

The Mightiest Little Peasant Chapter 2144

“Which bastard ...”

Young lord Xue Yin stood up with a face full of anger. However, when he looked up, he was stunned. Then, he swallowed hard and his lecherous eyes wandered up and down her hot body.

“Yo! Another one! Looks like I’m in luck today!”

He sneered.

“Which clan is this person from? He’s too bold! How dare you provoke the blood Yin sect!”

“Looking at her appearance and cultivation, I’m afraid her background is not small!”

The cultivators sized up the person and discussed.

“Hahaha! It was a misunderstanding! It’s all a misunderstanding!”

At this time, another person squeezed out from the crowd. It was a white-haired old man. His face was full of smiles as he said to the xiuzhe in the surroundings, “Everyone, this is all a misunderstanding! I am Zhao Tianbao, an elder of the Zhao family!”

“The Zhao family? I have some impression ...”

The cultivators discussed in low voices.

In the desolate Dragon World, the Zhao family’s strength was average and could be considered a middle-tier power. However, they were quite famous because of the ceremony of blood source. The Zhao family had a divine body that came from the ancestral star and caused a sensation.

“So it’s the Zhao family. Doesn’t that mean that she’s the Zhao fairy?”

A xiuzhe said.

Since she was from the Zhao family and had such a peerless appearance, then there was no mistake. This was the famous Zhao fairy, the one who had been ferried over during the Grand ceremony of blood source.

They hadn’t seen much about this fairy, but they had all heard of her. She was a rather famous figure among the younger generation of the desolate Dragon.

“No wonder! Not only is she the Pearl of the Zhao family, but she also has a mysterious 7th tribulation master with two 7th tribulation overlords behind her. Her background is even more profound than young master blood Yin ‘S. No wonder she dared to attack!”

“I’ve heard that this fairy Zhao’s temper is quite fiery, and she likes to fight for justice.”

The cultivators whispered to each other, all of them looking enlightened.

The people of the yin blood sect, including the young master of the yin blood sect, were all shocked.

Although he was arrogant and overbearing, he was not stupid, so he only bullied small sects. This person was different, he had two seven tribulation Giants behind him, even he did not dare to provoke them easily.

“So it’s fairy Zhao! I’ve heard of your name for a long time. ”

He restrained himself a little, raised his hand, and said indifferently.

“But, fairy, what do you mean by this? This matter doesn’t seem to have anything to do with you, fairy!”

As he spoke, his tone turned cold.

“Hahaha! It’s a misunderstanding, a misunderstanding!” Zhao Tianbao laughed and said, “this girl from my clan has a fiery temper. Please forgive her and don’t take it to heart!”

Then, he took a few steps forward and pulled Zhao Qingxue to the back.

“Aiyo! ‘Little ancestor, don’t cause any more trouble. Haven’t you caused enough trouble? What does this have to do with us? this Mirage Pavilion has nothing to do with us, so why are you standing up for them!”

“Do you know how difficult it is to deal with the yin blood sect? it’ll be troublesome if you provoke them! The Zhao family can’t afford to offend them!”

He pleaded in a low voice.

If it were any other force, they would just come to them and ask for an explanation, and they would just deal with it. But the blood Yin sect was different. They would take revenge for the smallest grievance. Their methods were extremely insidious and impossible to guard against.

If they really did, the Zhao family would be in deep trouble.

When he returned, if the clan leader knew about this, he would skin him alive!

“Elder, didn’t you see how overboard he was? I, Zhao Qingxue, will definitely meddle in this matter!” Zhao Qingxue’s tone was firm.

“Elder Zhao, this doesn’t look like a misunderstanding!”

Young master Xue Yin’s face darkened and he said coldly.

“Hahaha!”

Zhao Tianbao laughed drily. His laughter was uglier than crying.

“Little ancestor, no, great aunt, I’ll call you great aunt, alright? Let’s go back, okay? I’ll buy you anything you want. Let’s not get involved in this!” He sounded like he was about to cry.

