

The Mightiest Little Peasant Chapter 2215

“The divine Spirit Scripture is inside!”

The cursed young master took the box from his servant.

“I’ve read this Scripture a long time ago. It’s not of much use to me, the God of curse. You can take it!” The young master of the Holy spell sect put the box on the table casually and pushed it over. “However, you must be careful. You must not let this Scripture fall into that guy’s hands.”

“Hahaha! Young master must be joking! How could we let this Scripture fall into the hands of that brat? this is impossible!”

When the medicine master heard this, he laughed.

He reached out and took the box. “With this Scripture in my hands, it’ll be as safe as in your cursed heavenly Treasury. Nothing will happen to it!” He said with a smile.

“That’s right! With that kid’s strength, he wants to snatch the Scriptures from our hands? That’s wishful thinking!”

Li Changhe also laughed.

“That’s true!” “Hehe.” Young master jinx chuckled. “It seems like I was overthinking. Although that guy can fight two or even three at once, it’s still decades too early for him to kill you and take the treasures!”

“Therefore, young master, you don’t have to worry. This time, we’ve even joined forces with the untainted clan. As long as that brat takes the bait, we’re 100% confident that we’ll be able to kill that hateful brat in one fell swoop!”

The medicine master said.

“Hahaha! Good! Then I’ll congratulate you all on your success!”

The cursed young master laughed in delight.

“Young master, please rest assured!” The medicine master cupped his hands and smiled. “The young master is in the God curse heaven. Wait for our good news!”

“Good! Then I’ll be waiting for your good news!”

The cursed young master said with a smile.

“Come! Everyone, let’s drink this!”

He filled the cup with wine and drank it all in one gulp, his face full of joy.

“This Tang guy is too detestable. I’ve never liked him. Who does he think he is? He’s just a barbarian from the lower realm who’s unbearably vulgar. What qualifications does he have to be mentioned in the same breath as me, a young master of the heavens, don’t you all agree?”

The cursed young master shouted.

“Young master is right, he’s nothing! He’s not even qualified to carry your shoes!”

“This man has been causing chaos in the world since he attacked Pangu. He has killed countless Pangu people. He is a man of great evil. We are doing the heaven’s work by killing him!”

Li Changhe and the others immediately chimed in with flattering smiles.

“This guy! Damn it! They deserve to die!” “A mere barbarian from the lower realm wants to lay his hands on the Vermilion Bird young master? he’s clearly a Toad lusting after a Swan’s meat!” The medicine master chimed in with a look of righteousness.

“Young master Vermilion Bird, you’re the only one who’s worthy of your status!”

“Hahaha! Well said! He doesn’t deserve it, he deserves to die!”

“Hahahahaha!” The cursed young master laughed, and his expression was somewhat sinister. “Kill him for me!” It’s best if you can capture his soul and bring it to me. I’ll refine him into a malicious ghost and make him my slave and slave for all eternity!”

“Hahaha! Good! It would be too easy on him if we killed him directly!”

The medicine master said with a smile.

“Come on! Dry! Let’s just take it as an early celebration!”

The cursed young master took out another pot of wine and placed it on the table.

The group of people toasted each other and had a good time.

“Hmph!”

Just at this moment, a cold scoff sounded out in the hall.

They were all stunned and froze.

In the next moment, in a corner of the hall, a ripple appeared in the void. A figure emerged and raised his hand. The purple jade box on the table flew over and landed in his palm.

The cursed young master, the medicine master, and the others were all a little dazed and couldn’t react.

This was the divine incantation heaven Hall. Why was there someone hiding at the side and even trying to snatch the Scripture?

“It’s you?”

When they turned around and saw the person’s appearance clearly, they were all stunned. Then, their expressions changed drastically, as if they had seen a ghost.

Wasn’t this man surnamed Tang?

But why was this guy here?

This was the curse of the heavens! How did he get in? Also, how did he know that the Scripture was here?

The medicine master and the others were completely dumbfounded, their minds blank.

“Brother Yao, brother Li, Oh! Oh right, and brother divine incantation, I’m afraid you’ll be disappointed this time. If you want to kill me, you can do it next time!”

Tang Hao toyed with the box in his hand and looked at the medicine master and the others teasingly.

“I’ll be taking this Scripture!”

He kept the box into his ring.

“Speaking of which, I really have to thank you. If it weren’t for you, I wouldn’t have been able to get this Scripture! Especially brother Yao, you really didn’t let me down, you’re still so warm-hearted. ”

Tang Hao looked at the medicine master teasingly.

“You ... You ...”

The medicine master was so angry that his entire body was trembling.

At this time, how could he not understand that this was all a trap set by this guy? he had been ruthlessly played!

This fellow knew from the start that the Scripture was in the cursed sky and that he would not be able to get it himself. Thus, he spread the news and used him to get the Scripture out of the cursed sky’s Treasury.

The funny thing was, he had always thought that he had the kid in the palm of his hand.

The cursed young master also understood the situation very quickly, and he looked very upset.

He had thought that he would be able to kill this fellow this time, but he had not expected that this fellow would be so cunning. He had also been used by this fellow.

Now that this guy had obtained the Scripture, his strength would definitely increase greatly after he perfected the immortal mansion.

No matter what, he could not let this guy leave the cursed sky!

“You’ve got some nerve, Tang kid. How dare you barge into the cursed sky? you’re looking for death!”

“Shut up!” The divine curse young master slammed the table and stood up, shouting in a low voice.

“Men! Seal the void! Kill him!”

He shouted towards the outside of the hall.

In an instant, cries of alarm rang out in the God curse heaven, and powerful auras surged from all directions toward the hall.

“Who dares to break into my God curse heaven?”

A series of shouts exploded like muffled Thunder.

These were all elders of the 7th tribulation, the heaven of the Holy curse. Each of them had a shocking aura, and there was no lack of 100-blood, even close to 1000-blood Almighty experts.

In the blink of an eye, they had arrived in front of the palace Hall, and a wave of aura pressed down on the palace Hall.
