

The Mightiest Little Peasant Chapter 2122

After crossing the lake, the view before him suddenly opened up.

This was a vast world, filled with mountains and lakes.

Unlike the mountains on Pangu continent, the mountains here were not tall, but rather steep. Together with the lakes, they filled the world with a spiritual and graceful atmosphere.

The mountain was shrouded in mist, and the immortal Qi was dense. It also had a bit of immortal spirit Qi.

“This world is a little special!”

Everyone from the Han clan was surprised.

They were used to seeing majestic and majestic mountains, but this was the first time they had seen such a beautiful and graceful mountain.

They looked around before landing.

“Be careful, there are many powerful beasts in this world!” Han Shifeng turned around and warned, “also, be especially careful of the restrictions. They are the most dangerous. I will lead the way. You guys must follow closely.”

“Yu Tong, come, stand behind me!”

Then, he looked to the side of the crowd and waved at Han Yutong.

Han Yutong was stunned. She hesitated.

From all around her, there were jealous and hateful gazes.

“On what basis!”

“The Saint is so biased towards her. It’s so unfair!”

The female disciples’ eyes were almost spitting fire.

“This ... Isn’t very good!”

Han Yutong looked left and right and said softly.

“Hey! He was fine! If I say it’s fine, it’s fine. What’s not good about it!” Han Shifeng insisted.

“Alright then!”

Han Yutong hesitated for a moment, then pulled the woman beside her and walked forward.

“Follow me closely later!” Han Shifeng smiled at them.

“Alright! Let’s go.” Then, he turned around and led the way. “This is the edge of the grotto-heaven. We have to go to the center. The palace where the Jade moon Daoist lives is there. The Emperor artifact should be there too.”

“Yes! The Saint!”

The disciples responded and followed.

“Hmph! What’s so good about this B * tch that the Saint likes her so much?”

“Look at her, she’s still pretending to be unwilling, but in fact, she’s already very happy! This bitch is too good at pretending!”

A few female disciples gathered at the back of the line. They stared at the figure in front of them, their faces full of jealousy.

In the middle of them, there was a beautiful woman.

At this moment, her face was filled with jealousy and hatred. In fact, there was even a trace of resentment in her eyes.

“Sister ruyu, how can you tolerate this? you were supposed to be the most dazzling figure among the female disciples of the Han clan, but this guy came and stole all your limelight. Look, even the Holy Son has been charmed by him.”

“That’s right, too hateful! In the past, she had always stayed in the ancient city. With the elders watching over her, we didn’t have a chance to take action. Isn’t it just right now!”

Beside her, the female disciples were all talking at once.

The woman’s face grew gloomier as she listened.

She, han ruyu, was the most famous figure among the younger generation of female disciples in the Han clan. She was loved by many disciples and the elders also took great care of her. She was the Pearl and treasure of the Han clan.

However, everything changed after this guy appeared.

It wasn’t just the elders and disciples. Even the Saint who had once admired her had a change of heart and was bewitched by this Vixen.

“Of course I can ‘t!”

She gritted her teeth and muttered hatefully, “when have I, han ruyu, ever swallowed my anger? This time, even if I can’t kill her, I’ll teach her a lesson and let her know how powerful I am.”

“It is! We must teach her a lesson!”

The group of female disciples all said fiercely.

“I have a kind of poison in my body, it’s the most lecherous poison. If a man is poisoned, he will become a lecherous devil, and if a woman is poisoned, she will also become a slut. As long as we give her some, I guarantee that she will make a fool of herself in public and lose all her face.”

“I have a poison that can confuse the mind. As long as she’s poisoned, we can control her and make her do whatever we want ...”

Then, they started to discuss.

All kinds of sinister means and tricks kept coming out of their mouths.

“When it comes to dealing with people, I also have many methods. However, there’s no hurry. If we rashly use these methods, we will be easily discovered. If the elders pursue this matter, we won’t be able to escape. Let’s do something simple first and don’t reveal any flaws.”

Han ruyu said.

The group of people discussed in a low voice for a while before they quickened their pace and caught up with the group in front.

The group headed straight for the center of the realm.

Along the way, they didn’t encounter any danger. They were very careful and deliberately avoided the fierce beasts. As for the restrictions, most of them could be discovered and avoided in advance.

“Al! Yu Tong, tell me, what’s so bad about the Saint? Why don’t you like him?”

The woman beside Han Yutong said softly.

As she spoke, she looked up at han Shifeng, who was not far away.

“You see, he’s handsome and talented, and his status is needless to say. He’s a Saint! Even if he doesn’t become the head of the family in the future, he’ll still be an important figure in the family!” As she spoke, her tone was filled with envy.

“Do you know that our Holy Son is quite famous in the entire Southern Wilderness? do you know how difficult it is to do that? there are thousands of Holy Sons in the southern Wilderness, and those who are famous are all peerless figures.”

“The Holy Son is already at the middle stage of the 6th tribulation. In the future, he will definitely reach the 7th tribulation. If we become his Dao companion, we’ll be able to bask in his glory in the future. ”

Han Yutong smiled and said,“If you don’t like it, then don’t like it. There’s no why.”

“Do you think he’s too fickle? I’ve heard that he has a relationship with many women in the clan, but men are all like this. They’re naturally dissolute. Look at our family head, he also has many Dao companions.”

“As long as I have the strength, I will treat you well. This is nothing!”

The woman said.

“Chun ‘er, don’t say anymore. If you like it so much, then go!” Han Yutong glared at her and smiled.

“Hey! Forget about me, he doesn’t even like me!”

Han Chun ‘er pouted.

After walking for a while, she said again, “Hey!” I remember you said that you have someone you like. Is it because of him that you don’t like the Saint?”

Han Yutong was stunned.

“I was right! Hey! I don’t know who that person is, but you must know that you’re no ordinary person now. Your position in the clan is very important. If that person isn’t powerful enough and doesn’t have any background, how could the clan allow you to be with him?”

“Besides, it’s been so long. Have you seen him? men easily have a change of heart. After not seeing him for so long, he might have forgotten you and gone to fool around with other women. Is it worth it for you to still miss him?”

Han Chun ‘er said.

“He won ‘t, I believe him!” Han Yutong smiled gently. One day, he will come to pick me up!”

When han Chun ‘er heard this, she immediately held her forehead and sighed. “You silly woman, you’re really hopeless!”

“Forget it, I won’t persuade you anymore. Just don’t regret it!”

She mumbled to herself again and then stopped talking.

Han Yutong smiled.

After a while, she seemed to have thought of something and sighed softly. Her expression became a little melancholic and lonely.