“You idiots, what are you waiting for? hurry up and pull her back!”

Then, he turned around and glared at the young men.

The young men looked at each other and did not dare to step forward.

Asking them to pull people in?

What a joke!

Was this great aunt someone they could provoke?

“Eh? The sky is so blue!”

“Yeah! It was really blue! The weather is so good today!”

They all looked up at the sky and admired the clouds.

“You ... You little brats!”

Zhao Tianbao was so angry that his nose was crooked.

“Elder, stop trying to persuade me! If I didn’t see it, I wouldn’t have cared, but since I saw it, I have to do something!” Zhao Qingxue said with determination.

Zhao Tianbao stomped his feet anxiously, but he was helpless.

As an elder, he really could not do anything to this little ancestor!

“Elder Zhao, it seems that fairy Zhao is determined to get involved in this mess!” Young master Xue Yin sneered, “she has many supporters, so I can’t afford to offend her. However, you people from the Zhao family should be careful in the future. If anything happens, it’s none of my blood Yin sect’s business.”

“Are you threatening me?”

Zhao Qingxue’s pretty face was cold.

“Fairy Zhao, you’re being too serious. How would I dare? I’m just saying!” Young master blood Yin put on a fake smile, “By the way, you Mirage Pavilion people should also be careful.”

“Despicable!”

Zhao Qingxue rebuked.

“Fairy, you flatter me!” Young master Xue Yin didn’t care. Instead, he laughed with a proud expression.

“Let’s go!”

Then, he turned around and called out to his disciples to leave.

“Stop!”

Zhao Qingxue rebuked.

“What’s the matter, fairy?” Young master blood Yin stopped, turned around, and sneered.

“If you dare to attack the Zhao family or the Mirage Pavilion, I won’t let you go!” Zhao Qingxue said sternly.

Young master blood Yin was stunned. Then, he laughed out loud as if he had heard a joke.

“Did you guys hear that? hahaha! She actually said that she wouldn’t let me go. Does she know who I am? Even the Shi clan and the Ji clan don’t dare to say that. She’s just a small member of the Zhao clan and she dares to be so arrogant?”

“Hahaha!”

The disciples of the dark blood sect beside him burst into laughter.

In the desolate Dragon World, the blood Yin sect was notorious, and almost no one dared to provoke them.

Even the Shi clan, Ji clan, and other top clans would avoid them. A small Zhao family dared to be so arrogant. If this wasn’t a joke, what was?

The surrounding cultivators’ expressions became strange.

“This fairy Zhao is still too impulsive and naive. Does she really think that the blood Yin sect is so easy to deal with?”

“She’s not saving people, she’s clearly trying to harm them! Although young master blood Yin seems to have admitted defeat and doesn’t dare to confront her directly, in fact, he has already remembered this grudge and will take revenge sooner or later. He might take revenge even more ruthlessly, and I’m afraid that Mirage Pavilion will be completely finished!”

“I think the Zhao family will also be affected!”

Many xiuzhe shook their heads and sighed.

In their eyes, fairy Zhao’s actions were truly unwise.

“Zhao, listen to me. Don’t think you can do whatever you want just because you have two backers. You can’t scare me. The blood Yin sect has never been afraid of anyone. Not to mention the Dragon wilderness, there’s no one in the entire eight wilderness!”

Young master blood Yin shouted with an arrogant expression.

At these words, all the cultivators fell silent.

What young master Xue Yin said was not wrong. As a seven tribulation old devil, there was basically no one in the same realm who could do anything to him. Those seven tribulations would have a headache when they saw him and they did not dare to provoke him.

“Is that so?”

However, at this moment, a clear and loud shout came from the crowd.

All the cultivators were stunned when they heard this.

If he spoke at this time, he would be challenging young master blood Yin! Who was this, to be so bold?
