

The Mightiest Little Peasant Chapter 1919

Planet Dong Ling.

A beam of light fell and a figure appeared. It was a handsome young man in a white robe.

“I’m finally back!”

Tang Hao looked around and sighed.

Along the way, he would see some familiar places from time to time, which brought back his memories.

He had stayed in Donglin for many years. First, he had entered the heaven-equal Academy, then he had gone to the Green Emperor mountain, and then the God had descended to the world ... All these memories kept appearing in his mind.

He looked around. He looked at the Green Emperor mountain and the place where the divine Spirit descended. He looked around one by one.

When he arrived at the ruins of the Yuchi family, he also stopped for a moment.

The Grudge between him and the Yuchi family was too deep.

The Yuchi family here had already been destroyed by him, but the grudges between them had not ended, and continued all the way to the upper world.

That Yuchi Xuan was still alive!

As long as she was alive, this grudge would not end.

“This Yuchi Xuan is also a monster!”

Tang Hao sighed.

As the former number one genius of the equal heaven Department, Yuchi Xuan was born with a God’s bone that could evolve continuously. Her aptitude was truly monstrous, and he had yet to successfully kill her. Instead, she had become stronger and stronger.

Now that she had an eternal bone and the support of the Yuchi clan from the upper realm, she was even more difficult to deal with.

“The enmity of snatching the bone, in the end, must still be avenged!”

Tang Hao mumbled coldly.

He had always remembered this grudge.

He stood there for a while before leaving.

As he passed by a city, he stopped and revealed a surprised expression.

The city was filled with cultivators and was bustling with life. From all directions, light kept flashing over. There were huge birds and large warships that carried large numbers of cultivators to the city.

Such a large city was almost unable to hold people. Outside the city, there were countless huge beasts crouching and countless tents spread out, making for a spectacular sight.

Looking closely, there were many young people among the xiuzhe.

This scene was very similar to the time when the heaven-equal courtyard was recruiting disciples.

At that time, it was the same situation. The various races of Donglin and people from the other star fields all came to sign up.

When he stopped and watched for a moment, he was even more surprised.

The line-up in front of them was even more exaggerated than the recruitment of the heaven-equal Department.

“This ... Is strange!”

Tang Hao furrowed his eyebrows.

This place was obviously not the equal of heaven courtyard!

“Then, which force did these people come for? is there a force more powerful than the equal heaven courtyard on planet Dong Ling?”

Tang Hao was puzzled. Ever since they destroyed the other two Holy Lands, the heaven’s equal Department had become the number one faction!

When he left, the heaven’s equal Academy was still fine. There was no one in the entire Donglin who was a match for them, and there wouldn’t be any problems. So where did this force come from?

“Ah! My Lord, you are ...”

Tang Hao landed on the ground. A giant beast happened to pass by. There were a few people sitting on it. An old man was leading the group, and behind him was a group of young boys and girls.

“What master? you young man, you really don’t know how to talk!”

The old man glanced at him and said in a bad mood.

“Oh! Uncle!” Tang Hao immediately corrected himself.

“Hey! This is more like it!”

The old man grinned.

Then, he looked at Tang Hao from head to toe and mumbled, “Young man, you’re here to take the exam too? I see that you’re not young anymore. I’m afraid it won’t be easy for you!”

“Exam?”

Tang Hao was stunned.

Why did this word sound a little strange?

Before he could react, the old man continued, “Yeah! It was an exam! You’re not here to take the exam? I heard that this year’s exam will be extremely difficult. The questions are all perverted. I wonder how many of my kids will be able to get in this year.”

As he spoke, he turned around and looked at the group of young men and women.

“Don’t be lazy. Make the best use of your time and revise. You might be able to get these questions this year, so memorize them all.”

He reprimanded with a stern face.

“Yes! Elder!”

The group of boys and girls all had bitter faces and unwillingly responded.

Tang Hao noticed that each of them was holding a stack of books and flipping through them. There was a pile of books next to them. Tang Hao’s eyes widened when he read the title.

“A hundred Dan Dao simulations?”

“Three years of testing, five years of simulation?”

“The ‘thousand secrets secret scroll’?”

Tang Hao was shocked!

“Elder, elder, this question is so difficult!” Suddenly, a young man stood up and shouted at the old man.

“Let me see!” As the old man spoke, he took the scroll from the young man’s hand and looked at it. He frowned. “If your mother and your cultivation partner fell into the river together, who would you save first?”

“What kind of stupid question is this? it’s too difficult! It’s just entering a school, why is there a need to test on morality? it’s too difficult!”

Tang Hao was even more shocked when he heard that.

“Moral character?” He blurted.

“Yeah! Don’t you know? Don’t tell me that you don’t know what the test is about, so you came here!” The old man raised his head and said, “let me tell you, it’s very difficult to get into Kun Lun Academy. You have to study a few subjects, such as alchemy, array formation, and cultivation. Even your moral character has to be tested. You can’t get in if you don’t meet any of the requirements.”

“The people from Kunlun Academy said that the people they want to recruit must have outstanding talent and extremely high moral character. What they want is a talent who is well-rounded in virtue, intelligence, physique, beauty, and labor.”

Tang Hao was speechless when he heard that.

Then, he laughed bitterly.

At this time, he knew that this was all a trick played by the Taoist priest and the others.

“Let me see! I really don’t know!” Tang Hao said.

“Hey! Young man, you’re not young anymore! How can you be so sloppy? you want to enter Kun Lun with your current state? In your dreams!” The old man mumbled.

He tossed a few books to Tang Hao.

Tang Hao’s expression became more and more strange when he read it.

The questions were really varied. Just the alchemy questions alone were full of tricks. There were right and wrong questions, multiple choice questions, fill in the blank, and oral defense questions. Just the knowledge of alchemy was not enough to answer these questions. There were also questions about thoughts and morality. They were so strange that even he had a headache.

“How is it? It was difficult! Young man, I’m telling you, go back quickly, buy a few sets of real questions, study them, and take the exam next year!” The old man said.

“It’s indeed a little difficult!” “But,” Tang Hao said, “is Kun Lun that amazing? it’s such a difficult exam, and you’re all fighting to get in.”

When the old man heard that, he looked at Tang Hao as if he was a monster.

“You actually don’t know how powerful Kun Lun is? Are you still from Donglin? Kun Lun is the number one sect in our Dong Lin astral world. Kun Lun’s former sect master is the legend of our Dong Lin, that awesome Tang Hao. ”

“This Tang Hao was once the number one disciple of the equal of heaven Academy. That’s why the equal of heaven Academy has a very good relationship with Kunlun. They’re from the same sect.”

“Who doesn’t want to enter Kun Lun in Dong Lin astral? “However, it’s too difficult to get in. You have to take an exam, enter Kun Lun Academy, and study for a few years before you’re qualified to enter Kun Lun and become an official disciple.”

The old man said.
