

## The Mightiest Little Peasant Chapter 2141

After sending the two figures out of the ancient city with his eyes, Lord Han retracted his gaze. Sweeping his gaze around, he laughed bitterly when he saw the devastation in his eyes.

This time, their Han clan's losses were too heavy.

These palaces were all built by the ancestors and had a history of tens of thousands of years, but now they were all destroyed.

There were also the elders who had their bodies destroyed. The Han clan only had a total of 40 6th tribulation experts, including the second elder. This was a huge blow to the Han clan's strength.

And Shifeng, he ...

He turned his eyes and looked at the Han clan's Holy Son. He sighed when he saw his dazed look.

Although Tang Hao had not attacked Shi Feng, his terrifying cultivation level had already dealt a huge blow to Shi Feng. He was afraid that Shi Feng would not be able to withstand it and his Dao heart would collapse, never to recover from it.

Then, the Han clan's Holy Son, who had been painstakingly cultivated, would be crippled!

"It's not that my Han clan's Holy Son isn't powerful enough. It's just that the kid is too monstrous!"

He smiled bitterly again.

As the Han clan's Holy Son, Shi Feng's performance was already very outstanding. He was the most outstanding genius the Han clan had produced in a thousand years. With his strength and talent, he was quite famous in the southern Wilderness.

However, he was helpless when he met that Tang guy!

That kid is not human at all! He was a monster!

At such a young age, he had already advanced to the seventh tribulation and could even compete with him, the master of the Han clan. If this was not a monster, what was it?

"This kid ... Is really a demon!"

He mumbled to himself, his heart filled with emotions.

He recalled all of Tang Hao's past achievements. Whether it was when he fought the entire world on his own, when he faced the pursuit of thousands of races, or when he defeated the great void sect's successor during the battle at the ancient deity plateau ... Which of his past achievements had not shocked the world?

Now, he had exceeded everyone's expectations and advanced to the seventh tribulation!

He was probably the youngest seven tribulations Overlord in the past thousand years!

And this kid was not the successor of some ancient orthodoxy or the Holy Son of some large clan. He was just a young genius from the lower realm!

For him to be able to walk all the way to this realm today, one had to say that he was truly monstrous to the extreme!

“If I had known earlier ... Perhaps all of this wouldn’t have happened!”

Lord Han’s heart was filled with regret.

He knew very well the difficulty of killing a seven tribulation expert. If he had known earlier, he would definitely not have attacked. Instead, he would have chosen to be on good terms with this kid.

This kid was so young and had already advanced to the seventh tribulation. He definitely had the hope of reaching the eighth tribulation and becoming the strongest existence. He could only be friends with such a figure and not enemies!

However, not only did the Han clan suffer heavy losses, but they had also offended a seven tribulations man with a promising future.

“Forget it. Now that things have come to this, there’s no point in regretting it. I just hope that after he takes the life Jade, he won’t hold a grudge against us, considering how we’ve taken care of Yu Tong for so many years.”

A moment later, he shook his head and sighed.

“What are you guys still standing there for? hurry up and clean up the palace.” He said to the Han clan cultivators.

“Yes! Chief!”

The Han clan cultivators in the surroundings finally came back to their senses and started to get busy.

“This Pangu...Looks like it’s going to be lively again!”

Lord han raised his head once more and looked in the direction that the two of them had left.

Apart from the Han family, no one else knew that this kid had already advanced to the seventh tribulation. When the news spread, he could imagine what kind of a huge commotion it would cause.

At that time, the situation of the entire Pangu continent would change drastically!

---

Tang Hao slowed down when he was far away from the ancient han city.

“Why are you looking at me like that?”

Tang Hao turned around and looked at Han Yutong.

Han Yutong kept staring at him the whole way.

“It’s nothing! I’m just looking!”

Han Yutong said.

The corners of her mouth and the space between her brows were filled with joy that could not be hidden.

Tang Hao looked at her in a daze.

At this time, he finally had the time to look at her carefully. After so many years, her beautiful face still looked the same, but her temperament was very different. The former assistant han was dressed in a professional suit, sexy and beautiful.

Now that she was dressed in fine clothes, she gave off a completely different feeling. She was dignified and classical.

She stood under the sun and smiled at him. Her white teeth and bright eyes were dazzling.

“Is it good?”

Han Yutong said softly.

“It’s good!” Tang Hao nodded in a daze.

She smiled again and looked at Tang Hao. Her beautiful eyes were misty.

“Hao! I miss you so much!”

She took a few steps forward and gently hugged Tang Hao.

“All these years, I’ve been thinking about you every day. You don’t know how worried I was every time I heard news about you.” Her delicate body trembled slightly as she sobbed softly.

“I’m fine now, aren’t I?” Tang Hao comforted her.

“En!”

She responded in a low voice.

“Alright! Let’s leave this place first!”

Tang Hao said after hugging for a long time.

Then, the two of them left. On the way, Han Yutong told him everything that had happened in the past few years, including the exalted celestial.

“So you were the one who invited this senior Tian du!” “But I still owe him a favor,” Tang Hao said. “I’ll definitely thank him when I see him in the future.”

“This place is dangerous. I’ll send you back after a while!”

Tang Hao said after some consideration.

“No! I don’t want to go back!” Han Yutong shook her head. “I want to stay here and be by your side, President Tang. Have you forgotten? I told you that I’ll always be with you and be your assistant!”

She smiled at Tang Hao playfully.

Tang Hao smiled helplessly.

“Oh right, where’s sister Qin?”

“I heard that you’ve already taken her back!” Han Yutong said.

“The person has been brought back, but his life Jade is still in the Qin clan!” Tang Hao said.

Back then, his strength was insufficient, so he could only bring people away from tianlao mountain. He had no way of obtaining their life Jade. The reason why Qin hai was able to find him back then was most likely because of sister Xiangyi’s life Jade.

He would have to make a trip to the Qin clan sooner or later.

“Where is she?”

Han Yutong asked.

Tang Hao immediately took out his mobile abode.

As his assistant, Han Yutong had met sis Xiangyi a lot before, so they were already close. Now that they met, they were like a pair of good sisters. They were so excited that they completely cast him aside.

Tang Hao felt a little embarrassed when he saw them chatting happily and ignoring him. He left the cave abode.

“Assistant han has already been brought back. Who’s next?”

Tang Hao pondered.

There were still many left, and he could not decide at the moment.

“Why don’t we ... Go to the desolate Dragon first? The Zhao clan, the Shi clan, Qingxue, and Yan ‘er are all there!”

He quickly came up with a plan and immediately set off for the desolate Dragon.
