

The Mightiest Little Peasant Chapter 1915

"You still dare to come back!" Venerable myriad spirit said viciously as he landed.

"Why wouldn't I dare!"

"I'm sorry," Tang Hao said indifferently. He then cupped his hands at venerable myriad spirit and said, "fellow Daoist myriad spirit! Long time no see!"

Back when he had returned to kill sovereign Gu tuo, he had met with the venerable of ten thousand spirits again. At that time, the enmity between them had been resolved. But now, why did the venerable of ten thousand spirits look like he had come with ill intentions?

"Peak of the 3rd tribulation? No wonder!"

Tang Hao glanced at venerable myriad spirit and understood.

It turned out that venerable myriad spirit had already reached the peak of the 3rd tribulation, and his strength had greatly increased. No wonder he was so aggressive and wanted to take revenge.

"Hmph!"

Venerable myriad spirit harrumphed in embarrassment.

This guy's indifferent reaction showed that he didn't take him seriously at all.

"Alright! Since you dared to come back today, I'm sure you've made some progress. I'd like to see how much you've improved in the past few years!" Venerable myriad spirit snorted.

As he spoke, he took a step forward. With a boom, a violent aura burst out from his body.

In an instant, he seemed to have transformed into an ancient fierce beast.

"You've improved, but I haven't!"

Venerable myriad spirit sneered.

This fiend was indeed powerful. Back then, when he returned after advancing to the third calamity, he killed old man Gu tuo right in front of him, which really frightened him. However, in the past one or two years, he had also obtained many opportunities, and his strength had a huge increase.

With his current peak 3rd tribulation and close to 4th tribulation strength, dealing with this fiend is a piece of cake.

No matter what this fiend's background was, today, he would take revenge for what he had done back then.

He took a step forward, and the pressure on his body turned into a raging wave that pressed forward.

Bang Bang Bang!

The ground exploded inch by inch, and the mountains shook.

However, the white-robed figure remained unmoving like a Boulder in the midst of this violent pressure.

There was no surprise or panic on his handsome face, only indifference.

“What?”

“What ... What’s going on?” venerable myriad spirit was stunned.

The elders of the thousand spirit sect were also shocked.

Under such pressure, even if this guy was also at the third tribulation, he should have some reaction. But now, this guy had no reaction at all, so calm that it was a little strange.

It was as if, in his eyes, this kind of pressure was just a small wave!

But ... How was this possible?

The sect master was a peak 3rd tribulation expert!

“Sect ... Sect master, why don’t we ... Work harder?”

An elder said in a low voice.

Venerable myriad spirit gritted his teeth and unleashed his full power. The aura around him surged and he pressed forward again.

However, what made him speechless was that there was still no reaction from the other party. The pressure that he had exerted with all his strength seemed to be not even enough to scratch the other party’s itch.

“This ...”

He was a little puzzled, and his old face turned even redder.

“It’s impolite not to return the favor! It’s my turn now!”

Tang Hao grinned at them.

The next moment, he stomped his feet and the aura around him exploded.

In an instant, the mountains collapsed and the earth cracked.

A suffocating pressure turned into a raging wave and slapped down.

Venerable myriad spirit was the first to bear the brunt of the attack. His body trembled violently, and his chest deflated as if it had been hit by a hammer. Then, he spat out a mouthful of blood.

His body shot backward like a cannonball, shattering mountains one after another.

Who knows how many mountains he had smashed into before he finally stopped. His face was as pale as a sheet of gold paper, and he was in a sorry state.

In an instant, the surroundings fell silent.

It was so quiet that it was a little scary.

The elder of the thousand spirit sect was frozen on the spot, his face blank.

Their eyes were so wide that they were about to pop out of their sockets.

They couldn't believe that their sect master, who was at the peak of the 3rd tribulation, was actually sent flying by a wave of pressure.

"This ... This ..."

Immediately after, they began to shiver and their faces turned pale. When they looked at the white-robed figure again, they were even more frightened.

Just his pressure was enough to injure a Saint who had passed the third tribulation. How terrifying was this guy's realm?

