

## The Mightiest Little Peasant Chapter 1914

“That demon Tang robbed the auspicious beast in front of all the cultivators in the world. He also swept away those monsters. I heard that he also robbed many treasures from those big clans, including several Emperor weapons.”

“Waa!”

When everyone heard this, they all exclaimed in surprise.

“This devil is really getting fiercer and fiercer!”

Many people sighed, their expressions somewhat reverent.

Sweeping across the younger generation, comparable to the eldest young masters of the heavens, and said to be particularly brutal. Such a character was an extremely terrifying existence in their eyes!

“I say, is it because that group of freaks is too useless? there are so many of them, but they can’t even deal with a kid from the lower realm?”

Someone wondered.

They still couldn’t figure out how a kid from the lower realm could sweep away all the monstrous geniuses of Pangu continent and become invincible.

“Yeah! This is completely illogical!”

Someone echoed.

“Common sense? Buzzzzzz! What’s the use of that thing? that kid is an existence that breaks all common sense!” Someone immediately said.

“This ... That’s true!”

All the cultivators were speechless.

Tang Hao smiled when he heard that.

He was just a little surprised. It had happened more than a month ago, but it seemed like it had only just spread to this place today. It seemed like this devil Star Mountain range was really too remote.

After sitting for a while, he got up and left.

After leaving the city, he walked towards the mountains, wanting to take a look at his previous residence.

After walking for a while, he saw a Valley in the distance. There was a slightly old and shabby toilet in the valley. It stood alone in the valley and seemed a little out of place.

“It’s still here!”

Tang Hao was stunned when he saw the thatched cottage.

Wasn’t this the thatched cottage that he had built when he had lived here?

He had thought that it must have been destroyed by the thousand spirit sect. He didn’t expect it to be fine.

“There’s someone!”

Tang Hao’s divine sense found the formation around the thatched cottage. He also found a second tribulation sage realm cultivator sitting inside.

“The thousand spirit sect!”

Tang Hao quickly reacted.

This was still the thousand spirit sect’s territory, and the immortal vein under the thatched cottage also belonged to the thousand spirit sect. The only person who could guard this place was definitely an elder of the thousand spirit sect.

Perhaps the thousand spirit sect was afraid that others would discover the immortal vein below, so they sent an elder to guard it.

He stopped and didn’t want to go up.

He only came here to take a look and didn’t want to dig up old scores. Besides, he had taken advantage of the thousand spirit sect in the past, so he had no reason to cause trouble for them.

He stopped for a moment, looked around, and was ready to leave.

At this moment, a few beams of light shot over from the horizon.

“Look! Do you guys see that thatched cottage?”

When they passed by, the few streams of light stopped. A big man pointed at the thatched house in the valley and said to the people beside him.

“Eh? Why is there a broken thatched cottage here?”

The few of them asked curiously.

This was a barren mountain, and the sudden appearance of a lonely thatched cottage was indeed somewhat ancient.

“Hey! I’m telling you, this thatched cottage! He had a great background! It’s related to a legend in our devil Star Mountain’s cultivation world!” The burly man said excitedly.

“Legendary?”

The rest of the people were stunned.

“About one or two years ago, an amazing person appeared on the devil Star Mountain. I don’t know where he came from, but he was very mysterious. This person was a 2nd tribulation cultivator, but he deceived a group of 3rd tribulation cultivators and snatched the corpse of a Golden Phoenix from their hands!”

The burly man vividly described the situation.

“F \* ck! This works too?”

The rest of the people were speechless.

A 2nd tribulation cultivator had managed to fool a group of 3rd tribulation cultivators, and even ruthlessly tricked the thousand spirit sect. It sounded a little unbelievable.

“This is too F \* cking smart!”

“Awesome!”

These few people reflected on it for a while and all gave thumbs up in praise.

“This isn’t much, there’s even more amazing stuff after this!” The burly man became even more excited, his spittle flying everywhere as he spoke.

