

The Mightiest Little Peasant Chapter 1827

“Did you guys hear? something big has happened in the spiritual wilderness! There’s a monster called Tang Hao who broke the iron rule of the sage realm. He’s only a 4th tribulation cultivator, but he’s already a 5th tribulation primordial spirit!”

“That’s not all. He still has two Supreme weapons, and one is the nine-Dragon divine coffin!”

Such news quickly spread across the desolate lands.

The western wilderness, the ancient wilderness ... These places that were adjacent to the spirit wilderness were in an uproar.

Tang Hao’s name resounded throughout the vast lands.

A monster who could break the iron rule of the Saint realm was enough to shake the entire world. Moreover, he had two Supreme weapons.

For a time, everyone in the world was fervently discussing this monstrous genius named Tang Hao.

“Surnamed Tang? Don’t tell me he is from the Tang Clan? But it’s strange that the Tang Clan doesn’t have such a person. Besides, the Tang Clan is in the East barren, not the spirit barren ...”

“Tang Hao? I’ve never heard of this name before!”

In a distant place, most people were confused. It was the first time they had heard of Tang Hao’s name. There was no such person among the famous monstrous geniuses of the Tang Clan this generation.

After asking around carefully, they were left speechless.

This monster, who had broken the iron rule and caused a stir in the eight wastelands, was not from Pangu continent at all. He had come up from the starry sky of the lower world with his own strength. A few months ago, he had become famous in the spiritual wilderness, and he could be considered to be a little famous.

It was just that back then, the incident was not as sensational as it was now. The eight desolates was too vast and news spread slowly, so they had not heard of it.

“A mere lower realm brat actually has such talent and such strength?”

The world was greatly shocked.

All this time, they had looked down on the lower realm, thinking that it was just a wild and remote place, and that their Pangu continent was a paradise, and that the geniuses on Pangu continent were naturally the best.

However, they had never expected that a kid from the lower realm would crush all the Holy Sons on Pangu continent, and even break the iron rule of the Saint realm. He had the strength to compete with the young supreme beings, completely shattering their usual impression of the lower realm.

“Since you’re from the lower realm, die! That’s good!”

“This kid ... Is doomed!”

After hearing this news, many of the Saints who had been hesitating were ecstatic.

Coming from the lower realm meant that he had no backing.

In order to survive on Pangu continent, a backer was the most important. Without a backer, one would be at the mercy of others. Even if the boy was extremely talented, so what? he was just a boy, and there were too many people who could kill him.

When the news reached the eastern barren territory and the Dragon wilderness, countless cultivators started to move towards the spirit wilderness as quickly as possible.

In an instant, the path to the spiritual wilderness was filled with celestial light. It was extremely lively.

The spirit wilderness had completely become the focus of the eight desolates.

“Tang ... Hao?”

At this moment, in a Palace in the great land of the western wilderness, a woman in luxurious clothes heard the news and was stunned.

She stood there stiffly, stunned for a long time. Then, her delicate body began to tremble with excitement.

“It’s him! It’s definitely him!”

She mumbled, almost crying tears of joy.

In the desolate Dragon, the desolate north ... Many other places, people had also heard the news and had the same reaction.

However, there were still many people who had very different reactions.

“Tang Hao? This ... How is this possible?”

In the Thunder clan, when Lei zhentian heard this news, he was stunned for a long time. This name was all too familiar to him. In fact, it could even be said that it was engraved in his heart.

However, he could not believe that Tang Hao was here.

Wasn’t it said that it was almost impossible for people from the lower realm to come here?

“It should be the same name!”

He consoled himself.

Pangu continent was so vast that it was normal for a few people to have the same name.

However, when he asked around, he was stunned.

This Tang Hao was from the lower realm. It really was him!

He found it hard to believe, but even more so, he felt dejected.

Back in the lower realm, he was suppressed by that fellow surnamed Tang until he could not breathe. Even though he was born with the potential to be a Saint, his brilliance was completely overshadowed by that fellow. For this reason, he was depressed and even somewhat dispirited.

However, ever since he was ferried to Pangu continent during the ceremony of blood source, he felt like he had been reborn. He had become a monster of the Thunder clan in the upper realm. Because of his ancient bloodline and his innate divine eyes, he had received special training from the Thunder clan.

His strength had advanced by leaps and bounds. In just a year, he had soared to the fourth tribulation. He also began to regain his confidence and sweep away the haze in his heart.

The high-spirited Lei zhentian from back then had finally returned.

He was a demon from the upper realm and had a bright future ahead of him. As for that Tang guy, he would probably rot in the lower realm for the rest of his life and his realm would probably have been surpassed by him long ago.

Gradually, he had almost forgotten about this surnamed Tang. After all, they would never have any interaction in this life.

However, he had never expected that surnamed Tang would also come. Moreover, he had also reached the fourth tribulation realm and his combat strength was even more amazing.

He had broken the iron rule of the Saint realm and forced back thousands of fifth tribulation Almightyies with one arrow!

This fellow surnamed Tang was still as abnormal as ever.

“How could this be ...”

He was instantly dispirited.
