

## The Mightiest Little Peasant Chapter 2166

In the depths of the North Sea, Tang Hao followed Ling Zhanxu as they dove.

The two of them were extremely fast. In a short while, they had reached the bottom of the sea.

When they reached the bottom of the sea, the two released their divine senses and began to search around.

A moment later, the two of them made a discovery.

“Over there!”

Ling Zhanxu let out a low groan and dashed forward.

Tang Hao’s body moved and followed.

After traveling for a moment, the terrain below them changed. It was originally a plain, but it suddenly tilted down, as if they had entered a huge basin.

Looking at the center of the basin, one could vaguely see a five-colored brilliance flashing.

“That must be the immortal Palace!”

Ling Zhanxu said.

Tang Hao narrowed his eyes. He activated his heaven’s eye and looked at the ball of light.

With the divine power of the heavenly eye, he could easily see through the five-colored divine light and see the appearance of the immortal Palace inside.

“Great Yan ...”

In front of the immortal Palace, there was a stone tablet with two flamboyant characters carved on it.

Tang Hao recognized it.

“Dayan?”

Ling Zhanxu was shocked when he heard this.

He was not only surprised that this Tang kid could see through the divine light and look inside the immortal Palace, but also surprised by the word “Great Yan.”

“These two words, Great Yan, seem a little familiar!”

Tang Hao furrowed his brows. He felt like he had met her before.

“Are you sure, Tang kid? Is it really Dayan?” Ling Zhanxu asked.

“It can’t be wrong!” Tang Hao nodded.

“Then there’s no mistake. This immortal Palace is the immortal Palace of one of the hundred ancient Immortals, the Grand Yan immortal venerable!” Ling Zhanxu said.

“Great Yan immortal venerable?” Tang Hao was startled. He thought for a moment and recalled that there was indeed a Grand Yan immortal venerable among the hundred ancient Immortals.

“This Great Yan immortal venerable isn’t as famous as no beginning immortal venerable and reincarnation immortal venerable. He’s unknown among the hundred Immortals and many people have never heard of him. However, he’s one of the 100 Immortals after all, and he’s not an ordinary person since he’s on the list!”

Ling Zhanxu said.

“I heard that this Grand Yan immortal venerable is proficient in the Dao of the world and has reached the peak in array Dao, alchemy Dao, and craftsmanship Dao. He’s especially good at alchemy Dao and array Dao.”

“That’s right, he’s also an alchemy God. He’s created quite a few world-shocking pills, especially the Grand Yan golden pill. It’s still a legend in alchemy.”

“I’ve heard of it!” Tang Hao nodded.

He had studied Pangu’s alchemy Dao in detail, so he had naturally heard of the Grand Yan golden pill.

This elixir was known as a divine elixir. Although its effects were not as good as the creation divine elixir, it was not inferior to it. The creation divine elixir could change one’s physique and allow one to possess a Supreme divine body in an instant, while the great Yan golden elixir could allow one to comprehend Dao in an instant.

To xiuzhe, comprehending the Dao was very important.

Before the Saint realm, cultivators needed to comprehend the Dao and understand the origin. Only then could they ask about the Dao and then cut the Dao.

In the Saint realm, the sixth trial was the Dao trial. One also needed to comprehend the Dao and cultivate the great Dao to the realm of perfection. Countless fifth trial Saints were stuck at this stage and couldn’t advance.

Most six-tribulation saints would spend decades or even hundreds of years to perfect a great Dao.

However, this Great Yan golden pill could allow a sixth tribulation cultivator to comprehend a great Dao overnight and reach the realm of perfection.

This way, they could save decades or even hundreds of years.

It was not an exaggeration to call it a divine pill with such a magical effect.

However, the recipe for this elixir had never been passed down. Occasionally, a finished elixir would appear in the world, and every time, it would attract countless Saints to fight for it, setting off a bloody storm.

“This pill is indeed magical, but it is useless to us seven tribulations!” Tang Hao said.

