

The Mightiest Little Peasant Chapter 2149

“You ... You’re at the seventh tribulation?”

“What?” old demon Xue Yin cried out in shock, his face full of disbelief.

Wasn’t this kid only at the 6th tribulation?

Only four years had passed, how could he have already passed the seventh tribulation? This speed was too terrifying!

And with such an aura, how did it look like he had just advanced? it was almost comparable to him, an old monster who had advanced to the seventh tribulation nearly a hundred years ago!

“I’ve seen a ghost!”

He angrily cursed.

He sized it up again, and his expression became uglier.

He did not know what kind of elixir this kid had taken. He had just advanced, but he already had such powerful strength. Moreover, this kid practiced Buddhism. The moonlight Treasure King body was a famous Supreme Buddha body in ancient times, which could restrain his Tao technique.

Besides, this kid had many Supreme weapons on him, which he could not compete with at all.

He did not have much chance of winning this battle.

“No! This brat killed my disciple and so many of my sect’s people. If I retreat today, I will lose all my face and become the laughingstock of the world!”

“Even if I can’t win today’s battle, I won’t let this kid have an easy time!”

He gritted his teeth, and a hint of anger appeared on his face.

“Kid, you’re quite powerful. However, it won’t be that easy to defeat me!”

He shouted and his body shook. His aura exploded.

In an instant, a blood-red light shot up into the sky, turning the void into a sea of blood.

Old demon Xue Yin stood in the middle of the blood sea, holding a blood-red Pearl in his hand. The blood sea was gushing out of this Pearl, and the aura of the Pearl was that of the ninth tribulation!

This was also a Supreme artifact!

The blood-red light continued to spread out, and soon, the entire mountain range was engulfed by the blood-red light.

“Quickly retreat!”

The xiuzhe in the distance gave a low cry and hurriedly retreated.

This was the blood evil divine Pearl, an item refined by an ancient fierce demon. It was extremely powerful. Old demon Xue Yin had obtained this treasure, which allowed him to rise to power and establish a sect.

After all, most of the seven tribulations of Pangu were clan leaders, and most of them wielded their own Supreme weapons. Old demon Xue Yin, who was an independent cultivator, could not compete with them without a supreme weapon.

“Brat, go to hell!”

Old demon Xue Yin roared, and the blood sea surged, turning into a huge demonic god that was hundreds of thousands of feet tall. He slapped forward.

Tang Hao was not afraid. His body glowed, and the Supreme Kasaya was draped over his body. The Buddhist light shone even brighter and more dazzling.

Then, he raised his hand and a mirror appeared in his palm.

“Go!”

He shouted in a low voice and threw the mirror.

Weng Weng Weng!

The mirror trembled violently and expanded instantly, turning into a thousand feet wide. Buddhist light gathered on the mirror, emitting a terrifying aura.

“This is ...?”

“What?” old demon Xue Yin exclaimed in shock.

This mirror ... Was also a Supreme Buddhist treasure!

This kid actually had two Supreme Buddha treasures!

This was completely out of his expectations. He had originally thought that this brat only had that monastic robe, but he never expected that this brat not only had the monastic robe, but also a mirror.

With one attacking and one defending, the two Supreme Buddhist treasures completely suppressed his blood-killing divine Pearl!

“This mirror is called the mirror of thunderclap of Hades. It was the treasure of the thunderclap Buddha of Hades!”

Tang Hao shouted as he stood in the air.

As he continued to activate the mirror, the sound of thunder exploded from the mirror, shaking the world.

Then, with a boom, the mirror trembled violently, and the divine light inside rushed out, turning into a shocking waterfall that blasted toward the blood-red demonic god.

Upon contact with the divine light, the Crimson demonic God's body exploded.

"Ah, Yingluo!"

"Ah!" Old demon Xue Yin cried out in pain. His body trembled and his face turned pale.

"You dare to show off such an evil technique in front of me!"

"Die!" Tang Hao shouted coldly. He aimed the mirror at old demon blood Yin again.

The old monster was shocked and panicked.

This Buddha treasure was too powerful. It completely restrained his blood-killing divine Pearl. He had no chance of winning at all.

"Let's go!"

He made a prompt decision and was about to escape.

What face, what revenge, it was not important at this moment. The important thing was to keep his life. As long as he kept his life, he had many ways to take revenge on this kid!

"Where are you running to?"

"Die!" Tang Hao shouted. He activated the mirror and attacked.

Ah!

There was another scream.

Old demon Xue Yin was caught up by the divine light after running for a while and suffered a blow.

He staggered and spat out a mouthful of blood.

"You little brat, you can't kill me! Just you wait, I won't let you go. I'll make you regret provoking me!"

His body turned into a blood-red light and continued to escape. In the distance, his angry roar could be heard.

“Tsk! What a pity!”

“It’s time to go,” Tang Hao mumbled as he retrieved the mirror.

After all, he was a seventh tribulation expert. It was too difficult to kill him. Moreover, he had just advanced not long ago. In terms of cultivation, he was actually weaker than old demon Xue Yin. However, he cultivated Dharma and had two Supreme Buddha treasures. He could completely kill the old demon, so he could easily defeat him.

However, it was still very difficult to kill them.

“It’s time to destroy the yin blood sect!”

Tang Hao’s gaze fell on the main gate of the blood Yin sect.

At this moment, there were not many people left in the blood Yin sect. The patriarch had run away, and all the elders had been killed by him. Only a few disciples were left.

He raised his hand, and a giant palm appeared and slammed toward the mountain Gate.

Bang!

With an earth-shaking sound, the main gate of the blood Yin sect was smashed into pieces and razed to the ground.

The group of xiuzhe in the distance were dazed.

Old demon blood Yin had been defeated! They fled in panic!

And the blood Yin sect had been destroyed!

Such an outcome was completely beyond their expectations.

And the one who did all this was just a young man!

Their gazes turned and landed on the white-robed figure, and they all revealed deep shock.

In the past four years, everyone thought that he had been hiding, and that he would hide for decades. However, in just four years, he had returned and advanced to the seventh tribulation. Today, he had revealed his strength and shocked everyone.

He had defeated Sir God Xue Yin, an experienced seven tribulations warrior, when he had just advanced to the seven tribulations realm!

Such a battle record was truly shocking!

When the news spread, it would definitely shake the world.
