

## The Mightiest Little Peasant Chapter 1957

“What? There’s someone from below who wants to have a treasure battle with us from the 33 heavens?”

“Hahaha! Is this guy an idiot?”

The news quickly spread through the shops. The xiuzhe in the building all rushed over to watch the show.

“This guy! Aiyo! Truly poor!”

“I don’t know which clan he’s from, but he’s such a fool!”

They formed a circle and pointed at Tang Hao. They laughed at him from time to time.

“You first, or I first!” The Saint from White Tiger heaven shouted.

“Fellow Daoist, you first!” Tang Hao said.

“I’ll go first then, you better open your dog eyes wide and watch!” The Saint snorted and gave Tang Hao a sidelong glance. He looked disdainful.

He didn’t put the guy in front of him in his eyes at all. With the many treasures he had, he didn’t need to take them all out. Just one or two would be enough.

“You better watch carefully, what is this!”

He shook his sleeve, and with a flash of light, a small Jade bottle appeared in his palm.

He laughed complacently and said, “this is an ancient treasure. It was refined by a senior of my White Tiger heaven. Although it’s at the 5th tribulation, its power is comparable to that of a 6th tribulation. There is a boundless space inside it that can hold hundreds of millions of hectares of sea water.”

As he spoke, he held the Jade bottle in his hand and showed it to his surroundings.

“Five tribulations treasured bottle! Not bad!”

“This is an ancient treasure of our 33 heavens. Even if this guy takes out a fifth tribulation weapon, he can’t win.”

The xiuzhe at the side all nodded.

“How is it?”

The White Tiger heavenly Saint turned around and looked at Tang Hao.

He thought that he would be able to see the envious look in his opponent's eyes, but his opponent only pouted and said faintly, "A 5th tribulation is 5th tribulation. What do you mean by a 6th tribulation opponent? no matter how much he brags, he's still a 5th tribulation!"

When he heard that, he choked.

"I ... I ..." His eyes widened and he was about to argue, but he stammered for a long time and couldn't say anything.

His opponent's words were not wrong, and he had no way to refute them.

A 6th tribulation treasure was indeed better than a 5th tribulation treasure.

"I'm just exaggerating a little. What's wrong? If you're powerful, then take out a 6th tribulation treasure!" He was a little annoyed and shouted.

"That ... I do have one. I dug it up in the ruins a while ago. What a coincidence, it's a bottle too! Come and see, compared to yours, which one is better!"

Tang Hao smiled naively. He took out a Jade bottle and placed it on his palm.

It was also a white jade bottle, but this one was much bigger and had a stronger aura.

When The White Tiger heavenly Saint saw this, he was stunned. What the f \* ck? how could it be so coincidental? he had taken out a Jade bottle, and this guy had one too. Furthermore, it was one grade higher than his.

The xiuzhe in the surroundings were also stunned.

"What a coincidence!"

They cried out in alarm.

"Aiya! Take a look, isn't mine bigger and thicker?"

Tang Hao said as he pointed at the Jade bottles in their hands.

The White Tiger heavenly Saint looked left and right, his face turning red.

This bastard was clearly mocking him!

"Isn't it just a sixth tribulation artifact? What's the big deal, I have one too! Just now, I was afraid of scaring you, so I didn't take it out immediately. Now that you also have a sixth tribulation treasure, I won't be polite!"

He said angrily.

“You better watch carefully, what is this!” He raised his hand, and a golden light flashed in his palm. A golden alms bowl appeared, and the divine light was dazzling.

“This is a treasure of Buddhism. It’s very rare and very powerful. Just smash it. I don’t care what kind of protective treasure you have. As long as it hits you, it will break.”

He lifted up the alms bowl and introduced it with pride.

This was a sixth tribulation treasure. Moreover, it was a very rare Buddhist treasure. Could this guy take out a better treasure?

As he thought of this, he couldn’t help but smile proudly.

However, at this moment, he heard an “Aiya” sound. That guy slapped his thigh and exclaimed, “What a coincidence! Why do you also have an alms bowl?”

“You ... You also have an alms bowl?” he asked in surprise.

He was in disbelief.

“Yeah! I have one too! Don’t you think this is a coincidence?” Tang Hao said.

“No... No way! You ... Why do you also have an alms bowl? Yours is also at the 6th tribulation?” The White Tiger heavenly Saint was stunned.

This was too much of a coincidence!

“Yeah! He’s also at the 6th tribulation. Look, isn’t this the 6th tribulation!” As Tang Hao spoke, he raised his hand, and a purple-gold alms bowl appeared in his palm. It was also shining with divine light, dazzling everyone’s eyes.

“F \* ck!”

“It can’t be!”

Everyone was dumbfounded.

This was too much of a coincidence! It was such a coincidence!

“Where did you get this alms bowl?”

The White Tiger heavenly saint’s mouth was agape and he was stunned for a long time before he finally asked.

“Hey! Didn’t I tell you? they were all dug up from the ruins!” Tang Hao said.

“Was it also dug up from there?”

The Saint looked even more confused.

What kind of ruins were they? they could even dig out Buddhist treasures?

“I’ve seen a ghost!”

He looked at the alms bowl in his hand and then at his opponent’s alms bowl. He was in a daze.

They were both Buddhist treasures and 6th tribulation cultivators. What was even more bizarre was that the opponent’s alms bowl seemed to have a stronger aura than his. In other words, the quality of the opponent’s alms bowl was higher than his.

“I ... I ...”

He stammered, his words slurred. His face was red like a ripe persimmon.

“What are you doing? Hurry up and show us your real treasures!”

“He’s such a disgrace to the people of 33 heavens!”

The crowd frowned and hissed.

The White Tiger heavenly Saint gritted his teeth and took out a small box.””This is the best treasure I have. I don’t believe you can take out anything better!”

As he spoke, he lifted his hand and opened the box.

In an instant, an ice-blue divine light burst out from within, and at the same time, a bone-chilling cold Qi overflowed.

Ka-la! Ka-la!

A thick layer of frost instantly formed on the ground.

“What is this?”

All the cultivators around were shocked. This cold Qi was extraordinary. They were all in the Saint realm, and there were even some at the 5th tribulation and 6th tribulation. But at this moment, they felt a trace of bone-piercing cold.

“It’s the ice sea divine metal!”

“It’s not an ordinary quality! It’s definitely that ten-thousand-year-old top-grade item!”

After they saw it clearly, they all exclaimed in low voices.

The ice sea divine metal was a very rare spiritual material, and the older it was, the rarer it was. Ice sea divine metal that was ten thousand years old could almost be called a divine material.

“What a great treasure!”

“Such a big piece, it’s worth a city!”

They looked at this piece of godly metal, and all of them felt a little envious.

Tang Hao’s eyes were shining.
