

## The Mightiest Little Peasant Chapter 2089

“This divine realm was created by the ancestral God of our Fusang clan. It was the place where they lived before and later became the land of inheritance.”

“There are many treasures left behind by our ancestors here, as well as many Guardian beasts. These Guardian beasts are very powerful, and some of them are even at the seventh tribulation level. They are very dangerous.”

“According to the rules, whoever obtains the most treasures in this test will win and be qualified to become our clan’s young master. However, this time, our plan is not to obtain the treasures, but to eliminate the other party directly. This will be much simpler.”

The Fusang Divine Son led the group forward.

This was an ancient mountain range with towering ancient trees and dense jungles. It was filled with miasma and fog.

“This place is interesting!”

Young master Taixu looked around and said indifferently.

“If eldest young master is interested, you can take a few treasures back. With eldest young master’s strength, I believe many of The Guardian beasts here are not your match. Taking the treasures is as easy as turning your hand.” The Fusang Divine Son laughed.

“No need. I’m not interested in anything below a Supreme artifact.” Young master Taixu said coldly.

He was a little impatient and just wanted to end this as quickly as possible so that he could obtain the God spiritual blood.

For him, this matter was too simple. It was just a matter of dealing with a few 6th tribulation trash. He could easily kill them with a single move.

“Hahaha! Eldest young master, don’t be anxious. As long as we discover their whereabouts, they’ll be dead!” The Fusang Divine Son laughed.

He wasn’t in a hurry at all. Instead, he was very excited.

From the moment he entered, the result of this test was set. He didn’t need to be in a hurry and could slowly enjoy the process.

He had already started to fantasize about how he would play with that B \* tch after he had crippled her.

The more he thought about it, the more excited he became.

“Son of God, don’t forget your promise after this!”

Young master ye reminded from the side.

“Hahaha! Don’t worry! I promised young master ye something, how could I forget you! I’ve already prepared the treasure for you. I’ll give it to you after we’re done.” The Fusang Divine Son laughed.

“Don’t worry, everyone. We have all the treasures!” Following that, he looked at the group of great void heaven disciples and said.

“You’re too polite, Divine Child!”

The group of great void heaven disciples laughed, and their faces were filled with joy.

Just by making a trip like this, he could obtain some treasures without even putting in any effort. It was simply a business that was guaranteed to make a profit.

Furthermore, after successfully obtaining the God’s spiritual blood, they would be rewarded by the elders when they returned to the sect.

With this thought in mind, they became even happier.

The group of people talked and laughed, their expressions relaxed as they swept forward.

The divine realm was rather large. The group of people had been walking around for half a day, but they still did not find any traces of the other party.

“It seems like they are hiding!” The Fusang Divine Son said in a deep voice, “perhaps they are lying in ambush somewhere, preparing to ambush us! We still have to be careful, that woman has a lot of tricks up her sleeve, if we’re careless, we might really fall into her trap.”

“Hmph! Do you have to go through so much trouble?”

Young master Taixu snorted impatiently. A golden light flashed in his eyes, and two beams of divine light shot out in all directions.

In a short while, he had scanned the entire divine realm.

“Over there!”

Suddenly, he raised his hand and pointed in front of him.

Everyone turned around and looked in the direction he was pointing.

“Where is it?”

The Fusang Divine Son asked in confusion.

He asked around a few times, but he still didn’t find anything.

“Still not coming out?”

Young master Taixu shouted in that direction.

As soon as he finished speaking, ripples appeared in the void a moment later. A treasure seal flew out, and one figure after another flew out from it.

“Motherf \* cker!”

The Son of God’s face turned ugly. This B \* tch had invited people as well, and she had invited so many people at once.

“That was close!”

He felt even more fortunate. If he had not managed to invite eldest young master Taixu, he might have failed this time.

After these people rushed out, they scattered and stood apart, all of them with a murderous look.

From their auras, they were all at the later stage of the sixth tribulation, or even at the level of perfection. Looking at their clothes, they were not from the Fusang tribe, but were xiuzhe.

