

The Mightiest Little Peasant Chapter 2161

“What an honor this is!”

In the mountain range of fortune, the eyes of billions of cultivators were all focused on the white-robed figure.

Their hearts were surging with emotions. They were excited and emotional.

Many people recalled the battle on chaotic World Mountain more than ten years ago.

At that time, who would have thought that this young man who came from the lower realm and was hunted down by thousands of races would one day advance to the seventh tribulation and become a magnate? no one would have thought that he would attract the congratulations of thousands of races and the worship of all cultivators.

In the past ten years, they had witnessed the rise of a peerless divine Lord.

“Everyone, there’s no need to be so polite!”

Tang Hao landed, waved his hand, and smiled.

“Thank you, divine Lord!”

All the cultivators called out. Following that, they turned to the stone Lord and called out, “greetings, stone Lord!”

“No need!”

The stone Master laughed.

“Daoist Tang! Congratulations! Congratulations!”

“Fellow Daoist Tang, I’m the clan leader of the song clan. We’ve met once at the myriad treasure meet. Do you still remember me? This is a small gift from the song clan to congratulate fellow cultivator Tang on reaching the seventh tribulation!”

When Tang Hao landed in front of the mountain Gate, the crowd became restless. The clan leaders squeezed forward and congratulated Tang Hao.

“Al! What are you guys so anxious about?”

At this time, the stone Master smiled and said, “fellow Daoist Tang has just returned. We’ll have to hold a celebration later to congratulate him on advancing to the seventh tribulation. It won’t be too late for you to send him off then!”

“This ... That’s true!”

The group of clan Masters were all stunned and kept the treasures in their hands.

“Al! Brother Shi, why did you come back with fellow Daoist Tang?”

Someone looked at the stone Master, then at Tang Hao, and asked.

“Hahaha!”

Hearing this, the stone Master stroked his long beard and laughed out loud with a smug look on his face.

He understood that these people were jealous. They were jealous that his Shi clan was close to fellow cultivator Tang.

“I’m telling you, the relationship between my Shi clan and fellow cultivator Tang is not ordinary!” The stone Lord laughed.

“Oh?”

All the cultivators were shocked and even more confused.

The stone Master became more and more pleased as he stroked his beard, “You might not believe it, but fellow cultivator Tang’s mother’s surname is Shi. She has the bloodline of the Shi clan. Therefore, there is also a part of the Shi clan’s blood in fellow cultivator Tang’s body!”

“I’ve specially tested it. This part of the Shi clan’s bloodline is quite thick. It’s only a little weaker than his Tang Clan bloodline!”

“I see!”

When the cultivators heard this, they came to a realization.

No wonder! The Shi clan and fellow Daoist Tang are so close because of their bloodline. In this world, there is nothing more closely related than bloodline.

Then, they were jealous.

“This stone clan is too lucky! Just because I got a peerless genius for nothing!”

“Al! Why doesn’t my race have such luck!”

They sighed. Looking at the proud Stone Master, they felt a little upset.

“Hey! It’s actually nothing. No matter how bad our luck is, can it be worse than the Tang Clan ‘s?”

Someone suddenly said.

All the clan Masters were stunned. They thought that it was true. Who could be more unlucky than the Tang Clan? such a powerful genius was shut out by them just like that, which benefited the Shi clan.

“Hahaha! The Tang Clan is such a joke!”

“Look, they don’t even dare to send people over this time because they’re afraid of losing face!”

They laughed out loud, feeling much more at ease.

“Let’s not talk about the Tang Clan!” The stone Master laughed. At this moment, he was happier than anyone else. If it was not because of the Tang clan’s stupid decision, the stone clan would not have been able to get so close to fellow cultivator Tang.

The Shi clan and fellow cultivator Tang had established an unbreakable relationship through their bloodline.

“Yes, yes, let’s not mention the Tang Clan!”

The group of clan Masters laughed for a while and no longer mentioned the Tang Clan.

However, they were afraid of angering divine Lord Tang. After all, the Tang clan’s past actions had been too cold.

Tang Hao smiled and said, “let’s go in, everyone!” Don’t just stand there!”

As he spoke, he raised his hand and made an inviting gesture.

“Good, good, good! Let’s go in and talk!”

The group of clan leaders immediately responded and followed Tang Hao through the door.

Outside, the cultivators were all shocked by this scene.

The people in front of the mountain Gate were almost all leaders of the various clans. Seven tribulation magnates were rarely seen, but there were thousands of them here.

At this moment, they were all circling around the young man in the middle, their expressions respectful and extremely enthusiastic.

“Such a Grand occasion has never happened in thousands of years!”

Some xiuzhe sighed.

In the past, Pangu had produced many geniuses and powerful divine Lords, but none of them had caused such a sensation like divine Lord Tang!

“I didn’t expect divine Lord Tang to have half of the Shi clan’s bloodline. The Shi clan is a top-notch clan. If that’s the case, the gate of Fortune’s reputation will be even more shocking in the future!”

“Exactly! The gate of fortune and the Shi clan will definitely be together in the future. Who would dare to provoke them!”

The cultivators discussed with shock on their faces.

The Alliance between the stone clan and the gate of fortune would definitely have a great impact on the current situation in Pangu.

“Greetings, divine Lord Tang!”

“Saint Baili greets divine Lord Tang!”

As Tang Hao walked, the crowd in front of him parted. Quite a few people stood on both sides of the crowd and bowed to him.

Tang Hao recognized them.

He remembered many of them. They were familiar faces. They were All Saints from various races, especially those from the spirit wilderness. He had a deep impression of them as he had seen them before at tianlao mountain.

“Divine Lord Tang! Divine Lord Tang! Do you still remember me? We went fishing together at tianlao mountain!”

Suddenly, a chubby figure emerged from the crowd and shouted at Tang Hao.

Tang Hao looked over and was stunned for a moment before he laughed.

He recognized this person, but he had forgotten his name. However, he still remembered this face. The two of them had indeed met when they were fishing for the divine fish at tianlao mountain.

“I remember!”

Tang Hao nodded and smiled at him.

“Hahaha! Look, divine Lord Tang still remembers me! That’s great!” The fat man laughed in joy.

Tang Hao smiled and continued walking.

Other than this fatty who was more bold and unrestrained, the others all had a face full of reverence, even some fear, apprehension, and didn’t even dare to breathe loudly.

“Greetings, divine Lord Tang!”

Just as he was about to reach the entrance, he saw another familiar face. It was Lei zhentian from the Thunder clan.
