

## The Mightiest Little Peasant Chapter 2269

“Not good!”

The first thought that came to the desolate evil demon Thearch’s mind was that this was bad. His premonition had come true!

His identity had been exposed. This kid was here to Scout for his cave dwelling. There must be a few Dao Masters behind this kid. Otherwise, how would he dare to come here?

“You idiot!”

He fiercely glared at the old Demon Dragon.

If it wasn’t for this idiot, his location wouldn’t have been exposed.

“Hmph! I’d like to see who this kid has invited this time!” Then, he looked up and snorted coldly.

He was the mighty desolate evil demon Thearch, how could he run away upon hearing the news!

Then, he jumped out of the coffin and flew out of the cave.

After waiting for a moment, a divine light swept over from above and stopped not far away. A figure appeared, and it was that damn brat!

“You brat, you’re quite bold!”

The desolate evil demon Thearch looked at him coldly and said.

After sizing up the kid, he looked up and looked behind him, trying to find traces of the Dao Masters.

However, after a few rounds, he frowned.

No matter how he searched, he couldn’t find a trace of him. There was nothing behind this kid.

“Strange!”

Demon Emperor Huang xie was puzzled.

This shouldn’t be the case!

If no one was backing him up, how would this kid dare to swagger into his cave abode? Wasn’t this courting death!

“Senior is too kind! This Junior’s courage is far inferior to yours, senior demon Emperor!” “Of course!” Tang Hao laughed. “You were the invincible demon Emperor who awed Pangu ten thousand years ago. You fought the Dao Masters of the thirty-three heavens alone. How can I compare to your courage?”

Upon hearing this, demon Emperor Huang xie's expression changed slightly.

As he had expected, his identity had been exposed!

"How did you know?"

He shouted coldly.

"That's easy. There are only a few venerable sovereigns in your monster race. It's easy to guess!" Tang Hao said indifferently.

"Hmph! You've guessed it right, it's me!" The demon Thearch said angrily, "since you know it's me, you should know that it's impossible to kill me! Back then, so many Dao Masters joined forces but still couldn't kill me. It's even more impossible for the Dao Masters today!"

"That's not necessarily true. Senior, you're no longer the invincible demon Thearch from 10000 years ago. You might not even be able to defeat a great void sect master. If a few more sect Masters come and activate their celestial artifacts, they'll be enough to kill you!"

Tang Hao said with a smile.

Demon Emperor Huang xie's expression changed.

This was what he had been worried about. If a few more Dao Masters came, in addition to their own Dao-guarding treasures, it would be possible to kill him.

"However, senior, you don't need to worry. This kind of thing will not happen!" "I haven't revealed your identity yet, senior!" Tang Hao said.

"Oh?"

Demon Thearch Huang xie was stunned as he revealed a look of astonishment.

This was really out of his expectations!

After making some more inquiries, he was more convinced. He didn't find any suspicious traces, which proved that this kid really came alone without any help.

However, why did this kid take such a big risk? what was his goal?

"What do you want?"

The demon Thearch's face darkened as he shouted.

He was a little displeased, but he didn't dare to act rashly. This brat had Ye Xi, who was extremely slippery. If he missed his attack and escaped, his identity would be revealed. That would be terrible, and those Dao Masters would definitely swarm over.

Not only did he have a grudge against the 33 heavens, but he also had countless ancient treasures on him. Even if there was no grudge between them, those Dao Masters would come to kill him and take his treasures.

“I don’t want anything. I just heard that you have a lot of treasures, and each of them is a world-shocking divine item. There are countless immortal artifacts and divine artifacts!” Tang Hao chuckled.

“Nonsense!”

The desolate evil demon Thearch was flustered as he berated.

He didn’t have any celestial artifacts or divine artifacts! This kid was clearly talking nonsense!

If this brat told those Dao Masters this, those Dao Masters would definitely be jealous and come to fight him to the death.

“Senior, don’t be so modest! As the first emperor of the ancient times, senior, haven’t you ordered any celestial artifacts or divine artifacts? Who would believe that!” Tang Hao was still grinning.

“You ...”

The demon Thearch’s face turned red with anger.

This kid was clearly trying to harm him!

“Senior, I’ve heard that there’s a treasure in your collection that’s especially magical. I’d like to see it.” Tang Hao said.

“What treasure?”

Demon Emperor Huang xie said.

“A stone!” Tang Hao looked at him as he spoke.

“Stone? What stone? Divine material? I have quite a few of them!” Demon Emperor Huang xie said in disdain.

“No, no, no! That’s no ordinary treasure, it’s a peerless treasure, a stone left behind by the ancient ruins Emperor!”

Upon hearing this, demon Emperor Huang xie’s face changed.

“W-where did you hear that from?”

He rebuked angrily, but he was a little flustered.

The sky-mending divine stone was his greatest secret. No one had ever known about it, so how did this brat know about it?

"It's just hearsay!" Tang Hao smiled. "Don't be nervous, senior. I'm not here to ask for the treasure. I'm just here to see what it looks like because I admire it!"

"This kid ... How did he know? If he spreads this news, we'll be in big trouble. Wahuang heaven will come to snatch it at all costs ... This kid must die today!"

Demon Emperor Huang xie muttered to himself as killing intent rose in his heart.

"But this kid has ye Xi. He's too hard to deal with. Once he fails, the consequences will be unimaginable!"

But at the same time, he was also a little worried. This kid was too difficult to deal with!

"Wait! He wanted to see the Godstone? Isn't that great? as long as we put him into the divine stone while he's not paying attention, he'll be like a turtle in a jar. At that time, it'll be easy to deal with him. "

Suddenly, a light bulb went off in his head, and he thought of an excellent idea.

The interior of the divine stone was a middle world. As long as he sealed the exit, even ye Xi would find it difficult to escape. In the demon Realm, he was the heavenly Dao, the Supreme ruler. He could finish that kid off with a finger.

"Hahaha! Good idea!"

The more he pondered, the more excited he became.

"Little brat, you're still too young. You're tens of thousands of years too early to fight with me!"

He looked up at Tang Hao and sneered in his heart.

"Just to experience it?" He said without revealing anything.

"That's right! As long as senior takes out the divine stone and let me see it, it will be fine!"

"This ..." The demon Thearch pretended to be hesitant. After hesitating for a long time, he reluctantly agreed. "Alright! It's a deal!"

After saying that, he reached out and took out the Godstone.

"This is the sky-mending divine stone! It's a divine item left behind from the ancient times!"

He held the immortal stone in his palm and showed it to the crowd.

He looked at Tang Hao and laughed coldly in his heart. The moment he opened the passage, it would be the time of Tang Hao's death.

Tang Hao was also laughing. He was grinning from ear to ear.

“It’s indeed the treasure of Emperor Yan. It’s really extraordinary!” He praised.

“Of course! You don’t know! This item is a Supreme treasure that can be used to create spatial-type treasures. An entire middle world can be created from it!” The demon Thearch said, “why don’t I let you experience it today?”

Before he could finish his sentence, he threw the Godstone into the air. The stone glowed with divine light and rippled in the air.

The ripples spread and turned into a vortex in the void that rapidly enveloped Tang Hao.

“It’s done!”

The demon Thearch was overjoyed when he saw that Tang Hao did not move at all.

Once the vortex barrier was in place, this brat would die without a doubt!
