

## The Mightiest Little Peasant Chapter 1833

Tang Hao's expression darkened when he looked around.

There were over 20 people in the Qin clan. The weakest among them was at the 5th tribulation. The person in the lead had the strongest aura. He was clearly at the 6th tribulation.

Among the group of fifth tribulation lightning, there was the one leading the team from Mount Changliu, so Tang Hao recognized him at first glance.

Tang Hao did not even need to think to know that the group of people must have come after sis Xiangyi.

Although sis Xiangyi said that she could cut off all contact with the Qin clan and prevent people from tracking them down, that was the Qin clan after all. They had tens of thousands of years of history and many secret techniques. It wouldn't be difficult for them to catch up to them.

"So many old monsters ... It's not easy!"

Tang Hao's expression was grave.

A 6th tribulation and more than 20 5th tribulation Warriors, this lineup was too powerful.

He was only at the 4th tribulation. Even if his primordial spirit was at the 5th tribulation, he would not be able to withstand such a terrifying formation.

At that moment, he began to think of a way to escape.

"You little brat, you still want to run?" The leading 6th tribulation eminence coldly snorted, "let me tell you, you won't be able to escape today. Do you know who I am? My name is Qin hai, a Council elder of the Qin clan. Since you dare to cripple the Holy Son of the Qin clan, I will cripple you today as well. I will capture you and suppress you for all eternity, making you wish you were dead!"

As he spoke, his face twitched violently, revealing an extremely ferocious expression.

"Qin hai?"

Tang Hao was surprised, but he quickly understood.

He had also heard of this person before. This person was one of the important characters in the Qin clan and was of the same bloodline as the Saint child of the Qin clan. No wonder he hated Qin Wentian so much.

"Old man, you want to kill me? It won't be that easy!"

"Hmph!" Tang Hao snorted coldly. He was not afraid at all.

“Hahaha! Stinky brat, you’ve got some guts to talk to me like that!” Qin hai laughed out loud. He felt that this was extremely laughable. A mere 4th tribulation brat actually dared to challenge a 6th tribulation expert like him.

“Brat, return the saintess and surrender obediently. Perhaps you’ll suffer less!”

He sneered again.

“If you want to fight, then fight, stop talking so much nonsense!”

“Hmph!” Tang Hao snorted. His body shook, and his aura exploded.

His body glowed with immortal light, and his appearance changed back from that of a Sage-like old man to his original appearance. Then, with a few clanging sounds, countless green lights flew out and instantly assembled into a battle armor.

His primordial spirit leaped out, summoned the divine bow, and pulled the bowstring.

In an instant, endless brilliance surged over and condensed into a dazzling sun at the tip of the arrow!

Hiss!

All the elders of the Qin clan couldn’t help but to suck in a cold breath.

Is this kind of aura really something a mere fourth tribulation can emit?

Previously, they had all heard that this brat had forced back thousands of Almighties with an arrow at Mount Changliu. His might was unparalleled, but they did not believe it and thought that it was an exaggeration. Now that they had seen him, they were all shocked.

But then, their eyes turned red as they stared at the armor and the divine bow. Even their breathing became rapid.

These were the two legendary Supreme artifacts!

As long as they could obtain these two treasures, the strength of the Qin clan would increase greatly and they would be able to rank among the top clans.

“Kid, you have some ability!”

“Hmph!” Qin hai snorted disdainfully. He was a 6th tribulation expert, so how could he be frightened by such a measly aura?

It was still a few hundred years too early for this kid to fight against him!

He raised his hand and was about to take the kid back to the clan.

This was a secret operation of the Qin clan. No one else knew about it. And if this news were to spread, the Qin clan would become the target of public criticism and would be forced into a passive situation. Hence, they had to end this battle as soon as possible. Only then would the Qin clan be able to smoothly acquire the two Paragon weapons.

“Come at me if you have the guts! Even if I die Here, I will not submit to your Qin clan. ”

“Go!” Tang Hao shouted.

“Oh! This kid is really awesome!”

“Hahaha! Is this kid crazy? he dares to challenge a 6th tribulation!”

The group of Qin clan’s elders were startled. After that, they started to laugh out loud.

The way they saw it, this kid was really overestimating his own ability.

Even Qin hai sneered, his movements pausing.

However, Tang Hao quickly retracted his aura. His primordial spirit wrapped around his body, turned around, and ran. He plunged into the ground with a whoosh.

This sudden change had stunned all the elders of the Qin clan.

Their eyes were wide open, and they were all dumbfounded.

Just a moment ago, that kid was clearly unafraid of death and was about to fight to the death with them, but the next moment, he broke into a run. He ran like a rabbit, unbelievably fast.

“Motherf \* cker! We’ve been tricked!”

“Wayaya! This little brat is too detestable!”

The group of Qin clan elders were stomping their feet in anger and kept on shouting.

They were all from the older generation, yet they were actually played by a junior in front of their faces. This was simply a great humiliation.

Qin hai was stunned for a long time, and his old face flushed red.

“Preposterous! Preposterous!”

He gritted his teeth and his body trembled with anger.

He was a dignified 6th tribulation, when had he ever been fooled like this!

“Actually ... You can’t blame us for this. It’s all because that kid is too cunning! You’re too good at pretending!”

“Yes, yes, yes! It’s said that the kid is cunning and cunning. Now that I’ve seen him, it’s true!”

The group of elders cursed angrily.

“Damn it, what are you waiting for? go after him!” “Damn it!” Qin hai roared. He was on the verge of exploding. “Stinky brat, I’m going to skin you alive!”

With that, he roared and rushed out. His divine sense spread out crazily, drilling into the ground to search for the boy’s whereabouts.

“Hurry up! We must catch up to that brat and capture him!”

The rest of the elders seemed to have woken up from a dream and quickly chased after him.

They were all a little anxious. Once that brat was discovered by others, the news would spread out. At that time, it would be troublesome. They had to block this brat in this mountain range and not let anyone find him.

“Brat, where are you!”

“You’re crazy!” Qin hai roared continuously. His hair and beard were all standing up, and he seemed to have gone mad.

His divine sense gushed out like a raging tide, splitting into countless waves and covering the entire mountain range. It went tens of thousands of feet deep into the ground, and nothing in this world could escape his perception.

“I found it!”

Suddenly, he laughed coldly. His body sank, and he burrowed into the ground, sweeping toward a place underground.

“Not good!”

“Ah!” Tang Hao cried out from deep underground. His expression changed.

He had hidden here and used all sorts of aura-concealing methods, but he still couldn’t escape the old monster’s pursuit.

“A 6th tribulation eminence ... Is too powerful!”

Tang Hao felt a little hopeless.

With his strength, he was not afraid to face a 5th tribulation expert, but he had no power to resist a 6th tribulation expert.

“Let’s go!”

His figure drilled down again, tearing open the void and escaping.

However, the void bone's ability was limited. Every time it shuttled through the void, it did not travel very far. It was soon found by the six tribulations old monster and he chased after it.

"If this continues, we'll be caught up to sooner or later!" Tang Hao's expression grew grave.

As he ran, he was thinking of a way to escape.

"There it is!"

Suddenly, an idea came to his mind.