“What! There’s an immortal Meridian down there?”

“That guy ... Dug out the immortal vein of the thousand spirit sect?”

When the few people heard this, they were all dumbfounded.

This was simply too unbelievable to them!

“That’s right! It’s said that a lot of immortal Jade was stolen, and the foundation of this immortal vein was damaged. The people of the thousand spirit sect were almost vomiting blood. ” The burly man laughed, somewhat gloating.

“Amazing! He’s really amazing!”

The few people nodded in a daze, their exclamations in their hearts reaching a point of no return.

“First, they were ruthlessly fooled, and then so many immortal jades were stolen. Speaking of which, the thousand spirit sect is quite pitiful!”

“Yup! You’re so pitiful!”

Then, they started to feel sympathy for the thousand spirit sect.

“Pitiful my ass!”

At this time, an angry roar came from the thatched cottage. An old man broke out of the cottage and angrily cursed, his old face red.

These B \* stars dared to expose the thousand spirit sect’s scar again!

There were quite a few people like this. In the past two years, countless people had come to watch and laughed at the thousand spirit sect, which made him very angry.

“What are you looking at? Do you believe that I will kill you all with a single palm strike?”

The old man waved his hand and said angrily.

“A second tribulation old monster!”

The group of people were startled and ran away.

“Hmph! A bunch of ungrateful people!” The old man snorted angrily and cursed a few times. He was about to turn around and return to his room to continue his meditation.

However, at this moment, he caught a glimpse of a white-robed figure standing not far away.

He frowned and scolded, “”Why aren’t you getting lost! Are you looking for death?”

He thought it was a xiuze that was passing by and didn’t pay much attention.

Tang Hao smiled and was about to leave.

He was already at the 5th tribulation, so he did not care about these 2nd tribulation small fry.

“Wait!”

However, at this moment, the old man was suddenly startled and revealed a suspicious look.

He suddenly felt that this person was somewhat familiar.

However, this appearance was a little unfamiliar.

“Stop! Who are you?”

He shouted sternly.

Tang Hao stopped in his tracks and smiled at him. "You're living in my house, yet you're asking who I am. Isn't that funny?"

"Your house?"

The old man was stunned and didn't know how to react.

In the next moment, his expression changed and he shouted, "Alright! So it was you, you bastard! You actually dared to come back!"

He gritted his teeth, his face full of hatred.

It was this bastard who had ruthlessly toyed with their thousand spirit sect and even stolen their immortal vein. Not only did he cause the thousand spirit sect to suffer heavy losses, but he had also disgraced them and become the laughingstock of the devil Star Mountain.

The thousand spirit sect had been searching for this guy for a long time. He didn't expect that this guy would walk right into his trap and deliver himself to his door!

"Just you wait! Today, the thousand spirit sect will make you pay for what you've done!"

He said viciously.

After he finished speaking, he crushed a jade talisman and quickly sent a message to the sect.

This B \* stard wasn't weak. He'd once resisted a few attacks from a third tribulation Saint as a second tribulation. Then, he'd advanced to the third tribulation and killed a third tribulation Saint. He wasn't his match at all, and the sect master had to come.

The entire thousand spirit sect was in an uproar when they heard this.

"Hahaha! The heavens are really helping me! That bastard actually delivered himself to our door!"

Venerable myriad spirit jumped to his feet in joy.

He had been thinking about this grudge all the time, and now, it was finally time for revenge.

He was going to capture this bastard and use the most vicious method to torture him. Then, he would extract his soul and refine his bones to wash away the shame of his thousand spirit sect.

"Let's go!"

He immediately led a group of elders and soared into the sky.

"We can finally wash away the shame that bastard brought us today!"

"The heavens have eyes!"

The elders were so excited that they were about to cry.

Then, they gritted their teeth and burst out with a shocking killing intent.

The group of people were filled with killing intent as they charged into the valley.
