

The Mightiest Little Peasant Chapter 1967

“Did you hear? someone is causing trouble in Emperor Pan City!”

“That’s a devil! It was said that his methods were extremely brutal and terrifying! The panhuang city has fallen, and the reinforcements from our sect have returned!”

In thirty-three heavens, the news spread like wildfire.

When the group of cultivators from the thirty-three heavens heard this, they were all dumbfounded.

This matter sounded too ridiculous!

A single person swept across the entire city, and even the reinforcements sent by the heavens fled in defeat?

‘How ... How is this possible?’

“It’s true, even the elders have been mobilized! I saw it with my own eyes! They went to Emperor Pan City!”

Many people vowed.

This also made everyone believe that the situation must not be ordinary for a seventh tribulation elder to come out.

“Who is this person? Where did you get it from?”

“Hurry up! Let’s go and see what kind of demon it is!”

In the various orthodoxies, countless rays of light shot into the sky. They left the middle world and headed towards Emperor Pan City.

At this moment, the entire panhuang city was filled with despair.

“Al! Don’t go!”

“Come back! Let’s go all out with this demon!”

All the cultivators watched helplessly as the reinforcements from the various heavens arrived and left, their hearts turning cold.

“He ran away again! Is there no one who can deal with this demon?”

“This is so embarrassing!”

They looked at the center of the city, at the towering human mountain, and clenched their fists, a hint of humiliation flashing in their eyes.

When had the 33 heavens ever suffered such humiliation!

“This person is so fat!”

“Eh? This is ... Blood ginseng, and it’s five thousand years old at that! Good stuff!”

At the foot of the human mountain, a figure was sitting there with his legs crossed. In front of him, there were countless storage rings, storage bags, and other storage tools. He looked at them one by one and took out treasures from time to time. After carefully examining them, his face was full of smiles.

He took out a five to six thousand year old spiritual medicine at one moment, and then a huge divine material at the next. The treasure light of all kinds of colors dazzled people’s eyes.

“This is too hateful!”

“You’re worse than a beast!”

All the cultivators gritted their teeth. Their eyes were red and filled with anger.

They wanted nothing more than to skin this devil alive.

However, they only dared to think about it and didn’t dare to make a move. So many 6th tribulation experts had fallen, even if they all swarmed up, they would only be able to add bricks and tiles to that mountain of people.

“Demon, don’t be so arrogant! You’ve committed a grave crime today, and only death awaits you!”

“Demon, do you really think there’s no one left in the thirty-three heavens? Just now, the one who came was only at the middle stage of the 6th tribulation. We still have many late stage and even many 7th tribulation experts. As long as one of them comes, you’ll be dead!”

They only dared to stand far away and clamor.

A moment later, there was a rumbling sound in the sky, and beams of divine light fell from the nine Heavens.

“That’s ... The seventh tribulation! The seventh tribulation elder is here!”

“Hahaha! This bastard is dead for sure!”

All the cultivators looked up and were ecstatic.

The seven tribulations Saint was here!

With the magical power of a seventh tribulation, he could crush this demon to death with a finger!

“Which demon is causing trouble in my 33 heavens?”

A loud shout exploded like a great Bell.

A beam of divine light fell and turned into a white-haired old man. He stepped on the air and descended, heading toward Emperor Pan City.

“Elder, you’ve finally come! It was him! It was him! He’s that devil!”

“Elder, you have to stand up for us! Just look at how crazy this bastard is! You can’t let him off so easily, you must capture him, extract his soul, refine his soul, and make him unable to reincarnate for all of eternity!”

Many xiuzhe rushed into the sky to meet this person.

“This is ...”

The old man looked around and saw the human mountain at first glance.

He opened his mouth wide and was a little stunned.

“Preposterous!” When he came back to his senses, he was so angry that his whole body trembled. “Don’t worry, I won’t let this demon off easily! Where is this demon? I’m going to cut him into a thousand pieces and extract his soul. ”

He roared, his robe billowing and his hair and beard all standing up.

The pressure of the seventh tribulation burst out, causing the world to change color. It was extremely terrifying.

“It’s him!”

“Elder, quickly kill him!”

All the cultivators gritted their teeth and pointed at the white-robed figure.

“Devil, hand over your life!”

“Die!” The old man roared as he raised his hand, wanting to slap and suppress the demon.

However, just as he was about to make a move, the demon head raised its head and looked over. That face ... Was actually somewhat familiar.

He was stunned, and the hand he raised froze there. The expression on his old face became a little strange.

The xiuzhe were excited, waiting for this elder to attack and take revenge for them. However, after waiting for a while, they felt it was strange that the elder did not attack.

“What’s wrong, elder?”

“Quickly kill this demon!”

They shouted.

“This ... That ...”

