

## The Mightiest Little Peasant Chapter 1917

“What a terrifying aura!”

“This person ... Who is he?”

Everyone on the central sacred planet was shocked.

From the Saints to the Golden core cultivators and the nascent soul cultivators, they were all breathless under this terrifying pressure.

“It’s definitely a major power from the 33 heavens!”

“This aura, I don’t think it’s just the third tribulation! He must be a 4th tribulation Almighty!”

The crowd discussed in low voices.

They were no strangers to the 33 heavens. Everyone had heard that there was a higher realm beyond this starry sky. Compared to this starry sky, that realm was like a paradise.

The xiuzhe there were also extremely powerful.

In the past, there would occasionally be cultivators from the thirty-three heavens who would descend and leave behind legends.

The name of the thirty-three heavens also spread far and wide in the starry sky.

However, all of this had happened a long time ago. It had been a long time since anyone had come down from the 33 heavens. Now, another person had actually come.

What was the purpose of this Almighty being?

Everyone was a little curious, but also a little nervous.

“This aura ... It’s so strong. I think it might be more than the 4th tribulation!”

“This person must have a powerful background and is a Big Shot in the upper realm!”

The Lords of the three dynasties were even more shocked.

They could all tell that this person had a powerful background.

Immediately, they all showed a respectful expression and swept forward.

“I’m the leader of the great gan divine dynasty. Greetings, exalted immortal!”

“I am the Lord of the great Qin divine dynasty. I did not know that you were coming and was unable to welcome you. Please forgive me!”

The three of them bowed respectfully as they approached.

They didn't dare to raise their heads. They just bowed and waited for the response of this immortal.

However, after waiting for a while, there was no response at all.

The three of them immediately panicked. Did this shangxian really come with ill intentions?

If that was the case, they would not be able to stop him at all!

Among the three of them, the Qin Emperor was the strongest, but he was only at the 2nd tribulation. The two of them were at the peak of the 1st tribulation. With such strength, they could definitely move unhindered in this starry sky. However, they were nothing in front of this shangxian.

Perhaps, in the eyes of this exalted immortal, the three of them, who were at the peak of the starry sky, were not even considered ants.

On the sacred planet, many cultivators also started to panic, and their faces were pale.

"Exalted ... Exalted immortal!"

The three of them were apprehensive for a while before they opened their mouths again to ask for the purpose of their visit.

"Brother Qin, what are you all doing?"

At this moment, a chuckle came from the front. Then, the pressure that filled the sky suddenly disappeared.

The three of them were stunned.

The xiuzhe in the surroundings were also dumbfounded.

Brother Qin?

Is this referring to the Qin Emperor?

Could it be that this shangxian knew the Qin Emperor?

In an instant, everyone's eyes swept towards the Qin Emperor. The other two emperors widened their eyes and looked at the Qin Emperor in horror. They never knew that the Qin Emperor was related to the Almighty in the upper realm!

"I ..."

The Qin Emperor stood up with a confused look.

Among all of them, he was the most confused. He did not know when he had become related to the mighty people of the upper realm, and they even called each other brothers.

When he looked forward, he was stunned again, as if he had been struck by lightning.

“It’s ... It’s you!”

His widened eyes were filled with disbelief.

It was as if he had seen the most unbelievable thing in the world.

The other two sovereigns hesitated for a moment before they mustered their courage and stood up. The shangxian in front of them had already retracted his aura and the brilliance on his body, revealing his true appearance.

It was this true appearance that made them stunned.

This face was clearly somewhat familiar!

“No... No way! It’s him?”

Emperor Qian seemed to have recalled something as he suddenly cried out in surprise. He also had an expression of disbelief on his face.

But then, he shook his head crazily and mumbled, “No! This was impossible! This is absolutely impossible!”

The shangxian in front of him looked very much like a person. It was Tang Hao, venerable Tang, who had once dominated the starry sky and shocked the world!

But that was impossible!

Tang Hao was indeed very powerful. He was only in his fifties, but he had become a second-trial Saint and became the number one person in the starry sky. Emperor Qi and Emperor Chu had both fallen at his hands. He could be said to be extremely monstrous.

He had disappeared a few years ago. According to the Qin Emperor, he had gone to the upper realm.

However, he had only been there for a few years and had just advanced to the second tribulation not long ago. The shangxian in front of him was a super expert who was at least at the fourth tribulation. How could the two be the same person?

“Tang Hao? The immortal venerable Tang who was once known as the number one man in the starry sky? It can’t be, right?”

“He seems to have gone to the upper realm, but it’s only been a few years!”

The crowd was in an uproar, their faces full of disbelief.

It was hard for them to believe that this mighty and indescribable powerhouse was actually the same venerable Tang from before!

“What? it’s only been a few years and you’ve already forgotten about me!”

Tang Hao chuckled.

The Qin Emperor was stunned for a long time before he came back to his senses. He muttered, “It really is him! It was unbelievable! It’s unbelievable!”

He had never thought that brother Tang would return with such a drastic change after only a few years in the upper realm. His strength was so strong that it was beyond his imagination!

Were the 33 heavens really that good?

Then, he became excited and was about to call out ‘brother Tang’, but the words were stuck at the tip of his tongue. Things were different now. In the past, they were all in trouble, so it was no big deal to call each other brothers.

But now, brother Tang has reached an unknown realm, while he is only at the second tribulation. The gap is too big.

He found it difficult to call him brother.

“Is it really you?”

After a long time, he finally spoke.

“Of course it’s me!” “Who else could it be?” Tang Hao laughed.

“That’s true!” The Qin Emperor laughed, “you ... How many tribulations have you gone through? 4th tribulation?”

He estimated in his heart that when brother Tang went to the thirty-three heavens, he had only advanced to the second tribulation not long ago. After being gone for so many years, even if the upper realm was full of treasures, he would at most be at the fourth tribulation.

It was possible that he was at the late stage of the fourth tribulation or even at the peak of the fourth tribulation. That was why his aura was so terrifying!

“Fourth tribulation?”

“Fifth tribulation!” Tang Hao shook his head and smiled.

“Five ... Five tribulations?”

Before the Qin Emperor could say anything, Emperor Qian and the others had already cried out in shock, dumbfounded.

“Perfect!”

Tang Hao smiled and added, “that’s why I’m back. I’m here to see the stars!”

At this moment, the eyes of Emperor Qian and the others widened, and they were even more astonished.

The perfection of five tribulations!

What a terrifying realm this was!

In the upper realm, he could be considered a powerhouse.

“Brother Qin, you’ve also improved a lot in these few years!” Tang Hao said with a smile as he studied the Qin Emperor.

He could see that the Qin Emperor had already advanced to the 2nd tribulation and was now approaching the middle stage of the 2nd tribulation.

Looking at his primordial spirit, it was also quite strong. He must have cultivated the Dharma technique to the deepest level.

“Hey! Compared to you, I’m nothing!” The Qin Emperor forced a smile.

“Don’t just stand there. Go down. We’ll talk in my Qin Imperial Palace!” He said.

“Good! It’s been a long time since we last met, it’s time to catch up!”

Tang Hao nodded.

“Please, exalted immortal Tang!”

The two emperors hurriedly bowed in respect.

After Tang Hao left, they followed him into the Qin Imperial Palace.