"He ... Isn't he at the third tribulation?"

"Yes! That's right! I ... I don't know what's going on. "

They were on the verge of tears.

He was clearly just a 3rd tribulation fellow, how did he become so terrifying after not seeing him for a year or two?

"Three tribulations?"

Tang Hao chuckled. He raised his eyes and looked at an elder from the thousand spirit sect.

"Ah!" The elder cried out and was sent flying, spitting out blood.

"My ... My God!"

The remaining elders trembled even more.

At this moment, they were so scared that they almost fainted.

A single gaze was already terrifying to the extreme!

This guy must be a 4th tribulation expert!

In this one or two years “time, what kind of fortuitous encounter did this guy have to be able to soar from the early 3rd tribulation to the 4th tribulation?”

Tang Hao’s eyes shifted to the next person. He raised his hand and flicked a few times.

Bang Bang Bang!

The elders of the thousand spirit sect were sent flying one after another, all of them severely injured.

When they got up in fear and looked forward, they felt a terrifying aura in front of them, and their minds went blank.

Not the fourth tribulation!

This was definitely an even more terrifying fifth tribulation!

Oh my God!

In such a short period of time, he went from the 3rd tribulation to the 5th tribulation. How terrifying and unbelievable was this speed!

This guy ... What was his background?

At this moment, there was only fear in their hearts.

“3rd tribulation ... To 5th tribulation?”

Venerable myriad Spirit’s mind went blank.

He had thought that after one or two years, this guy would at most reach the middle stage of the third tribulation, but he had never expected that he would soar to the fifth tribulation.

This speed was simply shocking!

“This ... How is this possible?”

He mumbled with a dazed expression.

In just one or two years, from the early stage of the 3rd tribulation to the 5th tribulation, such a speed, how could anyone in this world do it, even those monstrous geniuses of the big clans, most likely couldn’t do it!

Suddenly, his body trembled as if he had thought of something. His eyes suddenly widened, and he looked in front of him with an extremely shocked expression. He blurted out, "You ... You're the one with the surname Tang?"

In such a short period of time, he had gone from the third tribulation to the fifth tribulation. He was far more powerful than Pangu's monstrous geniuses, and he also had many treasures. Besides that monstrous genius surnamed Tang, there was no other person in this world who could be as monstrous as him.

Hearing this, the group of elders were stunned. Then, their faces turned even paler.

That Tang guy!

They had naturally heard of him before. He was no ordinary man, but a super genius who had swept across the younger generation, and a great figure who had shaken the entire Pangu continent!

Not only was this person talented and powerful, but it was also said that his background was even more terrifying.

Ordinary clans and powerful sects wouldn't dare to provoke such a person. To a remote small sect like theirs, he was an existence that could not be provoked.

Tang Hao stood with his hands behind his back and glanced at them coldly. "I won't kill you. Let's put an end to our past grudges!" If there's a next time, don't blame me for being impolite!"

Then, he turned around and left.

With his current realm, he also disdained to exterminate these minor characters.

"So it really is him! No wonder! No wonder!"

Venerable myriad spirit stood up and looked in the direction of the figure. He couldn't help but Mutter, his expression somewhat dazed.

He had never expected that the mysterious Saint who had caused chaos in the demonic Star Mountain would be the monster surnamed Tang who had swept through the spiritual wilderness and shook the entire Pangu continent!

"It seems that he had just arrived at Pangu back then!"

He laughed bitterly, feeling as if he had just survived a disaster.

"Let's go!"

He stood there for a long time before he waved his hand and left with the elders.

"So it's him! No injustice! There's no injustice!"

“This time, we’ll have something to brag about!”

The elders swept away their dejection and were all dancing with joy.

It was definitely worth it to meet the famous devil surnamed Tang in Pangu.

On the other side, after Tang Hao left the demonic Star Mountain, he flew quickly and arrived at another mountain range in just a moment.

He waved his hand and swept away the mist in front of him. A verdant valley appeared in front of him. This was the old man Gu tuo’s residence, and also his first stop when he came to Pangu.

The passageway between Pangu continent and the starry sky of the lower realm was here!
