

The Mightiest Little Peasant Chapter 2275

“Why are there nine-colored bones here?”

Tang Hao’s expression changed.

“That’s weird! I’ve never heard of a divine body or a Dao body that can produce nine-colored bones. ”
Jiang zhengdao swept forward and carefully examined the skeleton.

“I’ve never heard of it either!”

Yu Shiling and the others shook their heads in confusion.

Tang Hao went up and examined the skeleton. Just as he had expected, it was the same as the one he had found.

“Why are there similar nine-colored divine bones in the immortal astral land of the lower realm and the depths of the outer realm void? what ... Is the origin of these bones?”

Tang Hao fell into deep thought as he looked at the nine-colored skeleton.

For a moment, he didn’t have any clues. After all, there were too few clues and he couldn’t make a guess.

However, he could vaguely sense that this nine-colored godly bone was not ordinary. It was likely to hide a huge secret!

Jiang zhengdao and the others studied the divine bone for a while, but they had no clue.

Tang Hao put away the nine-colored divine bone and continued forward.

Now was not the time to think about this problem. The most important thing was to find the divine boat of creation and the location of the creation ring.

“He’s still in front!”

With the compass in his hand, master fortune led the way.

The further he went, the more meteorites and tribulation Transcender remnants there were. Tang Hao swept through the wreckage when he suddenly discovered something.

“Eh? What is this?”

Among the many remains, he caught a glimpse of a dazzling light. When he looked at it, he saw that it was a huge piece of metal. It was golden all over, and it was engraved with mysterious and complicated patterns.

“This is the creation true gold!”

Then, he exclaimed in a low voice.

This was the creation true gold unique to the gate of fortune. The creation divine boat was forged from this divine material.

“This must be a fragment from the divine boat!”

Tang Hao was excited.

“It’s really the creation true gold!” When creation master saw this, he also shouted excitedly.

“There seems to be a similar piece over there!”

Then, everyone released their divine senses to explore the surroundings. In a short while, they found several pieces of creation true gold.

“I’m fine! A true divine craft creation boat is huge, bigger than an entire mountain range. These fragments are like a person losing a few pieces of skin. It’s not a big deal!” Said Zao huaizi with a smile.

He looked at the compass again and flew forward.

At this time, everyone was a little excited. Since they had already seen the fragments, they were definitely not far from the divine boat’s body.

As they continued forward, there were more and more fragments.

“Heavens ...”

After a while, they stopped and looked at the void in front of them in shock.

There, an incomparably huge boat floated. It was tens of thousands of feet long and nearly ten thousand feet tall. It was unbelievably huge.

Tang Hao looked over and was stunned.

The biggest treasure boat he had ever seen was only three hundred meters long. This was three to four hundred thousand meters long, which was many times larger.

The largest ancient beast he had ever seen was only a hundred thousand feet tall. In front of this behemoth, it paled in comparison.

Even senior Ying long, an ancient nine-tribulation true dragon, was not even one-third the size of this huge ship when fully expanded.

“It’s too big!”

Tang Hao’s heart trembled.

He had never seen such a huge artifact before. He could not imagine how many resources, manpower, and time it would take to create such a huge thing.

The biggest thing he had ever refined was the gods Palace, but in terms of size, it was not even one percent of this giant ship.

“This ... This is the legendary divine creation boat?”

Jiang zhengdao and the others widened their eyes in disbelief.

They had never seen such a huge artifact.

“Are these really all forged with the creation true gold?”

Ling Zhanxu swallowed hard and said in a hoarse voice.

“That’s right! This is the Supreme treasure of the gate of fortune, the divine Fortune boat!”

Zao Huazi said proudly as he looked at the divine boat in front of him.
