

## The Mightiest Little Peasant Chapter 2270

The ripples spread very quickly. In the blink of an eye, they were in front of Tang Hao.

Tang Hao stood there with a calm expression. He allowed the spatial ripple to engulf half of his body.

“Hahaha! Kid, let’s see where you can run to this time!”

Upon seeing this, the desolate evil demon Emperor could not help but burst out laughing.

It was finally done!

This kid is dead for sure. He’s about to get the celestial treasure that he’s always dreamed of!

Then, his spiritual will moved and he continued to activate the divine stone, about to swallow the kid whole.

He had already made preparations. Once he swallowed the kid, he would immediately seal the passage and use the power of the divine stone to kill the kid in the demon Realm inside.

However, just as the figure was about to be completely devoured, a black shadow suddenly shot out from the space ripples and knocked the boy out.

“This ... This is ...?”

The desolate evil demon Thearch was instantly stunned.

Why did a person come out of the divine stone?

That’s impossible! It was impossible for the people inside to come out through this passage!

He only felt somewhat baffled.

“Who is this guy?”

After a while, he came back to his senses and looked at the black shadow that had scuttled out.

After sizing him up, he frowned.

This guy seemed to be a Buddhist, with a pure Buddhist aura. But it was strange. He didn’t remember that there was a Buddhist inheritance in his demon world.

This guy ... Where did he come from?

“Something’s wrong! There’s something wrong with this guy!”

The more he looked, the more he felt that something was wrong. The uneasiness in his heart rose again.

“Senior, many thanks!”

Tang Hao opened his mouth and grinned at the desolate evil demon Thearch.

“Thanks? What are you thanking me for?”

Demon Emperor Huang xie was taken aback.

“Of course it’s to thank senior for giving me such a great fortune!” Tang Hao said mockingly. He waved his hand again, and the Joss flame clone returned to him.

Upon seeing this, the desolate evil demon Emperor was stunned.

“That’s ... Yours?”

“That’s right! This is my clone!” Tang Hao said with a smile.

“A clone? What ... What’s going on?” The desolate evil demon Thearch was even more confused now. He could not figure out how this fellow’s avatar could appear in his demon world.

This was impossible!

If he wanted to enter the demon Realm, he could only go through the channel he opened. There was no other way.

“Wait ...”

Suddenly, the demon Thearch seemed to have thought of something. His entire body trembled as if he had been struck by lightning.

He remembered the strange spatial fluctuation a few months ago. He didn’t pay much attention to it at the time and forgot about it in the blink of an eye. Now that he thought about it, he realized that it was this kid’s doing.

This clone must have entered at that time.

Si si si!

After understanding this problem, he couldn’t help but gasp, his mind extremely shocked.

Because this meant that as early as a few months ago, this kid had known his identity and found out the location of his immortal’s cave. Moreover, he was bold enough to sneak into his immortal’s cave and bring his avatar into the demon Realm without anyone knowing.

This kind of courage, this kind of scheming, how did he look like a young monster? even the most experienced and cunning old monster he had ever seen was only like this.

“Not good!”

Then, he shouted again, and his expression changed drastically.

This clone had already stayed in the demon Realm for a few months. He didn't know what the demon Realm had become after being tormented by him.

"This clone's strength doesn't seem to be much. It's only at the level of twenty drops of immortal blood. With this kind of strength, I'm afraid it won't be able to cause much trouble in the demon Realm."

After pondering for a while, he heaved a sigh of relief.

In his demon world, there were many big demons with dozens of drops of blood. How much damage could an avatar cause?

"What great fortune? It's just a few seven tribulation small demons! Just take it. With my status, do you think I would be reluctant to give up this little thing?" The demon Thearch waved his hand and pretended to be generous.

"A few small demons?"

Tang Hao smiled meaningfully. "Since you're so generous, senior, I'll accept it with a peace of mind!"

"I'm fine! It's a piece of cake!"

The demon Thearch waved his hand and said in disdain.

"Senior, I'll be leaving then!" Tang Hao smiled and waved at him warmly. "Senior, don't worry. I won't disclose your identity or your cave abode."

"Also, you have all the celestial artifacts on you, so I won't tell anyone about the divine artifacts!"

"You ..."

When the demon Thearch heard this, he almost exploded in anger.

This little bastard was clearly threatening him!

He really wanted to roar out. Where did he get a celestial artifact or a divine artifact? If he really had one, he wouldn't have lost back then.

"Goodbye, senior!"

Tang Hao waved his hand, turned around, and disappeared.

"This bastard! What a goddamned brat!"

The desolate evil demon Thearch only roared after Tang Hao had gone far away.

He was furious. This was already the second time he had been tricked by this kid.

As an invincible ancient Fey Thearch, it was a great humiliation for him to fall in the hands of a young brat!

The old demonic Dragon shrank in a corner and looked at this scene with a strange expression.

He had never expected that even with the demon Emperor's strength, he would still be defeated by that kid. If this were to spread out, no one would dare to believe it!

"This kid ... Is really evil!"

He muttered softly.

"Senior ..." He only dared to step forward after the demon Thearch had vented his anger.

The desolate evil demon Thearch cast a sidelong glance at him. His expression was a little unnatural. He had just lost a lot of face.

"It's nothing. That kid went through all the trouble and only stole a few small demons that I raised. It's nothing!"

He laughed, grabbed the divine stone, and sent his divine sense into it.

The next moment, his laughter came to an abrupt end, and he was petrified.

Then, his eyes gradually widened, revealing an expression of extreme disbelief.

His body also began to tremble, and his face gradually twisted and became ferocious.

"Ah, Yingluo!"

Suddenly, he roared towards the sky and his expression became extremely crazy.

That kid didn't take away just a few little demons!

No more!

As long as they were demons of the fourth tribulation and above, they were all gone, not a single one was left for him!

His entire body was trembling violently, and his heart was bleeding.

In order to cultivate these Yao, he had spent so much effort and invested so many resources. Now, it all benefited that kid!

"How could it be like this!"

The more he thought about it, the angrier he became. The anger in his heart scurried to the ground and burned more and more fiercely.

He really wanted to catch up immediately and kill that kid. However, when he thought about the fact that the kid still had a ye Xi, he had a huge headache.

“Wait, the reason why that kid’s clone could sneak into the demon world without anyone knowing must be because of ye Xi’s magical power. Doesn’t that mean that when that kid came to the door just now, he didn’t have ye Xi with him?”

At this moment, the demon Thearch suddenly came to a realization.

He stood rooted to the ground, dumbstruck.

“I hate this!”

After a long time, his body trembled and he spat out a mouthful of blood.