“That’s true! However, if we can find a few of them, that would also be good. We can then cultivate a few more 6th tribulation experts!” Ling Zhanxu said, “other than the great Yan golden pill, this Great Yan immortal venerable has created many other pills that are not inferior to the great Yan golden pill. Perhaps this immortal Palace has preserved many of them.”

As he said that, he revealed a look of excitement.

Tang Hao looked at the immortal Palace with anticipation.

Unlike Ling Zhanxu, he was more interested in the alchemy Scripture left behind by the Grand Yan immortal venerable. With the alchemy Scripture, he could refine these pills himself.

“Hurry up and leave!”

Ling Zhanxu said as he impatiently rushed forward.

When he arrived in front of the immortal Palace, he saw that many people had already arrived. Dozens of figures had gathered in all directions, and there were also many auras coming from the void. It was obvious that many seventh tribulations were hidden in the void in all directions.

Some of them were in groups of two or three, and some were standing alone. They were all silent, looking around as if they were waiting.

“It’s old monster Ling!”

“Why is he here?”

With the arrival of the two, there was a commotion in the crowd. Those people looked over with all kinds of eyes, many of which were filled with strong hostility.

“Eh? Who is that guy?”

Then, they noticed Tang Hao, and many of them looked confused.

“You don’t know him? He’s the kid who has caused a stir in Pangu recently!”

Someone said in a low voice.

“What? He’s that Tang Hao?”

In an instant, the seven tribulation saints were all shocked.

Then, their expressions changed, revealing a hint of fear.

Although they had never seen Tang Hao with their own eyes, they had heard of him. He was once the number one genius and the youngest Sir God in Pangu. He had defeated Sir God Xue Yin as soon as he had advanced. He was a monster that shocked the world!

“So it’s this monster! No wonder he has such an extraordinary temperament!”

Many of the seven tribulations were discussing in low voices.

At this moment, Ling Zhanxu descended with Tang Hao.

“Hahaha! Fellow Daoists Qing Xiao and Zi Xiao, long time no see! How have you been? Come, come, come. Let me introduce you to divine Lord Tang, the new disciple of the gate of fortune.”

He walked over to the two figures standing at the side and laughed heartily.

Both of them looked like old men with white beards and white hair. They looked like Immortals, but the color of their treasured clothes was different. One was green, and the other was purple, which just happened to correspond to their Daoist names.

“Have you heard of the three firmament sacred mountain, Tang kid? These are two of the great ancestors, one is called Qing Xiao and the other is called Zi Xiao.”

Ling Zhanxu then introduced them to Tang Hao.

“Junior Tang Hao greets the two seniors!”

Tang Hao bowed.

He had heard of the three firmament sacred mountain before. It was not a sect or a clan, but a power formed by three 7th tribulation cultivators. They were known as the three firmament divine ancestors.

“Hahaha! Why are you still calling me senior? it’s time to call me fellow Daoist!”

The two of them laughed heartily.

“Come here, Tang brat. Let me introduce you to this person. His Daoist name is Jiuqu, and he’s also a loose cultivator ...”

“And this ...”

Under Ling Zhanxu’s introduction, Tang Hao got to know more than half of the seven tribulations present.

These seven tribulations were rather polite to Tang Hao, but many of the remaining seven tribulations looked at him coldly with intense hostility.

“These few people, ah, some of them are my old enemies, and a few of them are very close to your enemies, the Yao clan and the night clan, that’s why it’s like this!”

“And those few are old demons at the seventh tribulation. They’ve always been at odds with human Saints. There are many people hiding in this void, but we don’t know their identities. You must be careful this time, kid Tang.”

Ling Zhanxu whispered to Tang Hao as he looked around.

“Senior, please rest assured!”

Tang Hao smiled and nodded.

“This divine light is not easy to break. Let’s wait for a while. When more people come, we’ll break this divine light together and then enter!”

The two of them walked to the side and waited.
