

## The Mightiest Little Peasant Chapter 2152

“Greetings, Lord Zhao!”

Tang Hao said to Lord Zhao, raising his hand in a salute.

Then, he looked at the elders of the Zhao family and said, “There’s no need to be so polite, elders!”

“Thank you, divine Lord!”

The group of elders responded and stood up.

Their gazes swept back and forth between divine Lord Tang and Qing Xue a few times. They all laughed and were very happy.

“They’re too compatible! They’re a perfect match!”

“This is a blessing for the Zhao family!”

They discussed and grinned from ear to ear.

In the past, when they found out that Qingxue had a relationship with this person, they were all extremely worried and afraid of being implicated, so they hid it. They didn’t want to have any relationship with this Public Enemy of all clans.

However, things were different now. This young man was no longer the young man who was hunted down everywhere. He was now a giant who ruled the world.

At his age and potential, he still had hope of reaching great emperor.

Who wouldn’t want to rope in such a peerless genius!

The news had yet to spread, but once it did, those clans would definitely try their best to befriend and establish a good relationship with this person!

The Zhao family was one step ahead of all the other families in the world. It was a great thing for them to have a relationship with this person!

When they thought of this, they were overjoyed and even a little proud.

“Daoist Tang, you’re so young, yet you’ve already completed the seventh tribulation. I’m truly ashamed!”

Lord Zhao examined Tang Hao and laughed bitterly.

He sighed with emotion from the bottom of his heart.

When Zhao Tianwu was young, he was also a genius with extraordinary talent. He was famous in the desolate Dragon World and had many opportunities on the road of cultivation. He even had the support of the Zhao family. Even so, he still spent hundreds of years to reach the 7th tribulation.

However, this person was not even a hundred years old!

The difference was too great!

"I was just lucky!"

Tang Hao said humbly.

"Hahaha! Fellow Daoist, you're too humble!" When Lord Zhao heard this, he laughed.

"Alright, let's go down and have a seat in the main hall of the Zhao family!"

Then, he called out to Tang Hao and descended.

"I've heard that although fellow cultivator Tang has just been promoted, you're extraordinarily brave. You beat old demon Xue Yin so hard that he couldn't even fight back!" Lord Zhao said as he flew.

"I just took advantage of the treasures. I have two Supreme Buddha treasures which can restrain him. Without the Buddha treasures, it won't be easy to deal with this old devil." Tang Hao said.

"Two Supreme Buddha treasures?"

Lord Zhao was shocked and speechless.

As far as he knew, this person seemed to only have one Supreme Buddha treasure, which was the Kasaya of Moonlight Treasure Buddha Lord. Why was there another one?

"The rumors are indeed true!"

He exclaimed in admiration.

Everyone said that this person had a mountain of treasures on him, as many as the hair on an ox. This rumor was not exaggerated at all.

Two Supreme Buddha treasures, the Taiyi mind-clearing banner, and the ROC King's halberd ... This person had so many treasures that even he, the head of the Zhao family, was envious.

At the same time, he felt even more reverence in his heart.

The more Supreme treasures he had, the more terrifying his combat strength would be. Although he had just advanced, he could already fight with a veteran seven tribulations cultivator like him. In a few years, he would not even be a match for him.

“Whether it’s talent or strength, this person is too terrifying! We can’t make an enemy of such a person. Luckily, our Zhao family has Qingxue who has a deep relationship with him, so we can use this to make friends with him!”

“As long as we have a good relationship with him, the Zhao family might be able to Rise Up!”

He thought to himself.

His attitude became even more enthusiastic.

He welcomed Tang Hao into the main hall. After they sat down, they started chatting enthusiastically.

He naturally agreed to Tang Hao’s request without any hesitation. He had someone bring the life Jade and give it to Tang Hao.

“Qingxue! We’ll keep your cave dwelling and your identity for you. Remember to come back often. Us elders, as well as the senior brothers and sisters in the clan, will all miss you!”

“Yup! Come back more often, there’s more! Remember, after you enter the gate of fortune, don’t cause so much trouble like you did in the past!”

Zhao Tianbao and the other elders said.

“Yes! Elder!”

“Okay,” Zhao Qingxue replied obediently, her eyes slightly red.

She had stayed here for so many years, and the people in the clan had treated her very well. Now that they were parting, she couldn’t help but feel a little sad.

“This Tang is very grateful for your care for Qingxue all these years. Take these things as a small gift from me to your noble!”

Tang Hao flicked his sleeve, and a wave of treasure light shot out. There were ancient pills of all colors, rare spirit herbs, and many tribulation weapons. Most of them were divine herbs. So many treasures emitted a shocking treasure light that illuminated the entire Hall.

The elders of the Zhao family were dumbfounded.

Many elders’ eyes lit up as they swallowed their saliva.

Lord Zhao was also stunned. So many treasures just like that had really frightened him.

“This ... This isn’t very good! That’s too much!”

He said hesitantly, “besides, it’s our duty to take care of her. She’s of Zhao blood ...”

“Take it! This is a small token of my appreciation!”

Tang Hao said with a smile.

These treasures were nothing to him. He already had many treasures, and after robbing young master Taixu, he had countless treasures on him.

“Then ... Alright!”

Lord Zhao hesitated, but in the end, he couldn't resist the temptation of so many treasures and agreed.

“Thank you, divine Lord!”

The group of elders stepped forward to collect the treasures, all grinning from ear to ear.

After chatting for a while, Lord Zhao suddenly said, “By the way, fellow cultivator Tang, you have to be careful in the coming days!”

“You mean ... That old demon Xue Yin?”

Tang Hao said.

“Right! This old demon Xue Yin is extremely vengeful and will take revenge for the smallest grievance. After suffering such a huge loss this time, he will definitely not let it go. He can't defeat you, but he can attack the people around you, especially those from the creation sect. You must be careful!”

Lord Zhao's expression turned solemn as he spoke.

“I know that,” Tang Hao said with a smile. “But I have a way to deal with him. You don't have to worry, Lord Zhao!”

“Oh?”

Lord Zhao was stunned.

This old demon Xue Yin was an existence that gave many seventh tribulation cultivators in the desolate Dragon World a headache. They were afraid of revenge, so no one dared to provoke him.

What method does this person have to cure that old demon?

Seeing that Tang Hao did not continue, he did not ask further. He only warned him.

They chatted for a while longer before Tang Hao stood up and left the city. The Zhao family sent him off.

“The news must have spread by now. The gate of fortune should be bustling with activity. However, there's no rush to return. Since we're already in the desolate Dragon World, let's make a trip to the Shi clan and pick up Yan 'er!”

Tang Hao thought for a while, then headed toward the Shi clan.