“There are people from the island of the immortals, and there are also people from Xuanji mountain ...”

Someone recognized it and said in a low voice.

“Young master, you have good eyesight!”

Suddenly, a charming voice came from the seal.

This voice had a hint of seductiveness that tugged at one’s heartstrings, causing one’s mind to be unable to help but sway.

The great void heaven disciples looked over and saw a beautiful figure slowly walking out from the seal. Her figure was slender and her curves were alluring. On that beautiful face, there was a pair of foxy eyes. As the light shone, it was able to steal one’s soul.

They were all dazed and lost in thought.

Gulu!

A few of the disciples with weaker mental fortitude swallowed hard, feeling their mouths and tongues dry.

“Hmph! Vixen!”

The few female disciples cursed angrily, their faces full of jealousy.

“Are you guys complimenting me?” Tamamo chuckled.

“Hmph!”

The few female disciples of the great void heaven turned ashen.

“Are these the helpers you’ve found?”

Tamamo’s eyes turned and she glanced at everyone from the great void heaven. Finally, she looked at young master Taixu. After sizing him up for a while, her expression turned serious.

This person’s bearing was quite extraordinary. Furthermore, he was the one who had discovered where he was hiding.

Who were these people?

As she pondered, she had a bad feeling.

“Hahaha! That’s right! These are the experts I’ve specially invited. They’re not like the ones you’ve invited, all of whom are ugly melons and jujubes!” The divine Son laughed smugly.

“Such big words!”

Curses came from the group of xiuzhe.

“Hmph! Do you know who they are? I’m afraid I’ll scare you guys if I tell you!” The Son of God said coldly.

“Just say it!”

“Good! Then I will say it, they are from the great void heaven!”

“What? Great void heaven? Is it the great void heaven, one of the 33 heavens?”

“That’s impossible!”

The group of xiuzhe was in an uproar.

They found it hard to believe. To them, the cultivators from the ruins of East Sea, the great void heaven was too far away, it was a legendary existence.

“Great void heaven?”

Tamamo’s expression changed instantly.

“What’s wrong? Now you’re scared? let me tell you, there are even more powerful ones. Do you know who this is? He is the legend of the younger generation of Pangu, the young master of the great void heaven.”

The Son of God said, his expression becoming more and more smug.

“What?”

The group of xiuzhe were shocked and even more shocked.

The eldest young master of the great void heaven was a legendary figure.

“Is it really him? Are you trying to scare us?”

The eldest young master of the great void heaven will appear here?”

They were even more bewildered.

Why would such a legendary figure appear in such a remote place?

“You talk too much nonsense!”

Young master Taixu snorted in anger. He was getting more and more impatient. He raised his hand and pointed his finger. In an instant, endless golden light gushed out from his fingertip and condensed into a giant finger. Then, it charged toward the group of people.

This finger was the great void divine finger.

“This aura ... Not good, run!”

After sensing it, the group of xiuzhe’s expressions changed drastically.

The aura of this finger was too terrifying. This guy might really be the eldest young master of the great void heaven!

They had no chance of winning against such a monster.

They shouted in panic, turned around, and ran.

Some of them shouted at the Son of God, “Your Highness, we surrender. We’re willing to help you deal with this woman.”

“Hahaha! Good! As long as you surrender, I’ll let bygones be bygones and let you out.” The Fusang Divine Son shouted.

Most of the cultivators who had wanted to escape stopped. After hesitating for a moment, they all rushed toward the Son of God.

Tamamo’s expression changed again when she saw this. Her body moved, and she retreated.

“Where are you running to?”

The Son of God shouted and waved his hand, leading his men to chase after them.

“You want to run in front of me?”

Young master Taixu’s figure flickered and suddenly disappeared. When he reappeared, he was already in front of Tamamo, blocking her way.

The people behind her caught up and surrounded her in an instant.

Tamamo looked around her, and her face turned pale.
