

The Mightiest Little Peasant Chapter 208

The atmosphere in the hospital room was tense.

Tang Hao stood in front of the bed. He gently picked up a golden needle and pierced Auntie Zhang's abdomen with it.

Each golden needle pierced a meridian point. He gently spun each needle and channeled the qi in his body in Auntie Zhang's body, which stimulated the meridian points and gradually repaired her kidneys.

Auntie Zhang's kidneys were seriously damaged. Repairing them required a very long amount of time.

Tang Hao repeatedly twisted the golden needles and channeled qi through them.

Three hours later, the first signs of recovery were observed. He completed the procedure another hour later.

Auntie Zhang's kidneys had recovered certain functions and were working again.

That was the most crucial step in the procedure. With the kidneys' functions restored, the illness was all but cured. Modern medical technology could bring her kidneys back up to normal working condition.

With Tang Hao's medicine, Auntie Zhang could recover even faster.

"Phew! I'm done!" Tang Hao breathed a sigh of relief after removing the golden needles.

"How do you feel now, Auntie Zhang?"

Auntie Zhang looked incredulous. "How did you do that, Lil Tang? My body feels especially energetic now."

"That's how it should be! I'll send over some medicine tomorrow. You'll be fully cured in a few days!"

After that, Tang Hao opened the door and went out.

"How is it, Divine Doctor Tang?" The doctors crowded around him and looked at him with anticipation.

"There's no problem!" Tang Hao said with a smile, "You can examine her body."

Uncle Li and Li Bin breathed a sigh of relief when they heard that. They were finally at ease.

"Go, go! Let's check up on her!" The doctors rushed into the room.

Tang Hao walked toward Uncle Li. "The procedure went fine, Uncle Li. I'll bring some medicine tomorrow. Auntie Zhang will be cured in a few days!"

Tears of gratitude welled up in Uncle Li's eyes. He gripped Tang Hao's hands tightly and said, "Thank you so much, Lil Tang!"

"Don't mention it! I should be the one thanking you!" Tang Hao said with a smile.

"How much does it cost, Lil Tang?" Uncle Li asked.

"There's no need for money!" Tang Hao shook his head urgently. "Didn't I say that I'm repaying my debt of gratitude to you? I don't want a cent from you! Furthermore, I'm not short of money now."

Uncle Li hesitated for a while and accepted the offer.

“Lil Tang, you’re now...” After a while, Uncle Li asked somewhat curiously.

Tang Hao smiled. “I picked up some medical skills from an expert. I guess I’m considered half a doctor now!”

“Oh!” Uncle Li exclaimed in surprise. “You’re quite the accomplished young man, Lil Tang!”

Zhang Xiaoyan and Mrs. Zhang felt extremely regretful as they watched all that happen.

Now that Auntie Zhang was cured, the Li family did not have to spend their money on her treatment, which meant that they were still rich. Li Bin was a good boy with many positive characteristics and would have been the perfect husband for Zhang Xiaoyan.

Once news got out, the Zhang family would be disgraced.

“Well... Bin, how about if we... think through this a little more thoroughly? See, my Xiaoyan still likes you...” Mrs. Zhang said.

Li Bin smirked coldly. “That’s a very quick turnabout! You said earlier that we’re not a good match. Now that my mother is cured, we’re a good match again?”

“Since you said that we’re not a good match, then it’s better that we break up. Remember to return the bridal gifts to us.”

Mrs. Zhang was shocked. “Why must you trouble yourself, Bin? Don’t you like Xiaoyan?”

“Not anymore!” Li Bin said coldly.

“Don’t worry, Brother Bin, I can introduce another woman to you. I have many beautiful single ladies in my company,” Tang Hao said.

“Your company?” Uncle Li was shocked.

“Oh! I started a company selling healthcare products,” Tang Hao said.

Uncle Li became very excited upon hearing that. “You’re so amazing now, Lil Tang! When you quit your job back then, I didn’t expect that you’d be accomplishing so many things in such a short time.”

Mrs. Zhang heard that and became even more regretful.

She wanted to say something, hesitated, then turned around and left the scene defeatedly.

The next day, Tang Hao delivered the medicine as promised.

Auntie Zhang would be fully cured in three or four days after taking the medicine.

As for Li Bin, Tang Hao introduced him to several single women in his company. It would be up to Li Bin if he could score himself a new girlfriend.

Li Bin was a fine young man. It would not be difficult for him to find a girlfriend.

Two days later, Tang Hao received a phone call from Vice Governor He.

“Lil Bro Tang! I’ve procured a spot for you at Z University. However, I need some personal information from you, and you’ll need to go to your high school to settle some paperwork.”

“Alright!” Tang Hao replied.

They chatted for a while more before Tang Hao ended the call.

“I’ll have to go back to First High! Right, I ought to visit Yan’er. It’s been a long time since I’ve seen her. I wonder how she is now?” Tang Hao mumbled.

He gave a call to Yan’er after that.

Phones were not allowed during school hours. It was already in the afternoon, so there should be no problem.

The phone call was answered a while later.

Yan’er’s chirpy voice was heard from the other end of the phone.

“Hello! Brother Hao!”

Tang Hao was reminded of Shi Yan’er pure and cute face when he heard her voice.

Yan’er beautiful was unique from Sis Xiangyi or Assistant Han. She was still young and looked pure. Her innocent smile had mysterious healing powers.

“What are you doing now, Yan’er?” Tang Hao said.

“I just had lunch, and I’m taking a walk! You haven’t called me for a long time, Brother Hao. Is there anything?” Yan’er said excitedly.

“I’ll be going to First High soon to settle some paperwork. I’d like to meet you since I’m there!” Tang Hao said.

“Really?” Yan’er exclaimed. She sounded incredibly excited.

“Yup! I’ll be there in a while. I’m just letting you know,” Tang Hao said.

“Alright! Call me when you’re here.”

“Sure!”

After he ended the call, Tang Hao rode in his car and drove to First High.

Tang Hao parked the car at the entrance of First High and went into the school compound.

He gave Yan’er a call.

“I’m still in the dorm, Brother Hao. You’ll have to wait for a while longer,” Yan’er said apologetically.

Tang Hao was surprised, then understood that she went back to the dorm to change her clothes.

He smiled. "Alright! I'll be waiting for you right outside your dorm."

He ended the call, then walked toward the female dormitory. Then, he leaned against a tree and waited.

About three minutes later, a beautiful figure emerged from within the dormitory building.

She wore a black pleated skirt. Under the exquisite and delicate folds of the skirt was a pair of long, slender, and fair legs.

Her body was tall and curvy, and her long hair bobbed like flowing water when she walked.

The most attractive aspect of all was her pure face. Her eyes were bright, her teeth were flawless, and her eyebrows looked like brush strokes. Her beauty was breathtaking.
