

The Mightiest Little Peasant Chapter 2022

“Young man, what’s wrong? Pick! Don’t tell me you don’t like any of them!”

The old man shouted.

“May I ask senior who this expert is?”

Tang Hao cupped his hands and bowed.

“Hey! What expert? hurry up and pick!” The old man mumbled.

Seeing that he had no intention of answering, Tang Hao did not pursue the matter. He looked through the cultivation techniques again and carefully considered them, then picked out a book.

“Eh? Nine heavenly maiden Scripture?”

When the old man saw this, he was stunned. “You’re a man. Why did you choose this stupid Scripture?”

Yun qingzi and Fu Yunzi were also surprised.

Then, the old man seemed to have thought of something and revealed a look of realization.

“Not bad! Not bad!” He didn’t say much and only sighed in admiration.

“Since you’ve already chosen, I’ll take back the rest of the cultivation techniques! One person can only pick one book, this has always been my principle!”

The old man said as he kept the rest of the cultivation techniques.

But then, he changed the topic and said, “However, our fate is not ordinary. Today, I will make an exception and give you a cultivation technique as a friendly gift!”

“Oh? Really?”

Tang Hao’s expression brightened. These were all top-tier ancient cultivation techniques. It was good to have one more.

“That’s for sure, this cultivation technique is extraordinary! It was unparalleled and shocking! It wouldn’t be an exaggeration to say that it’s the best in the world. The person who created this cultivation technique is simply the number one genius in all of history!”

The old man bragged.

“Oh?” Tang Hao’s heart skipped a beat. “What’s the name of this technique? who created it?”

“It’s me!”

The old man pointed at himself and said.

“You?”

Tang Hao was stunned. He looked at him in shock.

“You little brat, what’s with your eyes! Are you looking down on me? Do you still want this cultivation technique?” The old man mumbled.

“I want it! Of course I want it!”

Tang Hao nodded. He was curious about how powerful the technique was.

“I don’t have it with me now. You have to go and get it yourself ...” The old man leaned over and whispered in Tang Hao’s ear. “It’s in the lower realm, where the immortal astral continent is!”

Tang Hao was shocked when he heard that.

Lower realm?

This senior was indeed from the lower realm, just like him.

Was he one of the nine Kings, or did he have another identity? What did he mean by fate?

A lot of questions popped up in Tang Hao’s mind.

Then, he thought about it and remembered the immortal astral land. He still remembered this place. It was the place where he had obtained the nightmare arrow.

Why would the cultivation technique created by this person be in such a place?

“Do you remember it?” The old man said, “you must go and get that cultivation technique because it is suitable for you to cultivate now. Whether you can cultivate it or not will depend on your own ability.”

Tang Hao was a little confused. He was about to ask more when the old man’s expression changed. He seemed to have sensed something and turned to look at the sky behind him.

He turned him around and said, “they’re here, so I should go!” Young man, it’s fate that brought us together today. I hope that we’ll have another chance to meet again in the future. ”

“They ... Who are they?”

The old man shook his head and said, “your cultivation level is still low. There are some things that you shouldn’t know!” Knowing too much will not do you any good!”

After he finished speaking, he leaned over and whispered, “You have to go to the heavenly Peng mountain. There are a few drops of blood inside. You have to grab them. They will be very useful for

your cultivation. There are many treasures inside. Besides blood, there is also a halberd. It would be best if you can get it!”

“How did you know?”

Tang Hao blurted out in shock.

“Of course I know! Also, remember, you must be careful of people with polycoria and those who possess nine-colored blood!”

“Don’t ask too much, just remember! Alright, I’m leaving. We’ll meet again if fate allows!”

“That’s right, my name is Qi!”

After he finished speaking, the old man’s figure flickered and he disappeared from where he was.

“Dual-pupiled? Nine-colored blood? What do you mean by that?”

“And ... Dao Qi? That’s not right! There was no such person among the nine Kings! He was not one of the nine Kings! But who was he? And how do you know what kind of treasure is hidden in the heavenly Peng mountain?”

Tang Hao stood where he was, dazed.

At this moment, his mind was filled with countless questions.

“Who ... Are they?”

Tang Hao raised his head and looked at the sky.

There were large ships all over the place. The xiuzhe couldn’t see anything unusual.

“Eh? Where is he?”

Fu Yunzi, who was behind him, exclaimed in shock.

“It seems that this is a rare expert! A true Almighty!” Yun qingzi sighed. “My eyes are bad. I didn’t see it!”

“Yup! This person is not simple!”

Tang Hao sighed.

This senior called Dao Qi was really mysterious. There were too many mysteries about him.

“Dao Qi ... Why does this name sound so familiar?”

Tang Hao thought about it. The name was a little strange. He seemed familiar with it.

“Right, Dao Jiu!”

He thought hard, and after a long while, he finally remembered why he had a similar feeling. It was because he had once met a person called Jiu, who had been the number one genius of the ninth continent of Qiyuan.

That was something he had encountered when he had just left earth and arrived at Qiyuan.

Come to think of it, that was thirty to forty years ago.

“Dao seven, Dao nine ... These two names are a little similar. Could there be a connection?”

Tang Hao pondered, but he could not think of anything.

“The immortal astral land? It seems that I have to return to the lower realm!” “There’s no rush,” Tang Hao mumbled. “We can go after we’re done with the heavenly ROC mountain. If what he said is true and there are a few drops of blood in there, it must be the blood essence of the ROC King. We must get it.”

The blood essence of a great ROC at the Supreme level was a Supreme divine item!

There was no way Tang Hao would miss out on such a treasure.

Even if it wasn’t for the cultivation technique, he would do his best to get it.

He glanced in the direction of the heavenly Peng mountain and then looked back at the cultivation technique in his hand.

Nine heavenly maiden Sutra

Of course, he didn’t want to cultivate it himself. He wanted it for the star pupil. The star pupil’s Mystic fairy Pearl was a perfect match for the mystic fairy Scripture.

“I wonder ... How she is now?”

Tang Hao felt a little sad when he thought about the star pupil.

He had not seen her for a long time, and the MU clan had been keeping a low profile, so he had not been able to find out much about her over the years.

Tang Hao stood there for a long time before he came back to his senses. He put the cultivation technique away and continued walking with the two elders.

He wasn’t in the mood to continue shopping, so he took a casual walk and returned to the warship with the two elders.
