

The Mightiest Little Peasant Chapter 196

“What’s going on?” Han Chenglin roared in anger. His face was ashen.

He could not believe his eyes. His daughter, as well as the Young Master of Long Jiang Group, were sprawled on the floor. Clearly, someone had beaten them up.

He looked around the bathroom and his eyes fell on the two people who were standing.

“It’s you?” Han Chenglin said through gritted teeth. His eyes flashed with a shocking viciousness.

Someone had beaten up his precious daughter in the Han family mansion, his home turf. That was a brazen challenge to his authority!

“You’re here, Dad! He’s the one who hit me! Look at my face, it’s all swollen!” Han Lu struggled to get up from the ground, then shrieked while pointing at Tang Hao.

“You must avenge me, Dad! Bankrupt him and make him suffer!”

Han Chenglin’s expression became even more unpleasant. “You sure have guts, kid! You dare to beat my daughter in my house?” He chided.

Tang Hao smirked. “Why don’t you ask your precious daughter about the things she did?”

Han Lu was flustered. “That’s nonsense! You two thugs were the ones trying to get a jump on me while I was using the bathroom.”

Xu Xiangdong struggled to stand up while clutching his stomach. “That’s right. The two of them were bullying Lulu and I tried to fight back. Who would have expected that the guy is a martial arts expert!”

“Do you have anything else to say?” Han Chenglin roared.

Tang Hao chuckled. “I say, how stupid can you be? Who here doesn’t know about your daughter’s attitude? She’s the one bullying other people, never the other way around.

“You also don’t know how malicious your daughter can be! She wanted to rip away her elder half-sister’s clothes, then record a video and upload it to the Internet. They were even talking about violating her chastity.”

“What?” Han Chenglin trembled. His face was wracked with incredulity.

The people crowding outside the bathroom exclaimed in surprise.

It would have been a serious matter if that were true!

“He’s lying, Dad! Don’t listen to him!” Han Lu shrieked, “Don’t you believe your daughter?”

Tang Hao smirked. “Was I lying? Let’s take a look at this!” He took out a phone from his pocket.

Han Lu and the others turned pale when they saw the phone.

“That’s my phone! Return it to me!” Xu Xiangdong roared like a maniac.

The people crowded at the bathroom entrance exclaimed in surprise again.

It seemed as though the kid was telling the truth, and the recorded video was on the phone.

Violating one's chastity and uploading the video to the Internet were serious crimes! The young princess of Yu Lin Group and the Young Master of Long Jiang Group should be getting in big trouble!

"Don't believe him, Dad!" Han Lu said, "It was just a prank!"

"Shut up!" Han Chenglin roared. His face was ashen.

He knew that his daughter is arrogant and capricious, but he did not expect her to attempt such a serious crime.

However, he was not sure who to side. They were both his daughters.

"I can't just let this slide! I plan to hand the phone to the police. We'll see how they punish the perpetrators," Tang Hao said coldly.

"No! You can't call the police!" Han Chenglin roared as he glared at Tang Hao. "Give me the phone! We'll consider this incident settled. Yutong is unhurt anyway."

If Tang Hao called the police and the news got out, it would be bad for Yu Lin Group's reputation and will damage his relationship with Long Jiang Group. That would have ruined all his plans.

Tang Hao was shocked, then smirked coldly. "Because she's unhurt? Looks like Yutong isn't your daughter in your eyes!"

"I can do so exactly because she's my daughter!" Han Chenglin said angrily.

“Let him call the police if he wants, Uncle Han,” Xu Xiangdong said, “I didn’t do anything anyway, and Lulu only slapped her once. It’s no big deal! The Xu family is well-connected in the police force. We can settle this easily.

“On the other hand, this kid kicked me in the stomach and beat up Lulu. The police can arrest him and lock him up for a couple of weeks.”

He smirked coldly and displayed a look of arrogance on his face.

“You think this is Westridge District, kid? Let me tell you, this is Provincial City, the Xu family’s home turf. You’re finished if you dare cross me!”

Tang Hao furrowed his brows and coldness flashed in his eyes.

Without saying another word, he lunged forward and punched Xu Xiangdong’s face.

Bam!

The punch contorted Xu Xiangdong’s handsome face and deformed his nose. Blood splashed from his mouth and nostrils.

Xu Xiangdong flew toward the wall from the force of the punch.

Everyone was stunned by that attack.

“You... You punched me? How dare you punch me!” Xu Xiangdong shrieked maniacally.

Tang Hao rolled his eyes, then punched him again. "I'm going to be arrested anyway. Might as well throw in a few more punches."

"You..." Xu Xiangdong was almost going mad from anger.

What kind of hooligan logic was that?

"You're... You're dead for sure!"

Xu Xiangdong cursed and screamed, but after a while, his screams turned into wails of pain.

Han Lu, Han Chenglin, and the people crowded at the bathroom entrance looked at the scene with incredulous expressions.

'This kid must be insane!

'He's the Young Master of Long Jiang Group, and his father, Xu Jianghai, is notorious for being merciless in the business world of Provincial City! He won't forgive any grudge. This kid will be in big trouble if he crosses him!

'Furthermore, this kid is only from a backwater district with no powerful figures! He'll be dead for sure!'

"He's finished!" Everyone shook their heads and looked on with pity.

Meanwhile, Han Lu was happy when she saw that.

She knew that the Xu family would not forgive the kid no matter what.

“That’s enough!” Han Chenglin roared and stepped forward to pull Tang Hao.

Tang Hao grunted coldly, then turned around and punched Han Chenglin in his face.

Han Chenglin cried in pain, then fell sitting on the floor.

Everyone was once again dumbstruck. Their eyes were opened round and wide.

‘This kid is truly insane! Is he going to cross two major companies at once?’

“You... How dare you punch me!” Han Chenglin roared incredulously as he covered his face.

“I’m punching you alright! Human scum like you don’t deserve any mercy! This punch is for Yutong. You’ve abandoned your wife and daughter for your personal gain, and now you’re siding with the wrong people. Don’t you think you deserve to be punched?”

“You...” Han Chenglin was about to explode from anger.

“What are you all standing there for? Call the police now!” He turned around and roared at the crowd.

A security guard took out his phone and called the police.
