of something and exclaimed.

Hearing this, everyone’s body trembled, and they were stunned again.

Then, there were gasps of cold air.

Everyone was shocked.

That old devil is dead?

Not only did he fail to possess her, but he was also devoured by this kid?

This ... This was too ridiculous!

Previously, they had thought that the boy had some treasure that could restrain the primordial spirit and had trapped the old monster. That was why they could not see the old monster’s figure. However, they had never expected that the old monster had died long ago and was devoured by the boy. It had even helped the boy’s primordial spirit to rise to the fifth tribulation!

This was really unbelievable. That old devil was at the 6th tribulation, while this kid was only at the 4th tribulation!

“It’s truly inconceivable!”

The group of 5th tribulation Almighties were also extremely puzzled. Even if this kid had devoured the old monster’s primordial spirit, logically speaking, he should at most be able to advance to the peak of the 4th tribulation and not to the 5th tribulation!

They couldn’t figure out how this kid did it.

“I’m afraid that this kid’s monstrous talent is beyond our imagination!” The Zhong clan’s mighty figure sighed with a somewhat sorrowful expression.

Over the past tens of thousands of years, Pangu continent had produced many geniuses, many of whom were peerless geniuses who could fight against those of higher cultivation levels, but none of them had been able to break the iron law of primordial spirit. But now, a boy from the lower realm had actually done it.

If today’s news were to spread out, this kid’s name would definitely spread throughout the eight desolates, and even leave his name in history.

“Yup!”

The group of Almighties nodded their heads as they stared at the figure. Their faces became gloomy and cold.

Their eyes were filled with intense killing intent.

This brat must die!

Everything that happened here must not be spread out.

The Yao clan’s higher being was shocked for a long time. After he recovered, his expression became even more ferocious.

“Little brat, you’ve got some skills! A 4th tribulation cultivation base and a 5th tribulation primordial spirit. I’ve really opened my eyes today!” He said ferociously, “however, so what? you’re only an essence soul fifth tribulation, not a real fifth tribulation. In my eyes, you’re still an ant!”

With that, he snorted and stretched out his hand. Another giant Golden Palm appeared and pressed down.

“Is that so?”

“Hmph!” Tang Hao snorted coldly. He was not afraid at all.

He stood in the air, his posture straight and his aura as sharp as a sword, piercing straight into the sky.

In the face of the huge palm pressing down, he raised his hand and stretched it up. In a split second, the wind and clouds moved, and the immortal Qi surged wildly. A black handprint appeared and continued to expand as it went up to meet the attack.

This handprint was extremely huge, and there were countless talismans lingering around it, exuding an extremely dense evil aura.

“Great black Heaven hand!”

“Go!” Tang Hao shouted.

Wasn't this the ultimate move of old devil black sky, the great black sky hand?

The old monster was an eighth tribulation great emperor when he was alive, on the same level as the heaven reverse Emperor in the lower worlds. As he was born on Pangu continent, he might be stronger, and the Supreme Arts he created were naturally powerful.

The heaven shrouding hand that he had learned from the ancestor of technique was far inferior to this great black Heaven hand.

After devouring the old Devil's primordial spirit, his memories were naturally devoured by Tang Hao as well. Tang Hao knew everything about the old devil, including this great black Heaven hand.

Bang!

A deafening explosion.

The two hand seals collided with a loud bang and exploded into a boundless radiance.

In this exchange, the Yao clan's higher being had the upper hand.

“Hahaha! An ant will always be an ant. Don't think that just because you're at the fifth tribulation of the primordial soul realm, you can be compared to US Fifth tribulation saints! You brat, it's still too early for you to fight with me!”

The Yao clan's higher being laughed sinisterly as he pounced down and struck out with his palm again.

He used all his strength in this palm, vowing to slap this hateful kid to death.

He wanted to return an eye for an eye. This brat had blown up the body of the Yao clan's Saint child. He would use the same method to return the favor.

Seeing this, everyone heaved a sigh of relief.

That's true!

Although that kid had broken the iron rule and was somewhat shocking, he was only at the fifth tribulation of the immortal soul Stage and not the real fifth tribulation of the immortal soul Stage. There was a huge difference between the two.

With the abilities of the Yao clan's Almighty, it was enough to kill this brat.

"Old man, it's too early for you to be happy!"

Tang Hao sneered. His primordial spirit descended and returned to his physical body. Then, the green divine armor trembled violently and glowed with a bright green light. He had activated this Supreme artifact-level divine armor to its extreme, and it burst with a shocking aura.

"A Supreme artifact?"

The Almighty from the Yao clan was stunned. Then, he burst into laughter as if he had heard the funniest joke in the world.

"You brat, that's a piece of armor, a defensive weapon. What's the use of it? do you think that you can save your life with a supreme weapon level armor?"

"If one is not enough, what about two?"

"Hmph!" Tang Hao snorted. He raised his hand, and a green light flashed in his palm. An ancient bronze bow appeared.

"Two?"

The Yao clan's higher being was stunned for a moment before he started laughing again.

This kid was really laughable!

What level of treasure was a supreme weapon? Even many of the great clans don't have one. How could this kid have two?

Moreover, this bow looked tattered, so how could it be a supreme weapon?

"Hahaha! Kid, do you think I'm stupid?" He sneered loudly.

Tang Hao did not say a word. He took out an arrow, nocked it on the bowstring, and pulled it back.

The bow trembled and exploded with a world-shaking energy. Boundless light began to gather at the tip of the arrow, gradually transforming into a blazing sun that hung in the air.

"This ... This is ...?"

The Yao clan's mighty figure's eyes almost popped out of their sockets.

His old face was twisted in an instant, and it was filled with extreme shock.

The expressions of the people around him were the same. They were all horrified.

“That ... That bow ... Is also a supreme weapon!”

Someone wailed with a look of disbelief.

For a xiuzhe to have one supreme weapon was already quite shocking. How could he have two?

This bow ... What kind of divine item was it?

At this moment, the shock in their hearts had reached its peak.

First, he devoured the 6th tribulation ancient devil, and then he revealed his second supreme weapon. This kid had given them “surprises” again and again.

“Not good!”

After the Yao clan’s Almighty came to his senses, his expression changed.

When he sensed the unparalleled power gathered at the tip of the arrow, all the blood drained from his face, and he revealed a look of horror.

The aura on the arrow even made him, a fifth tribulation Almighty, feel fear.

He let out a panicked cry and was about to retreat.

However, it was already too late. The arrow had already finished accumulating power and was suddenly shot out. It turned into an extremely dazzling golden light, carrying an unparalleled divine might as it came for the kill.
