

The Mightiest Little Peasant Chapter 2153

“That Tang Hao has appeared!”

“He’s at Shangyang mountain! He killed the young master of the blood Yin sect!”

In the desolate Dragon Land, a piece of news quickly spread.

“He actually came to our desolate Dragon!”

“Is he crazy? He was chased by so many old monsters, yet he still dared to show up and kill young master Xue Yin. That old demon Xue Yin is not to be trifled with!”

The world was in an uproar.

In the desolate Dragon Realm, many seventh tribulation cultivators were eager to make a move after hearing the news.

Tang Hao had a mountain of treasures on him. Who wouldn’t be envious? when he came out of Mount Tian Peng, many seventh tribulation cultivators had their eyes on him. However, they were all apprehensive and didn’t dare to make a move.

Later on, when this kid killed ye jiuxuan, it completely infuriated the night Lord and the hundred clan Alliance. All the seven tribulations experts of these clans personally came out to hunt down that kid. The other seven tribulations did not have any more concerns.

Back when the night patriarch and the others were chasing after that kid in a high-profile manner, there were also many seventh tribulation cultivators who were secretly searching for him, wanting to snatch the treasures.

Unfortunately, they had not been able to find it, and they gradually gave up.

A few days ago, the news that the kid had appeared in the southern Wilderness had already attracted the attention of many seven tribulations. Now that they heard that the kid was in the desolate Dragon, how could they hold back?

“He’s actually in the desolate Dragon! This is a once-in-a-thousand-years opportunity!”

“As long as we can get his treasures, our clan will rise to power!”

Many of the seventh tribulation cultivators were extremely excited.

At that moment, divine light shot up into the sky from all corners of the desolate Dragon World and headed towards Shangyang mountain.

These were all seven tribulation experts from various clans, and they were all in their true forms.

“Even if we can’t get all the treasures, we can at least get one. The king Roc immortal halberd is good! With this divine halberd, my strength will increase by several folds and I will be invincible in the desolate Dragon!”

“We have to get that Supreme Kasaya from him.”

Even before they reached Shangyang mountain, they had already started to think about what treasures they should steal.

The more they thought about it, the more excited they became. All of them seemed to have been injected with chicken blood and were extremely excited.

Soon, they were close to Shangyang mountain.

At this moment, beams of divine light swept over from the side of Shangyang mountain.

“They must be the people who escaped from Shangyang mountain. They must know the situation there. I’ll ask them first!”

Some of the seven tribulations stopped and blocked the divine light.

“Where’s that kid?”

He immediately asked.

“Which ... Which kid?” That person was stunned.

“Who else could it be? it’s that Tang guy! Didn’t he just kill the young master of the blood Yin sect? Where did he go?” That seventh tribulation said unhappily.

“I ... I don’t know!” The man said timidly.

“How could you not know? you didn’t even see where he went?”

“He ... He ...” The man swallowed and said hesitantly.

“What’s wrong with him? Look at you, what’s there to be afraid of? if you know, just say it! Could it be that that brat is even more terrifying than me?” The seventh tribulation was a little annoyed.

The xiuzhe laughed bitterly and thought that it was not certain.

“He was at ... The blood Yin sect!”

He said after hesitating for a while.

“What? The blood Yin sect?”

The seven tribulations were shocked.

Why was that kid in the blood Yin sect? Could it be that old demon Xue Yin had captured that brat?

That's impossible!

That kid had ye Cha, so it would not be easy to catch him. How could old demon blood Yin do it alone?

"No... It's not old demon Xue Yin. Old demon Xue Yin ... He was beaten away. The blood Yin sect was also destroyed!"

Just as he was puzzled, he heard the xiuzhe speak.

He was shocked again, and his eyes suddenly widened.

This news was too unbelievable!

Old demon Xue Yin was a 7th tribulation expert. How could he be defeated by a 6th tribulation kid? Even the blood Yin sect was destroyed?

This was absurd!

"You bastard, how dare you lie to this King? which clan's elder are you? Do you believe that this Lord will kill you with a single palm strike?" He shouted in anger.

"Divine Lord, please calm your anger! "Everything I've said is true. That Tang Hao ... No, he should be called divine Lord Tang now ..." The cultivator said hurriedly.

"Tang ... Divine Lord?"

When the seventh tribulation heard this, he was stunned.

He was stunned for a long time, and his eyes slowly widened, revealing extreme shock.

Divine Lord!

This was the title for a seven tribulation expert!

This guy called that kid a divine Lord. Didn't that mean that the kid was already at the seventh tribulation?

But ... How was this possible?

"You ... You're lying to this Lord, aren't you? That must be the case. How else could it be possible? Even if what you said is true, that kid has really advanced to the 7th tribulation, how could he be old demon Xue Yin's match?"

He did not believe it.

In other directions, there were also seven tribulations who stopped people and learned the same news.

They were both shocked and suspicious.

Then, they all went to the blood Yin sect.

When they arrived at the blood Yin sect and saw the razed Mountain Gate, they were all stunned.

They stood in the air and looked at the ruins, speechless for a long time.

Then, divine light kept flashing over, and figures of seventh tribulation cultivators appeared. When they saw the ruins below, they all had the same reaction and were stunned.

Hiss!

From time to time, some of the seven tribulations regained their senses and took in a deep breath of cold air, revealing an expression of extreme shock.

Everything was real!

Not only did that kid advance to the 7th tribulation, but he also defeated old demon blood Yin!

“Hahaha! I really didn’t expect this! I’ve cultivated for so long in my life, but in the end, I’m not even as good as a little kid! What a joke! What a joke!”

Some of the seven tribulations laughed bitterly.

“This kid ... Is truly terrifying!”

A seventh tribulation cultivator said in shock, his face filled with fear.

“Hurry up! Hurry up! He couldn’t stay here for long! This kid has completely risen to power and no one can control him. We must not provoke him!”

A moment later, some of the seven tribulations turned around and left in a panic.

They had originally come to deal with that brat and prepare to snatch the treasures. If that brat found out about this, he would definitely bear a grudge against them and bring great trouble to their respective clans.

“Hurry up and prepare the gifts. Let’s go to the gate of fortune. No matter what price we have to pay, we must be on good terms with this kid!”

They had made up their minds.

No one could stop the rise of this child!

They couldn’t afford to provoke him. The only thing they could do was to befriend him.

When they returned to their respective clans, all of them were in an uproar. Their clansmen were all shocked by this news.

Following that, all the races began to get busy. They opened their treasure vaults and carried out countless treasures, filling box after box.

Soon, from these ancient cities, groups of people set out, led by the clan leaders and followed by many elders. They brought the gifts they had prepared and headed to the beihuang region.

They did not know where divine Lord Tang was at the moment, so they could only head to the North barren's Gate of fortune to present their congratulatory gifts to him.

Not long after, the news spread from the Dragon wilderness to the eight wilderness, causing a huge commotion.
