

The Mightiest Little Peasant Chapter 2196

“This old demon is quite cunning!”

Tang Hao mumbled.

“Of course. After all, he’s a seven tribulation old demon who has lived for thousands of years. He has many tricks up his sleeve!” Jiang zhengdao smiled and said, “we don’t have to be in a hurry. Although this old demon is extremely cunning, there are too many people taking action this time. He won’t be able to hide for long. We just have to wait patiently.”

Tang Hao nodded.

As a seventh tribulation expert, Daoist Fulong was naturally not easy to deal with. He was still fine even after being chased by so many great demons for more than half a month.

However, now that the news had spread, there were more and more seven tribulations. He probably could not hide for long.

“Then let’s wait for a while. It won’t be too late for us to rush over when his true body is exposed!” Tang Hao said.

He stopped and hid in the void, waiting.

From time to time, news of Daoist Fulong’s appearance would come from all over the world.

By a rough estimate, Daoist Fulong had appeared in at least a hundred places.

The Group of Seven tribulations were a little dumbfounded.

No one knew which one was real!

They could only spread out and rush to all corners of the world.

Soon, it was confirmed that they were all clones, and they were all killed.

After half a month, these clones were all exterminated and Daoist Fulong’s true body finally appeared.

“In the West barren!”

Tang Hao was the first to receive the news and set off immediately.

By the time he arrived at the West barren, there were already many seventh tribulation cultivators. They chased after Daoist Fulong and headed toward the West Sea.

“That old monster seal Dragon is indeed worthy of being a flood Dragon. So many great demons besieged him, but they couldn’t do anything to him. He even injured a few of them!”

“Although that old monster is powerful and is a great evil of the demon tribe, he can’t fight against humans. There are so many great demons, the untainted land tribe, and the mighty people of our human tribe. How can that old monster fight against them? I heard that he has been injured and might really die this time.”

“I’m very curious about what the so-called top secret is. How did it attract so many seven tribulations to attack?”

In the West barren, everyone was talking about this shocking pursuit.

Tang Hao asked around for information. After he figured out the location, he hurried over.

“We’re here! It’s right in front!”

An hour later, Tang Hao stopped. There was a mountain range not far in front of him. A loud rumbling sound came from there, followed by deafening roars of beasts.

Looking over, one could see that in the mountain range, there were many huge beasts fighting. There was a giant ape that was tens of thousands of feet long and was covered in flames. There was also a divine Tiger with wings on its back and a body as white as snow ...

Among them, the most eye-catching one was a giant Wyrms that was 10000 feet long and covered in dazzling golden scales.

Among the giant beasts, his aura was the strongest.

OWW!

There was a sorrowful cry.

The Winged Tiger God was sent flying by the tail and crashed to the ground, causing the earth to shake.

Following that, the giant ape also let out a miserable cry. One of its arms was bitten off by the giant dragon, and blood splattered everywhere.

“Hiss! Hiss! Hiss!”

Gasps could be heard from the crowd of spectators around the mountain range.

“This old demon is really fierce!”

“That’s a heavenspan Wyrms! His body is already extremely strong, and he has even devoured a true dragon!”

They were discussing in low voices, and there was a hint of fear in their tone.

Many of those who were prepared to make a move immediately retracted their auras.

“The old demon is in a state of great momentum. It’s not appropriate for us to attack. Let the demon tribe and the untainted tribe attack first. It won’t be too late for us to attack after they’ve exhausted the old demon!” Jiang zhengdao said.

“Okay,” Tang Hao replied, then continued to watch.

In the mountain range, the intense battle was still going on.

From time to time, the demon clan and the untainted land clan would make their move, and the battle was earth-shattering.

Although the giant “Dragon” was fighting alone against many, it was not at a disadvantage at all. Instead, it became more and more courageous as the battle progressed, and the demons and the untainted tribe were a little shocked.

Buzzzzzz!

There was another sorrowful cry.

Half of a Luan’s wing was bitten off by the giant flood Dragon, and it frantically escaped.

The rest of the giant beasts were a little scared. They stopped and retreated.

“Hahaha! You guys are nothing more than this! You want my treasure? No way!”

The giant “Dragon” laughed and its body suddenly shrank, turning into a black-robed elder with a fierce face.

He sneered in all directions, then turned into a stream of light and sped away.

“Chase!”

The people from all four sides immediately gave chase.

After chasing for a while, the demons intercepted them again, and a great battle broke out.

Although the old monster was still extremely fierce, his aura had weakened a lot.

After a few times, the old demon’s strength had been greatly reduced and was less than half of his peak. Under the siege of many demon clans and giant beasts, he was constantly injured.

At this time, the human xiuzhe also started to attack and joined in.

“Fu long, hand over the thing!”

“Old monster, you can’t possibly think that you can really escape from so many of us, right? If you don’t hand over the treasure, you won’t be able to find a place to stay in this vast Pangu world. ”

A series of shouts exploded in all directions.

At this moment, the void around them was filled with people. There were demons, primeval beasts, and humans. They were all seven tribulations. At a glance, there were countless of them.

There were so many seven tribulations surrounding this place.

“What a huge formation!”

Daoist Fulong looked around with a gloomy expression.

Even if he was very confident in his own strength, he still did not have the slightest chance of winning when facing so many seven tribulations.

“It seems that I have to hand over this treasure today!”

He mumbled to himself and raised his hand. A light flashed in his palm, and a black box appeared.

In an instant, everyone’s eyes were focused on the box.

“Is this the so-called treasure that contains the biggest secret of the demon race?”

All the cultivators were bewildered.

“That’s right! This treasure contains the greatest secret of my demon race, which is related to the ancient dragon race ... This secret has nothing to do with me, so it’s up to you who’s lucky enough to obtain it.”

As he spoke, Daoist Fulong threw the box into the air.

“That’s mine!”

“This belongs to the demon race. Humans, don’t snatch it!”

At this moment, everyone’s breathing stopped. They opened their eyes, which were filled with a terrifying light.

Whoosh! Whoosh! Whoosh!

One figure after another flew out. Many cultivators used their divine arts to grab it.

Among them, intense conflicts broke out between the human clan, the demon clan, and the untainted land clan.

“Hahaha! This treasure belongs to our ancient ape sacred mountain!”

One of the powerful ape cultivators activated his abhijna and his palm pierced through the void. He grabbed the box and was about to put it away, but at this moment, a dozen beams of light exploded from the side, blasting his palm apart.

The box fell to the ground, causing another round of intense fighting.

“Let’s attack!”

At this moment, in the scroll of the world, Jiang zhengdao shouted in a low voice and took the lead.

He stepped out of the scroll of the universe and shook his sleeve. A giant palm appeared and grabbed the box.

Ling Zhanxu and the rest followed him out and made their moves.