The elder stammered, his expression constantly changing. However, he just couldn’t bring his raised hand down.

At this time, a few more beams of divine light fell from the sky and turned into a few figures. They were all seven tribulation saints from the various heavens.

“Elder, you’re finally here!”

The xiuzhe of the various heavens all went to welcome him.

“Where is that devil!”

As soon as these seven tribulations landed, they roared in an awe-inspiring manner.

When they saw the human mountain, they were so angry that their bodies trembled, and their killing intent rose. But when they saw the demon, they were all stunned.

“What’s wrong, elder?”

The xiuzhe were extremely puzzled.

Whoosh! Whoosh! Whoosh!

Divine light continued to fall, and seven tribulations descended one after another. When they saw the true appearance of the demon, their expressions became strange, especially the great void heaven Saint, whose face turned black.

“Elder, why don’t you kill him?”

The group of xiuzhe was even more puzzled.

The seven tribulation saints’ expressions became more and more strange!

“Damn, it’s actually this kid!”

“This little brat is too evil! How many people have they robbed?”

Their faces twitched as they cursed in their hearts.

If he was really some kind of devil, then it would be easy to deal with. They could just kill him directly. However, this 'devil' in front of them was no ordinary person!

This was a monster, a peerless monster that could even defeat the eldest young master of the great void heaven!

Their sect had even discussed recruiting this kid! How could he kill him so easily now?!

Furthermore, even if they wanted to attack, the people of the great void heaven would not be willing to do so!

This brat surnamed Tang was already the heart tribulation of that brat from the great void heaven. If he could not defeat him with his own hands, the heart tribulation of that brat from the great void heaven would not be resolved.

"How do we do this?"

The worry in their hearts!

Kill, not kill, not kill, also not!

"Damn it! It's all because of this little rascal! Why did he come to Emperor Pan City and cause trouble?"

They glared at that guy and gritted their teeth in hatred.

At this moment, the cultivators also noticed that something was wrong.

"Don't tell me ... This guy has some kind of big background?"

They looked at the demon once more and were a little confused.

At this moment, light continued to fall from the sky. They were the people who had followed him here.

They stopped in the sky above the city and looked down.

"This devil is too detestable! Elder, why aren't you killing him?"

Some people shouted hatefully.

"This person ... He looks familiar! It seems to be him!"

Some people exclaimed in surprise, as if they had recognized it.

"Who is it! Does this guy have some kind of big background?"

The cultivators said indignantly.

"This man's surname is Tang, and his name is Hao. Do any of you have any impression of him?"

“Tang Hao?”

“No way! It’s him!”

When the cultivators heard this, they were all shocked and revealed looks of disbelief.

It was Tang Hao!

How could they not have heard of this name before? In the current 33 heavens, this name was like thunder piercing the ears. Most people had heard of it.

This person was born in the lower realm, but he defeated the eldest young master of the great void heaven. From then on, he became famous and his name shook the 33 heavens!

In the eyes of the cultivators of the 33 heavens, this person was a legendary figure and had many admirers.

However, very few people had seen this person before. Only those who had gone to watch the battle at the ancient deity plateau had seen him.

“It’s actually him! I’ve heard before that this man is extremely fierce and is a god of death. When I was being hunted down, he killed countless people from all races and became The Public Enemy of all races. Now that I’ve seen him today, I can see that he really lives up to his reputation!”

“Tsk tsk! Such a method really lives up to his fierce reputation!”

Many people exclaimed in admiration.

Earlier, they were still gnashing their teeth in hatred, wishing they could kill this guy on the spot. But at this moment, they actually let out a sigh of admiration, and their faces completely changed.

“However, it’s strange! This person was still at the peak of the 5th tribulation not long ago, so he should have just advanced to the 6th tribulation. How can he be so powerful?”

Very quickly, someone asked in puzzlement.

They all felt that it was strange. This guy had just advanced to the 6th tribulation. No matter how monstrous he was, it was impossible for him to sweep through Emperor Pan City and defeat so many 6th tribulation experts. Among these people, there were many mid 6th tribulation experts and even experts who had comprehended two or three kinds of Dao laws.

However, they were all defeated. They were stripped naked by this guy and piled on that man’s Mountain.

“Who knows! After all, he’s a peerless genius who could even defeat young master Taixu. It’s normal for him to be so powerful!”

“That’s true! Such a character can not be judged with common sense!”

They pondered for a while, then shook their heads and stopped thinking about it.

Such a monster was beyond common sense, so there was nothing strange about it.

“It’s him!”

Another ray of light descended from the sky. It was a fiery red Bird with a graceful figure standing on its back.

Her beautiful eyes turned and fixed on the white-robed figure.

“This guy ... Is really interesting!”

She watched the film play and suddenly chuckled.

Her beautiful eyes glowed with a strange light.
