

## The Mightiest Little Peasant Chapter 1951

“This kid’s demonic Arts are powerful, let’s go!”

They couldn’t care about their face anymore, so they turned around and fled in a hurry.

“Mother! Quickly run!”

Ye jixuan and the other evildoers had long been scared out of their wits. Even though they were hiding in the ripples in the void, their legs still went soft as they watched, afraid that they would be discovered by that fellow surnamed Tang.

They hurriedly used their divine abilities to escape.

For a time, the sky was filled with void ripples. People from all races fled into the void in a panic. Those without void treasures turned into rainbows and fled in all directions.

“This kid ... What’s going on?”

The members of the Yao clan gritted their teeth, and their expressions were extremely ugly.

“I’m not sure what kind of eye technique this is!” The Yao clan master shook his head and was also confused.

Even with his experience, he actually didn’t know what kind of eye technique this was!

“Run! We’ll first avoid the sharp edge and find out what this is when we return. It won’t be too late to deal with him then!” He shouted and was about to escape into the void with the other Saints of the Yao clan.

“Since you’re already here, why are you in a hurry to leave?”

At this moment, a black shadow flashed in front of them. A figure appeared in front of them like a ghost.

Hiss!

The Yao clan Saints couldn’t help but take a deep breath.

Wasn’t this that terrifying brat?

When they thought of the terrifying scene just now, many Yao clan Saints felt their hearts tremble and their legs go soft.

On the other hand, the clan leader of the Yao clan appeared extremely calm. His face sank as he shouted, “Kid, what kind of eye technique is this?”

Tang Hao did not reply. He only stared at the man.

“A clone?” He frowned. The person in front of him was clearly a clone.

“Young man, this is the master of the Yao clan, a seven tribulation Saint ...” An elder of the Yao clan shouted angrily behind him.

“So it is the Yao clan’s leader!”

Tang Hao sized him up and sneered. “So what if he’s the master of the Yao family? if you have the ability, come with your real body. This clone is only at the sixth tribulation.” Your Yao clan has attacked me time and time again. Today, I shall collect some interest from you. ”

“You ... You dare!”

The Yao clan master shouted and was about to attack.

However, at this moment, Tang Hao’s eyes suddenly glowed with a dim light.

The Yao clan leader’s body trembled. The finger that he had just raised froze.

“This ... This is ...” He widened his eyes and looked straight into his opponent’s eyes, revealing an extremely horrified expression.

Before he could finish his sentence, the light in Tang Hao’s eyes brightened. He was dumbfounded, and his entire body went limp as if his soul had been sucked out of him.

“This clone is not bad! It’s mine!”

Tang Hao reached out and grabbed the clone. Then, a golden light flashed above his head. He cut out a part of his primordial spirit, which turned into a split spirit and entered the body.

After a while, the body opened its eyes and cupped its hands at Tang Hao. “Greetings, fellow Daoist!”

The Yao family elders were all stunned.

This brat was extremely daring. He even dared to snatch the clone of a seven tribulation Saint!

“Brat, you’re looking for death!”

They shouted, but as they shouted, they fled.

“Hmph! You’re the ones who are looking for death!”

“Die!” Tang Hao shouted. His body flashed as he chased after them. There was a flash of light above his head as his origin core clone leaped out with his spear. He charged toward the Yao clan Saints with his new clone.

”

Soon, a few screams were heard, and a few figures fell to the ground after being hit by the heavenly demon eyes.

Half of the Yao clan members were left behind.

“This Yao clan ... Is too tragic!”

“Let’s go!”

The Saints around him shivered in fear and ran even faster.

In a short while, everyone had run away. Those who had come to watch had also run far away, afraid of being misunderstood.

“Hu!”

After killing the last person, Tang Hao stopped and looked around. He heaved a sigh of relief after making sure that no one was hiding in the void.

Today’s tribulation was finally over.

“This clone is really not bad!”

Tang Hao summoned his avatar and examined it carefully. This avatar was definitely not as good as the origin core avatar, but it was definitely not ordinary. It was a top-tier avatar. After all, it was a seven tribulation expert and the masterpiece of a clan leader.

“This material seems to be made from some kind of Lotus. It is somewhat similar to that Divine Lotus body. They are both things of the Yao clan and should be somewhat related.”

Tang Hao pondered.

From his point of view, this clone was most likely an imitation of the sacred lotus body that the Yao clan had created.

“If it wasn’t for the heavenly demon eyes, I might not have been able to take it down so quickly.”

Tang Hao rejoiced a little. After all, it was a clone of a clan leader, so its strength was certainly not weak. If they really fought, he might not be a match for it.

“I’ll use this avatar for the time being. It’ll be a great help!”

Tang Hao pondered for a moment, then recalled his two clones.

He heaved a sigh of relief and revealed a satisfied expression.

Today, not only had he safely passed his tribulation of Dao and advanced to the sixth tribulation, but he had also refined a pair of heavenly demon eyes and obtained a powerful avatar. His gains were quite great, and his strength had also skyrocketed.

He had just entered the 6th tribulation, but he already had the capital to fight against some of the older 6th tribulation cultivators.

“Right, those old monsters” things!”

Tang Hao suddenly remembered that he had just killed so many sixth tribulation lightning bolts, so he had naturally taken all their things.

“This ring belongs to that unlucky guy from the Yuchi clan. This ring ... Belongs to the Yao clan!”

He took out a large pile of rings and looked at them one by one, occasionally beaming with joy.

They were all 6th tribulation old monsters and were all rich. There were countless crystal stones and mountains of immortal crystals of various grades. There were also many medicinal pills, cultivation techniques, and tribulation weapons.

“I’m rich! I’m rich!”

Tang Hao felt like he had become rich again.

“Not bad! Not bad!”

Tang Hao mumbled to himself, then happily put away the Rings.

At this moment, he felt refreshed and his entire body was especially comfortable.

“Argh! That’s right! That tunnel!”

Tang Hao remembered the tunnel.

He looked back and saw that the tunnel was shrinking and slowly disappearing.

His figure flashed and he rushed away, but he still couldn’t catch up.

“This is ...?”

After the passage disappeared, only a black bead was left.

It was the treasure that had opened the passage earlier.

Ka la!

Before Tang Hao could collect it, the Pearl shook and cracked.

“It seems like it’s a one-time use.” Tang Hao mumbled to himself with a look of regret.

The heavenly Devil World was a good place!

“I wonder who it is?” Tang Hao grabbed the Pearl and held it in his palm. He caressed it for a moment, then a playful smile appeared on his face. The person who had this Pearl definitely wanted to harm him, but he did not expect that it would help him and give him a good fortune instead.

“I’ll keep it for now. Next time, I’ll ask who it belongs to. I’ll have to thank him properly!”

Tang Hao grinned and put the Pearl away.

Then, he lowered his body and flew toward the creation peak. There, he met with creation master, Fu Yunzi, and the others.
