

The Mightiest Little Peasant Chapter 2185

“Good treasure!”

Tang Hao held the five-colored divine crystal in his hand and complimented.

The crystal ball was perfectly round and transparent, emitting a dazzling five-colored divine light.

The moment he got his hands on it, he had already immersed his divine sense into it.

This crystal ball was not only the core to control the immortal Palace, but also the array Dao insights left behind by the great Yan immortal venerable.

This was a huge surprise for Tang Hao.

Of the three Dao of alchemy, weapons, and arrays, his strongest was the alchemy Dao. He was slightly weaker in the Dao of arrays and the Dao of arrays. Now that he had obtained the Enlightenment of the Dao of arrays left behind by the great Yan immortal venerable, his level of the Dao of arrays could be raised to the same level as his alchemy Dao.

“I plan to re-forged the immortal mansion after obtaining the immortal Palace, and re-forging the immortal mansion will require redesigning the talisman formation. With the Enlightenment of the Grand Yan immortal venerable, I will be able to design more complicated talisman formations and make my gods Palace more powerful!”

Tang Hao was overjoyed.

At this moment, everyone in the hall had a complicated expression when they saw this scene.

No one had expected that the young divine Lord Tang would be the one to break the ancient formation and obtain the core!

“The biggest winner of the immortal Palace’s appearance is still divine Lord Tang!”

They sighed in their hearts.

Before this, they had heard that this person had obtained an opportunity in the immortal Palace, and his avatar of the origin of the world had also advanced to the seventh tribulation, and his strength had increased greatly.

Now, he had obtained the core and controlled the entire Celestial Palace!

Such a harvest really made them both envious and jealous.

“Divine Lord Tang! Congratulations!”

“Hahaha! Congratulations, divine Lord Tang, for obtaining an immortal Palace!”

Many Sir gods sighed with emotion and then they changed their expressions to smiles. They went forward to congratulate him warmly.

“Little brat Tang! I really can’t tell!”

Ling Zhanxu, Lord Qin, and the others had also come up.

“Hmph! This damn brat!”

“How could it be like this!”

Li Changhe, the night patriarch, and the others stood where they were, their faces extremely gloomy.

Looking at the young man who was surrounded by the crowd like a moon surrounded by stars, they gritted their teeth and their eyes turned red with jealousy!

This was the immortal Palace personally built by the great Yan immortal venerable! It was a powerful Supreme artifact!

With this treasure, this brat’s strength would increase by a lot, making him even more difficult to deal with!

“Motherf * cker! How could it be this kid!”

“I’ve really seen a F * cking ghost!”

In a corner of the hall, old demon blood Yin and the others were hiding in the void. They looked at the scene with ugly expressions.

“Brother Xue Yin, what should we do? This kid is really a little demonic!”

Daoist ghost Li said, frowning.

On his face, there was a bitter smile.

He was a mighty figure of The Fiend Dao, who had dominated Pangu for so many years and made a name for himself. But today, he was defeated by a young boy.

“That’s right! This kid ... Is a little tricky!”

Daoist Cang Ming and the other Daoist smiled bitterly.

When old demon Xue Yin came to them, they also thought that it would be easy to deal with a kid who had just advanced as long as the four of them worked together.

However, they did not expect that they would suffer such a huge setback and be dejected by this kid.

Old demon Xue Yin's face darkened.

"No harm! We were just careless this time, that's why this brat took advantage of us. We still have a chance. Didn't we obtain quite a lot of divine herbs this time? it's enough for us to condense a few drops of blood, and our strength will increase by a lot. "

"Also, the situation is special this time. With old monster Ling here, it will be much easier for us to deal with this kid when he is alone."

He said in a deep voice.

"That makes sense! Although this brat's clone has advanced to the seventh tribulation, his main body's cultivation is not high. We still have a chance to deal with him!" Daoist ghost li nodded.

"Brother Blood Yin, we actually have other ways!"

Daoist Cang Ming swept his gaze across the hall and suddenly grinned.

"Oh?"

The other three were stunned.

"Brother cangming, do you have any wise ideas?"

Daoist Cang Ming stroked his beard and laughed."Brother Blood Yin, you've forgotten. Other than us, this brat has many enemies. Why should we fight alone?"

"You mean ...?"

Old demon blood Yin and the others were stunned at first, then they came to a realization.

They looked towards a certain direction in the hall, and all of them revealed happy expressions.

"I almost forgot! These people hate that kid even more than I do, especially the night clan. That kid killed their Holy Son and took the primogenitor's armor. This hatred is beyond the heavens!"

Old demon blood Yin laughed.

"They're probably worried about how to deal with this kid. We'll find an opportunity to talk to them about cooperation later. If we can join forces, we'll be even more confident in dealing with that brat. "

Daoist ghost li laughed.

The four of them discussed for a while more, and they were all in a good mood. It seemed that the boy was already in their bag.

"Fellow Daoist Tang, don't forget to visit the PEI family when you're free!"

“Daoist Tang, you promised to come to my Qian clan. Don’t forget it!”

After a while, the cultivators in the hall began to leave.

This immortal Palace was already divine Lord Tang’s property, so it was not appropriate for them to stay here any longer.

In the immortal Palace, divine light continued to shoot into the sky, entering the sea and quickly leaving.

As they flew, they were still discussing excitedly.

The result of the immortal Palace’s emergence was really shocking. When the news spread, it would cause a sensation in Pangu.

Divine Lord Tang’s reputation would also soar.

“Hmph! Let’s go too!”

Li Changhe and the others flicked their sleeves and left in anger.

Old demon blood Yin and the others also followed.

Very quickly, most of the people in the immortal Palace had left. Only Tang Hao, Ling Zhanxu, Lord Qin, and a few others were left.

Lord Qin and the others congratulated him once again. After exchanging a few words of conventional greetings, they also transformed into divine lights and left.

Tang Hao and Ling Zhanxu were the only two people left in the huge immortal Palace.

“Senior, these are the great Yan immortal venerable’s formation Dao insights. I made a copy, take it! Place it in your Ling clan’s Scripture Depository!” Tang Hao took out a Jade slip and handed it to Ling Zhanxu.

It was all thanks to Ling Zhanxu that he was able to obtain such a great harvest this time. He naturally had to express his gratitude.

“This ... Is good!”

Ling Zhanxu hesitated for a moment before accepting the offer.

This Great Yan immortal reverent’s array Dao Comprehension would help his Ling clan’s strength increase so he had no reason to reject it.

“You’re too amazing, kid! Fortunately, I thought of you and brought you along. Otherwise, I wouldn’t have such a big harvest this time!”

He put away the Jade slip and chuckled, feeling extremely proud.

“Don’t worry, kid. I won’t forget you if I have any opportunities in the future. You’re My Lucky Star!”

Then, he patted his chest and smiled at Tang Hao.

“Alright!”

“Yes,” Tang Hao replied and laughed. He activated the core and stored the entire immortal Palace. It shrunk to the size of a palm and was stored in the immortal execution king ring. Then, he left with Ling Zhanxu and returned to the gate of fortune.
