

## The Mightiest Little Peasant Chapter 2261

Eh? Who were these two guys?

Why were they here?

The desolate evil demon Thearch stood there in a daze.

Isn't that the boy surnamed Tang? Why did he appear again? Also, who was this guy?

The Blood King and the great void sect master looked left and right in a daze.

They had just met this kid not long ago. Why did they meet again today? this was too much of a coincidence! The void was so big, how could there be such a coincidence?

The two sides looked at each other and were stunned for a long time.

Then, they came to their senses and noticed each other's aura.

Wait a minute, why does the aura of these two guys seem to be at the 8th tribulation? They were all eight-tribulation venerable emperors? How was this possible? Even in ancient times, eight tribulations were rare. Why did he meet two of them today?

Demon Emperor Huang xie's expression changed drastically. He was a little shocked.

"Eh? This person's aura ... Is actually at the eighth tribulation? That's strange, why haven't I seen this person before in the eight tribulations of the present age?"

"This is demonic Qi! When did an eighth tribulation demon appear?"

The Blood King and the great void sect master were first shocked, but then they were puzzled.

The current demon race had declined and there were no more eighth tribulations. Where did this person come from?

"Who are you?"

The desolate evil demon Thearch could not help but question.

"Fellow Daoist, we should be the ones asking this question. As far as I know, there are no more powerful beings in the demon race. Where did fellow Daoist come from?" The Blood King shouted loudly.

The desolate evil demon Thearch glanced at The Blood King and snorted angrily, "you're just a junior who has just advanced not long ago. How dare you speak to me in such a manner? you weren't even born when I dominated Pangu!"

The Blood King and the great void sect master's expressions changed.

From this person's tone, he seemed to be an ancient figure.

"Fellow Daoist, you're quite arrogant!"

The Blood King said coldly.

"Hmph! Don't talk nonsense, this matter has nothing to do with you. Don't meddle in other people's business."

The desolate evil demon Thearch roared and immediately reached out to grab Tang Hao.

"Little brat, I'll let you run, but let's see where you can run to! You, a puny seventh tribulation, want to escape from my palm?"

He smiled coldly at Tang Hao.

The Blood King and the great void sect master's expressions changed upon seeing this.

They finally understood why this kid would appear here.

This wasn't a coincidence. It was clearly this kid's intention. He didn't know where this kid had provoked an eighth tribulation expert. He couldn't deal with him, so he wanted to ask them for help.

"Seniors, are you still not going to attack?"

Tang Hao did not panic at all. He even smiled at them.

"This damned brat!"

The great void sect master gritted his teeth and cursed.

This kid had him in the palm of his hand. Even though he was extremely reluctant, he still had to make a move. He absolutely could not let this kid fall into the hands of the other 8th tribulation.

"This kid is quite sly!"

The Blood King smiled wryly.

"Eh? You two know him? Is it related to him?"

The desolate evil demon Thearch was shocked. He had thought that this was just a coincidence. That was because he had heard from the old Demon Dragon that this kid was from the lower realm and had entered the desolated gate of fortune. He did not have any backing.

"He is closely related to the great void sect. I wish I could kill him with my own hands. However, only I can kill him, not you!"

The great void sect master shouted.

“I have a good relationship with this kid. We are both from the lower realm. I can’t watch you bully him. You’re an 8th tribulation, but you’re bullying a 7th tribulation junior. Do you have any shame?”

The Blood King chuckled.

When the desolate evil demon Thearch heard this, he could not help but feel a little stunned.

One of them sounded like the kid’s enemy, and the other sounded like the kid’s backer. But the strange thing was, why did this enemy still protect the kid?

Since there was a grudge between them, shouldn’t they be happy to see him take care of this kid?

What the hell is this!

Demon Emperor Huang xie was a little confused.

“Fellow Daoist, I don’t care who you are. You must not touch this kid. Otherwise, you will be an enemy of the great void heaven!” The great void sect master shouted coldly.

As he spoke, he raised his palm and stretched out his five fingers.

Behind him, a huge divine wheel appeared. It was covered with mysterious and complicated patterns of the way. It shone with a shocking divine light that illuminated the entire void.

The divine wheel trembled slightly and started to spin slowly.

In an instant, the void and time in the surroundings began to distort.

“The divine Wheel of Time of the great void sect!”

Demon Emperor Huang xie’s expression changed drastically.

How could he not recognize the signature move of the great void sect?

In the ancient times, he had also fought with the great void heaven.

“Fellow Daoist, I don’t care who you are, but if you touch this kid, you’re my enemy!”

Although The Blood King chuckled, his tone was filled with killing intent.

With that, he flicked his sleeve, and a small blood-red bell appeared in his palm.

He gently shook the bell, and it rang. In an instant, blood light surged and swept in all directions, turning the void into a sea of blood.

“This is ... The treasure of the blood Immortal?!”

The desolate evil demon Thearch stared at the bell as his demonic eyes contracted violently. He could not hide his shock.

This was the most precious treasure of the blood Immortal, one of the 100 ancient Immortals!

This treasure was extremely powerful and could be ranked in the top five among all the Supreme weapons.

“You have good eyes!”

The Blood King smiled.

“Not good! Let’s go!”

The expression on the desolate evil demon Thearch’s face changed. He turned around and was about to leave. He was no longer the invincible demon Thearch who dominated the world 10000 years ago. He had yet to recover from his injuries from that battle. Furthermore, these two people were not ordinary people. One was the great void heaven sect master, and the other had an unknown identity but had the blood Immortal Supreme treasure. He was definitely not a match for the two of them when they joined forces.

“You want to leave? It won’t be that easy!”

The great void sect master snorted.

He activated his spirit wheel and aimed it at his opponent.

The Blood King also activated the bell with all his might. The sanguine light transformed into a wave that smacked at his opponent.

“Ah, Yingluo!”

The desolate evil demon Thearch was unable to Dodge in time and hastily blocked it.

How could he be a match for these two people? first, he was trapped by the time Dao law and couldn’t move. After struggling to break free, the blood sea arrived and smacked him. He staggered and was sent flying, almost spitting out a mouthful of demon blood.

“You guys ... Well done! I’ll remember this. When I recover, you and this kid will all die!”

The desolate evil demon Thearch roared in rage.

After saying that, he quickly tore open the void and escaped.

The Blood King and the great void sect master did not give chase. They stood where they were with grave expressions.

“Who is this old demon? There’s no such person in the demon race today. Could it be an ancient cultivator who has been in seclusion for thousands of years?”

“This demon’s aura is a little strange. It doesn’t seem like an ordinary demon!”

They were all trying to figure out the origins of this demon.

They had to pay attention to a monster venerable sovereign of unknown origin.

“Eh? Where’s that kid?”

After a while, they came back to their senses and wanted to find the boy, but when they looked around, there was no trace of the boy. He had long escaped.

“This damned brat!”

The great void sect master cursed, his face ashen.

This time, he had been used by this kid!

“Hahaha! This kid ... Is really interesting!”

The Blood King laughed heartily. With a leap, he transformed into a sanguine beam of light and rapidly shot forward.

The great void sect master’s face darkened. He cursed a few more times before giving chase.
