

The Mightiest Little Peasant Chapter 2162

“Long time no see, brother Lei!”

Tang Hao smiled at Lei zhentian.

Lei zhentian was one of the few old friends he had in Pangu.

“Divine Lord, you’re too polite. This junior can’t accept being called brother Thunder!”

Lei zhentian said in a panic.

He looked at the old friend in front of him, his expression somewhat emotional and somewhat bitter.

It had only been a few years since they last met at the heavenly Peng mountain! His cultivation had only improved slightly, but this person had already advanced to the seventh tribulation, reaching a realm that was difficult for him to reach.

But then, he became excited and proud.

Both of them came from the lower realm and were once from the same sect. He was naturally happy that this person could achieve such achievements in Pangu.

In the future, the status of lower realm cultivators like them would also rise in Pangu.

“I’m fine!” Tang Hao smiled.

“Brother Lei? That’s not an ordinary title!”

Everyone’s eyes fell on Lei zhentian, sizing him up.

Initially, not many people knew who this genius of the Thunder clan was. But now that divine Lord Tang had addressed him as brother Thunder, everyone immediately recognized him and even looked up to him.

“Hahaha! I heard from zhentian that fellow Daoist Tang was once from the same sect as him, and your relationship with him is not bad. In the future, my Thunder clan and your gate of fortune should get closer!” The Thunderbolt master laughed.

“I should!”

Tang Hao nodded and smiled.

The strength of the Thunder clan wasn’t ordinary. Like the rain master clan, they were both ancient alien races. Naturally, it was best to befriend them. This would be of great benefit to the development of the gate of fortune.

“Good, good, good!” The Thunderbolt master laughed even more heartily. “I heard that your creation alchemy Dao is the best in Pangu and that you are the center of the alchemy world. In the future, I will send more young people from my clan over to cultivate alchemy Dao here. What do you think, fellow Daoist Tang?”

“Alright!”

Tang Hao said.

“Then it’s settled!”

The Thunderbolt master laughed.

As he spoke, his eyes swept in all directions with a hint of pride.

“That old fox!”

When the clan leaders from all four directions saw this, they all secretly cursed a few times and were somewhat jealous.

They wanted to be on good terms with him, but they did not have an old friend who was related to divine Lord Tang.

“Daoist Tang!”

The group continued on their way. Tang Hao saw Yun qingzi and the others standing in front of the gate. Beside them were the people from the Yushi clan and the Qin clan.

Master Qin looked at him and smiled at him.

“Lord Qin!”

Tang Hao was surprised. He cupped his hands and called out to him.

Tang Hao’s attitude towards the Qin clan was a little complicated. The Qin clan had once tried to kill him and had a grudge against him. However, sis Xiangyi was of the Qin clan’s bloodline. The Qin Emperor in the lower world was also of the Qin clan’s bloodline.

“Daoist Tang, there were some grudges between us in the past. However, I believe that these grudges can be resolved. I’ve already locked Qin hai, the main culprit who hunted you down in the past, in an ice prison and suppressed him for 200 years.”

“Also, this is the life Jade of the Qin clan’s saintess. I’m here to give it to you, Daoist Tang!”

Lord Qin took a few steps forward, took out a Jade token, and handed it over.

“Lord Qin is very thoughtful!”

Tang Hao smiled as he looked at the life Jade.

This Lord Qin was quite tactful. He knew the importance of this life Jade to him, so he took the initiative to offer it to him in order to resolve the grudges between them.

“Other than that, I’ve also prepared many congratulatory gifts. Fellow cultivator Tang, you’ll definitely be satisfied!”

Lord Qin laughed.

He observed her expression and felt as if a huge rock had been lifted from his heart.

He knew that once this matter was settled, the grudges between the Qin clan and this man could be resolved. If that was the case, he could set his heart at ease.

If not, with such an enemy, the Qin clan would be in deep trouble.

“F * ck! This Lord Qin was also an old fox! You might as well sell your own saintess!”

“This move is amazing!”

There was an uproar.

They had all heard of the grudges between the Qin clan and divine Lord Tang. They also knew that the Qin clan’s saintess, divine Lord Tang, was not an ordinary person. She had once been abducted at tianlao mountain. They had not expected that Lord Qin would sell her off and give her to divine Lord Tang.

With this layer of relationship, the grudges between him and the Qin clan would naturally disappear. They might even be on good terms!

They were a little envious when they saw how happy shenjun Tang was when he received the life Jade.

“Damn it, why doesn’t our race have a saintess as beautiful as her that divine Lord Tang has taken a liking to?”

They were even more upset.

“Congratulations, brother Tang! You’ve got a beauty!”

At this moment, Yushi sneered. However, there was a strange tone in his voice.

Many of the old eccentrics in the surroundings revealed strange expressions upon hearing this.

They were all smart people, how could they not hear this trace of strangeness?

“Could it be that fellow Daoist Yushi has taken a fancy to divine Lord Tang?”

They secretly speculated and were all a little surprised.

This ancestor of the Yushi clan had once been a monster whose name shook the world. With her exceptional beauty, she had become a goddess in the hearts of countless cultivators. However, in all these years, no one had heard of her having any connection with any male cultivator.

“No wonder! Fellow Daoist Tang is so young and promising with a bright future. He has the hope of breaking through to the great emperor realm. Which woman in the world wouldn’t be tempted? although fellow Daoist Yushi is a seven tribulations woman, she hasn’t cut off her seven emotions and six desires. It’s not surprising that she’s tempted!”

Soon, they felt relieved.

“Fellow Daoist rain master!”

Tang Hao looked at Yushi min and bowed to him.

“Back in the spirit treasure heaven, you said that you couldn’t accept me calling you fellow Daoist. Today, you can accept it, right?” Yushi said with a smile.

“I can afford it!” Tang Hao replied.

“Hahaha! The seventh tribulation! It really was the seventh tribulation! Elder Tang, you’ve brought honor to the gate of fortune. When the sect leader comes out, he’ll be shocked. He entered closed-door cultivation early, but not as fast as you!”

Yun qingzi walked around Tang Hao and laughed heartily.

“Elder Tang!”

“My Lord!”

Fu Yunzi, the four monsters of mud mountain, fairy yunrong, and the others all walked up and excitedly called out.

“Let’s go in!”

After exchanging some pleasantries, Tang Hao led them through the main gate and toward the main peak.

“Let’s go, let’s go!”

“Let’s go in and sit down!”

The leaders of the various races followed and entered the gate of fortune.

“This is the gate of fortune?”

“The gate of fortune was very famous in the ancient times. It was almost as famous as the 33 heavens! Be it the divine elixir of creation or the divine boat of creation, everyone knew about them in the ancient times.”

“I’ve also heard of the divine fate boat. I heard that it’s a great killing weapon that’s not inferior to a celestial artifact! It’s a pity that such a divine item has long been lost!”

As the group of Masters walked, they sized up the situation around them and discussed enthusiastically.

“The gate of fortune used to be poor. But now, it has finally risen!”

“They’re so lucky! How can I not rise up after getting such a treasure from fellow Daoist Tang?”

“This fellow cultivator Tang is truly a God! With his own power, he revived the gate of fortune. Such a monstrous talent is unprecedented!”

As they discussed, they were all filled with admiration and envy.
