

## The Mightiest Little Peasant Chapter 2090

“Hahaha! Run! Let’s see where you can run to!”

The Fusang Divine Son laughed out loud.

His eyes wantonly swept over that enchanting figure, revealing a bit of perversion.

Tamamo’s expression was slightly flustered. She knew that she had lost all her power, and there was only one ending waiting for her.

“Are they ... Really from the great void heaven?”

She said unwillingly.

“Of course!” The Son of God said smugly, “how is it? you would never have dreamed that I would be able to invite such a powerful person!”

Tamamo snorted.

Indeed, she had not expected that after inviting so many people, she thought that it was foolproof. However, she had not expected that her opponent would invite such a powerful figure.

“This is called life! Even the heavens are helping me!” The Son of God laughed out loud. “This also proves that I am the true one chosen by heaven. As for you, you are just a lowly being from the lower realm. What qualifications do you have to compete with me?”

“You are only worthy of being my plaything!”

Tamamo’s expression calmed down, and she looked determined. “Even if I die, I will not be humiliated by you!”

As she spoke, the aura on her body suddenly became chaotic, and her face revealed a bit of pain.

“Not good! She’s going to disintegrate!”

All the cultivators’ expressions changed.

“You d \* MN B \* tch, you dare!” The Son of God’s expression changed and he shouted angrily, “attack! Stop her! We can’t let her die so easily!”

As he spoke, he moved forward in an attempt to stop her.

His followers and the cultivators also attacked, shooting out beams of divine light.

Tamamo’s body trembled as she was forced to retreat.

“Hmph! Do you want to die? It’s not that simple. Even if I’m going to die, I’ll wait until I’ve had enough fun!” Fusang Divine Son snorted coldly, “now, kneel down obediently and submit to me. I can consider making you feel better in the future. Otherwise ... I’ll make you wish you were dead!”

“Hmph! You’re dreaming!”

Tamamo said with hatred.

“Alright! You’re still stubborn! Someone come! Go! Beat her until she kneels down and doesn’t dare to talk back!”

The Fusang Divine Son shouted angrily.

“Yes! Your Highness, Son of God!”

The group of xiuzhe that had just changed sides were the most active. They responded and activated their tribulation weapons to attack.

“Why bother? If you give up resisting earlier, you’ll suffer less!” Young master ye said.

His eyes were fixed on the figure in front of him, and they were also a little hot.

Even he was a little moved by such an exquisite beauty.

He raised his hand and a mirror appeared in his palm. It suddenly expanded and gave off a shocking divine light. It was an Emperor weapon.

Behind him, many disciples of the great void heaven also took out their treasures and were prepared to attack.

Their expressions were somewhat relaxed, and many of them even revealed a mocking look. So many people against one was simply a joke. They didn’t even need to do anything, just put on an act.

“Do it!”

The Son of God shouted.

The cultivators activated their treasures and were about to attack.

However, at this moment, a deep voice suddenly shouted.

“I’ll see who dares to make a move!”

Everyone was stunned, and so was the Son of God. Who would dare to interrupt at this time? furthermore, the voice seemed to be coming from their side.

They turned around and looked in the direction of the voice. They were stunned again.

“Suzaku-kun?”

“Isn’t this the Son of God’s people?”

Regardless of whether it was the people of the Fusang tribe or the cultivators of the great void heaven, they were all puzzled.

The person who had spoken was one of the Son of God’s subordinates.

Tamamo looked over and was stunned as well.

“Susaka-kun, what are you doing?” The Son of God’s face darkened as he shouted angrily.

He didn’t understand what Suzaku-kun was doing and why he wanted to stop them.

‘Suzaku-kun’ ignored him and looked around.”“There are so many of you, don’t you think it’s a little too much to bully a woman? Especially your great void heaven, you are a famous sect, how could you do such a despicable thing?”

The expressions of the people from the great void heaven changed. Young master ye was even more furious from embarrassment.

“I, the great void heaven, do I need you to meddle in my Affairs?” He shouted angrily, “Divine Child, this is one of your people, right?! Why don’t you discipline him! I think he’s most likely already betrayed you and is with this woman. ”

The Son of God’s face was a little gloomy, and he was getting more and more confused.

Suzaku-kun had been with him for many years, so there shouldn’t be any problems. Besides, if he had been bribed, there was no way that woman wouldn’t know his plan.

“Suzaku-kun, are you crazy?!”

He shouted in anger.

‘Lord Suzaku’ glanced at him and smiled.”Look at me again. Am I still your Lord Suzaku?”

The Son of God was stunned and confused.

This guy ... Wasn’t Suzaku-kun? How was this possible? He didn’t notice anything unusual at all. If he wasn’t Suzaku-kun, who was he?

The xiuzhe in the surroundings were even more confused. They were completely unable to understand the situation.

“Hmph! I don’t care who you are, if you dare to ruin my plans, I’ll make you die without a burial place!” The Fusang Divine Son shouted angrily, his face revealing a hint of anger.

Today, no one could stop his plan. He had the people of the great void heaven as his backing, and he also had a legendary figure like young master Taixu. No matter who this guy was, he would not be able to change the situation.

“Such big words!”

“Suzaku-kun” laughed coldly and raised his hand. The space beside him rippled and a figure stepped out.

“It’s a xiuzhe! Could it be that they’re helpers that woman hired?”

The Fusang people were shocked.

“Who is this? I’ve never seen him before!”

“I’ve never seen him before either. I don’t know where he came from, but he’s quite arrogant. I don’t know where he got his confidence from to be so arrogant in front of us. You must know that we have the eldest young master of the great void heaven on our side!”

“Who cares who he is, he’s just seeking his own death!”

The group of East Ocean xiuzhe looked around, shook their heads, and then sneered.

They all felt that this person was extremely stupid. If he wasn’t courting death by standing out at this moment, what was he?

“Alright! So it was you! It seems like you’re also a helper that woman invited!” The Fusang Divine Son sneered, “that woman’s taste isn’t that good either. First, she found a bunch of useless fools, and now an idiot like you, who can’t even see the situation clearly, what a joke!”

“Do you really think that you alone are a match for all of us? Young master Taixu doesn’t need to do anything to deal with you. I alone am enough!”

“Is that so?”

Tang Hao mumbled, his eyes cold.

“You should ask him if he has the confidence to kill me!”

Hearing this, the divine Son laughed out loud! What a joke. With young master Taixu’s strength, how could he not be able to kill you? Who Do You Think You Are? Do you know how powerful young master Taixu is? he’s a legend among the younger generation of Pangu. He can kill you with one finger!”
