

The Mightiest Little Peasant Chapter 2094

“Young master, we’re almost there! Up ahead is azurefox mountain!”

In the sky, a large ship was speeding.

On the deck, there were many figures.

The person in the lead was dressed in golden armor. He had a handsome and extraordinary appearance. He was the eldest young master Taixu.

Behind him stood a group of great void heaven disciples.

“Mount azurefox used to be just an ordinary mountain range. It doesn’t even have any immortal veins. It’s very unremarkable, and even rogue cultivators rarely visit it.”

“However, it was this unremarkable place that attracted the Fox clan’s attention. I’ve investigated it, and in the past few hundred years, there have been powerful beings from the Fox clan appearing here from time to time, as if they were looking for something.”

“This discovery caught our attention. After that, I did a thorough investigation and flipped through all sorts of ancient texts. I discovered that Green Fox Mountain had quite a background. It was once the lair of one of the ancient Fox tribes.”

“Those mighty figures of the Fox clan must have come to Green Fox Mountain to find the lair. Later, I sent a Junior Brother to infiltrate the Fox clan and found out that there might be a few drops of blood essence of the ancient master of the fairy Fox in Green Fox Mountain. This is also why the Fox clan has not given up on the search.”

“This master of fairy Fox is one of the ten ancient ferocious beasts. She is as famous as the ROC Demon King.”

One of the young men pointed to the front and introduced.

Hearing this, young master Taixu’s breathing quickened, and his expression turned fervent.

The ancient ferocious ten were all unparalleled experts. Their blood essence was better than the ordinary Supreme level blood essence. He already had the blood essence of King Roc. If he could find the blood of Fox King, the No beginning immortal blood he refined would be even more powerful.

“After we confirmed the news, we started searching. However, the entrance to the Fox realm was too well hidden. Even the Fox race’s powerful beings couldn’t find it after searching for many years. We couldn’t find it immediately either.”

The young man said, shaking his head in disappointment.

“However, young master, you are very capable and resourceful. You might be able to find it. So, we sent the news back to the sect and specially invited young master over.”

“Don’t worry, I’ll find it as long as there’s an entrance,” young master Taixu chuckled.

“That’s good!”

The young man nodded.

Young master Taixu looked into the distance and was a little excited. At this moment, he was eager to find the celestial Fox blood and gather all nine types of Supreme blood so that he could refine the immortal blood without beginning and wash away his shame.

The humiliation from the battle at the ancient deity plateau, and the incident at the ruins of East Sea ...

Recalling the humiliation, he clenched his fists and his face turned livid.

He was the eldest young master of the great void heaven, how could he lose to a lower realm barbarian!

Whether it was for the sect or for himself, he had to take revenge and wash away the humiliation.

“By the way, about the East Ocean ... How did he find out?”

Suddenly, his expression changed.

What happened in the East Ocean was too strange. The sect had thoroughly investigated it, but they still couldn’t find any clues. It was reasonable to say that their plan couldn’t have been leaked.

“Could it be ... That he’s really following me?”

He muttered to himself and turned around to take a look, but he did not find anything unusual.

“I might have followed them last time, and it was my mistake. But there shouldn’t be any problems this time.”

To be safe, he checked a few more times before he was relieved.

“Young master, what’s wrong?”

The young man behind him asked in surprise.

“It’s nothing. I was overthinking!” Young master Taixu waved his hand and laughed.

His expression became relaxed as he looked ahead again. He saw a vast mountain range at the end of his vision. That was where Green Fox Mountain was.

The ship stopped in front of the mountain range.

He jumped up and swept forward. Two beams of divine light shot out of his eyes as he scanned the surroundings. He didn’t let go of a single corner and thoroughly searched the entire mountain range.

“That’s weird! Why isn’t there any!”

This search yielded no results.

He was a little unwilling and began to search again. This time, he was even more careful, checking every blade of grass and tree in the mountain range.

Finally, he made a discovery.

“This tree ... Is strange!”

He landed in a Valley and stopped in front of an old tree.

This ancient tree had luxuriant leaves and a huge body that occupied half of the valley.

There were many ancient trees like this in this mountain range. This one was not eye-catching. However, after a careful inspection, he discovered a trace of unusual fluctuations on this ancient tree.

“Young master, look, there’s a hole in the tree, and there’s a tablet inside!”

The group of great void heaven disciples followed over and inspected the place.

In an extremely well-hidden tree hole, they found a tablet.

“Look, there’s the Fox clan’s symbol on it, haha! It can’t be wrong! This is the entrance!”

They were overjoyed.

Young master Taixu was also excited.

Once they found the entrance, it was easy to open it. After a while, they opened the entrance and rushed in.

“The Fox blood must be there!”

After entering this realm, young master Taixu looked around and rushed toward the highest mountain. That must be the main peak, where the center of the Fox Tribe was located.

The rest of the disciples didn’t follow. They were also extremely excited. This was the nest of the ancient Fox race. There must be many treasures, godly medicines, and spiritual materials. There must be countless of them.

They had already made preparations to plunder without restraint.

However, when they reached the peak of a mountain and took a closer look, they were dumbfounded.

There was nothing on this mountain peak. Not to mention a divine herb, there was not even a F * cking spiritual herb. The entire mountain peak was bare, as if it had been gnawed by locusts.

“What ... What’s going on?”

They were all a little dumbfounded.

The mountain was too clean, so clean that it was unbelievable!

“Hahaha! Don’t worry, just because there’s nothing on this mountain doesn’t mean that there’s nothing in other places. Aren’t there many mountains here? let’s go and look!”

“Yes, yes! Let’s take a look at other places! How can there be no treasures in such a big place?”

They quickly felt relieved, thinking that this was just an accident.

“That’s true! Let’s go over there and take a look!”

They shouted a few times and flew to another mountain.

When they arrived, they were dumbfounded again.

F * ck!

This mountain was even cleaner than the previous one. Not to mention spiritual herbs, there wasn’t even a single weed in sight. It was a little too clean.

They stood there in a daze for a long time.

“Hahaha! It’s fine, it was an accident! It was just an accident! Let’s go and take a look!”

They still didn’t want to give up and continued to fly forward.

When they looked at the mountains one by one, they were completely shocked.

There was nothing left here!

Every mountain and valley was unbelievably clean. There wasn’t even a trace of treasure, let alone treasures. It was so clean that it was almost insane.

“Could it be ... That someone has been here?”

“Who is this person? how can he be so insane?”

They were in disbelief.

Most people would just take away the treasures when they searched for treasures. Who would be like this, leaving nothing behind? if he was so powerful, why didn’t he take all these mountains away?

They were even more furious. They had never seen such a person with no bottom line and such a deranged person!

“That’s right, the sky Fox blood!”

Then, they realized that something was wrong and looked at the mountain in the middle.

At this moment, a furious roar came from the mountain.

“Who took my blood!”

His roars reverberated in the mountain range.

Then, a figure rushed out of the mountain and started to search frantically.
