

The Mightiest Little Peasant Chapter 2148

“You?”

Old demon Xue Yin was stunned, unable to react.

Behind him, the disciples of the dark blood sect were also stunned and confused.

What kind of situation was this?

They were afraid that the murderer would run away, so they informed the patriarch at once and rushed to Shangyang mountain. But they didn't expect that someone would come to their door and say that he killed the young master. It was ridiculous!

If this guy had really killed him, how could he have dared to come to the blood Yin sect and block the entrance of the sect? he was simply courting death!

“That's right!”

Tang Hao nodded. “You can ask them if you don't believe me.”

As he spoke, he turned around and pointed at the group of xiuzhe in the distance.

Old demon Xue Yin's face darkened when he looked over.

What this guy said was probably true!

He squinted his eyes and sized up the young man in white. His eyes were solemn and vigilant.

Since this guy dared to kill his disciple and even dared to come here, then he must have something to rely on. He was probably also a seven tribulation expert!

However, after sizing him up for a moment, he frowned.

This fellow's aura was obscure, and he couldn't see his cultivation level.

“I still don't know your name?”

Old demon Xue Yin snorted coldly.

“Divine Lord, you must have heard of my name before!” Tang Hao said with a smile.

Old demon Xue Yin's heart skipped a beat. “Is he some kind of extraordinary figure?”

If that was the case, he would have no hope of taking revenge!

“My surname is Tang, and my name is Hao!”

Tang Hao said.

The old monster was stunned. Tang Hao? Could it be that famous monster?

“I thought it was some super big Shot, so it’s you, kid!”

When he came back to his senses, he almost laughed out loud. A sneer and a look of contempt appeared on his face.

At the same time, he also heaved a sigh of relief.

He had naturally heard of this kid and knew that he had appeared in the southern Wilderness a few days ago. Although this kid was powerful and invincible among the 6th tribulation, how could he be a match for a 7th tribulation expert like him?

However, it was easy to defeat this kid, but it was quite difficult to kill him because this kid had ye Xi on him. Even he was not sure if he could kill him.

“That’s me!”

“Hmph! How dare you! How dare you come to my sect after killing my disciple? do you really think I can’t do anything to you?” Old demon Xue Yin said angrily, “also, what mistake did my disciple make that you have to kill him? Looking at your current posture, it seems that you still want to ask me for an explanation?”

“He’s evil, he deserves to die!”

Tang Hao’s face turned cold.

“You ...”

Old demon blood Yin was furious.

“And you, the little one should die, and you, the old one, should die too!” Tang Hao said coldly, his killing intent obvious.

“You want to kill me?”

Old demon Xue Yin was stunned. He could not believe his ears.

“Hahaha!”

“What is this kid saying? Isn’t he afraid that the wind will blow and he’ll bite his tongue?”

The disciples of the dark blood sect behind him burst into laughter as if they had heard a joke.

A mere young junior dared to say that he would kill their old ancestor. Wasn’t this a joke?

“Where did he get his confidence from?”

“That’s too big of a tone!”

The xiuzhe in the distance were also shaking their heads. They all felt that this kid was bluffing.

“What? is it funny?”

Tang Hao’s tone was cold as he glanced at the people from the dark blood sect.

There was a terrifying ghostly light in his eyes.

The laughter stopped abruptly.

The disciples of the dark blood sect froze as if they had been petrified. Then, they fell down like dumplings.

Tang Hao flicked his sleeve, and a ray of golden light shot out. It pierced through the bodies one after another and exploded.

Hiss!

The xiuzhe in the distance all sucked in a cold breath.

Many of the disciples of the yin blood sect were at the late 6th tribulation stage, but they were killed so easily.

“It’s that pair of heavenly demon evil eyes!”

Someone exclaimed in a low voice.

This pair of demonic eyes had once shocked Pangu and made the world fearful. Countless sixth tribulation cultivators had died under this pair of demonic eyes.

“You ... How dare you!”

Old demon blood Yin’s eyes almost popped out of their sockets.

The killing intent around him surged, and his face became distorted, revealing an extremely ferocious expression.

This brat had killed his disciple first, then provoked him. Now, he even dared to kill a disciple of the yin blood sect in front of him. He was extremely arrogant!

“I’m going to kill you! I’m going to destroy your gate of fortune and everyone related to you must die!”

He let out an angry roar and was already mad. The divine might of the seventh tribulation was released from his body without any reservation. It turned into a furious tide and pressed forward.

With him as the center, a Gale began to blow, and the world changed.

“Die!”

“Blood Dragon!” He shouted, and a shocking blood light rushed out of his body, turning into a giant Blood Dragon. It carried a shocking evil Qi and bit at the figure in front of him.

Seeing this, the group of xiuzhe in the distance all cried out in shock.

This was a seven tribulations all-out attack, the momentum was really too shocking!

“That kid ... How can he take it!”

They all revealed worried expressions.

However, at this moment, Tang Hao’s expression was calm as he faced the seven tribulations attack. He stood there, unruffled. He looked at the blood Dragon that was pouncing toward him. The corners of his mouth even curled into a smile that carried a hint of disdain.

When the blood Dragon came close, his body trembled and the light of Buddha shone brightly.

Hundreds of millions of feet of Buddhist light burst out from his body in an instant, illuminating the whole world.

Ah!

Everyone cried out in alarm.

The group of xiuzhe all raised their hands to cover their eyes and cried out in shock.

They were all a little shocked. This Buddhist light was really too bright!

When they squinted their eyes and looked through the gap, they were stunned. In the billions of rays of Buddha light, the figure stood. His whole body was like jade and he looked solemn, like an ancient true Buddha.

Behind him, a huge Buddha appeared and sat cross-legged in the void.

In front of the Buddha, the blood Dragon seemed tiny.

“This ... This is ...?”

“This ... How is this possible?”

Then, they cried out in surprise again, but they discovered something even more shocking.

The aura that the figure exuded was not that of a 6th tribulation expert. It was ... Clearly the aura of a 7th!

Tang Hao had already advanced to the seventh tribulation!

This discovery completely shocked them.

Old demon Xue Yin was also stunned, but he also noticed it.

“This ... How is this possible?”

He gasped in a low voice, looking as if he had seen a ghost.

At this moment, the Buddha in midair suddenly bent over and stretched out a palm. He pinched the blood Dragon and with a bang, it exploded.

Old demon Xue Yin groaned and his face turned pale.

He couldn't help but look more and more shocked.
