

The Mightiest Little Peasant Chapter 2146

“Tang ... Young master Tang, don't be rash!”

Zhao Tianbao broke out in a cold sweat.

Of course, this guy didn't need to be afraid of Sir God Xue Yin. After all, he had so many enemies. The night Lord, the medicine master, which one of them wasn't more powerful than Sir God Xue Yin? having another Sir God Xue Yin wouldn't even make a difference. However, the Zhao family was different.

If this guy really killed young master blood Yin, then Lord God Xue Yin would vent his anger on the Zhao family. That would be troublesome.

“Elder Zhao, don't panic. It's fine!”

Tang Hao said with a smile.

‘Fine, your head!’ Of course you said you were fine! The Zhao family is the one in trouble!

Zhao Tianbao almost rolled his eyes.

At this time, young master Xue Yin thought for a while and calmed down a little. As far as he knew, this man surnamed Tang was not a kind person. He would not meddle in other people's business. Perhaps his arrogant attitude just now had made him unhappy, so he stood up.

“It's better to leave first!”

He had the intention to retreat.

It was said that this man surnamed Tang had killed countless people and was a peerless murderer. This kind of person had unpredictable emotions and was the most difficult to predict. It was better to stay far away.

With this thought in mind, he gave a look to his left and right, then slowly retreated.

“Stop! Did I let you go?”

Tang Hao shouted coldly.

Young master blood Yin's body trembled and his expression changed. He forced a smile and cupped his hands, “Tang ... Fellow Daoist, if I offended you with my words just now, please forgive me.”

“I still have things to do, so I have to go back to the sect. When I came out, my master told me to go and return early. I've been out for many days, and if I don't go back, my master will punish me!”

When he said the word “master,” he deliberately emphasized it.

In his opinion, as long as he mentioned his master's name, this Tang guy would be afraid and would not dare to do anything.

After all, his master was a seven tribulation magnate. This Tang guy had already offended so many seven tribulations and was being hunted down. He would definitely not provoke another one easily.

"Your master?" Tang Hao's expression darkened. "Are you trying to scare me?"

"You must be joking, fellow cultivator Tang. How would I dare to?"

Young master blood Yin cupped his fists and smiled.

"Fellow Daoist Tang, I'll take my leave first. If there's an opportunity in the future, I'll definitely pay a visit to the creation sect personally!"

Then, he laughed apologetically and was about to leave.

"Hmph! It's all because of that bitch and that damn old man. If they had followed this young master earlier, there wouldn't have been so many problems!" As he turned around, he glanced at the people from Mirage Pavilion and said hatefully in his heart,

Then, he looked at the people from the Zhao family, and his malicious eyes fell on Zhao Qingxue.

"The Zhao family! You guys just wait! If you offend me, I'll make sure the entire Zhao family can't live in peace!"

He glared at her fiercely before moving to dash out.

However, at this moment, a black shadow flashed in front of him. A ghostly figure appeared and blocked his way.

It was Tang Hao!

"What do you mean by this, Daoist Tang?"

Young master blood Yin's face changed again as he shouted.

"I don't mean anything. It's just that I can't stand this kind of bullying the weak. If I didn't encounter it, it would be fine, but now that I've encountered it, I have to intervene." Tang Hao said coldly.

"This ... This is all a misunderstanding, Daoist Tang! I'm just joking with them, just playing around!"

Young master blood Yin said hurriedly.

"Is that so?"

"Hmph!" Tang Hao grunted coldly. His killing intent surged.

Sensing this killing intent, young master blood Yin was shocked and panicked, "you ... What do you want to do? let me tell you, my master is a seven tribulation magnate. If you touch a hair on my head, he will not let you off."

"Hmph! A mere seventh tribulation, what was there to fear! A person like you deserves to die!"

Tang Hao said coldly.

As he spoke, he raised his right hand and pointed.

"Don't be scared!"

Young master Xue Yin screamed in fear. He wanted to Dodge, but his body seemed to be petrified in front of the finger. He couldn't move at all. He could only watch the finger hit his chest.

Without a single sound, his body crumbled like sand and stone.

With a blow of the wind, they were completely annihilated.

The surrounding cultivators were all dumbfounded and in disbelief.

They had never thought that Tang Hao would dare to kill young lord blood Yin.

When they came back to their senses, they all sucked in a breath of cold air and revealed shocked expressions.

"This Tang guy is just as bold as the rumors say!"

"He even dared to offend the great void heaven, why would he be afraid of Sir God Xue Yin! This young master Xue Yin is really unlucky! Of all people, you had to meet this fiend!"

They couldn't help but exclaim.

"It's good that he died! From now on, our desolate Dragon will have one less scourge!"

Soon, people began to cheer and clap their hands in joy.

The few people from Mirage Pavilion also looked happy.

"It's a good thing that young master Xue Yin is dead, but it's not that simple. Young master Xue Yin is old demon Xue Yin's only disciple. He's always been a treasure to him. Old demon Xue Yin will definitely go crazy when he dies."

Someone said anxiously.

"That's true! That old demon will definitely be furious. This Tang guy is very capable and he has ye Xi with him. He's not even afraid of the night Lord. I think old demon Xue Yin can't do anything to him. I'm afraid he will vent his anger on others, including Mirage Pavilion, Zhao family, and even us onlookers!"

Someone else said.

When the surrounding people heard this, their faces paled.

If the old monster took his anger out on them, they would only be able to die.

They also knew that it was highly possible given the old monster's temperament.

"Hurry up! Let's go! What are you still doing here? I think that old devil is going to kill his way here in a moment, and everyone present will be implicated!"

Suddenly, someone shouted.

In an instant, the crowd was in chaos, and all the cultivators looked panicked as they rushed out.

"You ... How dare you kill the young master of the blood Yin sect? just you wait, the old ancestor of the sect won't let you go! He will descend immediately and kill you!"

The rest of the blood Yin sect disciples pointed at Tang Hao and shouted.

"You're too noisy!"

"Die!" Tang Hao shouted coldly. He reached out with his palm, and a huge palm appeared and grabbed the people.

"He doesn't need to come to me! I'll go and meet him now. I've already killed the younger one, so I naturally can't let the older one go!"

Tang Hao said coldly.

He immediately used the soul-searching technique to read their memories and found out the location of the yin blood sect. Then, he squeezed hard and these people exploded.

At this moment, the fleeing crowd suddenly fell silent. Everyone stopped and turned around to look at him.

"What ... What did he just say?"

"I think he said that he wanted to meet old demon blood Yin and kill him ..."

The cultivators mumbled in a daze.

They all thought that they had misheard him. Otherwise, how could they have heard such ridiculous words? although this Tang guy is powerful, he is only at the peak of the six tribulations. How could he be a match for a seven tribulation magnate?

Zhao Tianbao was also a little suspicious. Did his ears have problems?

“Hahaha! Young master Tang, You must be joking!”

Then, he laughed and said.

Tang Hao turned around and glanced at him, then said indifferently, “Elder Zhao, you guys stay here. I’m going to the blood Yin sect. I’ll be back soon!”

After he finished speaking, his figure leaped and rushed into the sky.
