

The Mightiest Little Peasant Chapter 2291

“He ran away?”

From the other end of the void vortex, a soft gasp of surprise could be heard.

Then, a ray of light came out of it and turned into a translucent figure.

This figure was a little blurry, and its entire body was shrouded in a brilliant celestial glow. Like a bright moon, it hung in the void, and the glow on its body was impossible to look at directly.

“Master!”

“Greetings, senior ancient Emperor!”

The moment he appeared, everyone in the four directions bowed respectfully.

The figure ignored them and looked into the void in the distance, muttering, “That armor ... Could it be the one from the night race? This person ... Who is he?”

After a moment, he turned around and looked around, his face turning ugly.

It was Huang ‘er’s protective talisman that had shattered. He thought something had happened to Huang’ er, but he didn’t expect that it would be Huang ‘er, his new disciple.

“His life is not in danger for the time being, but the bone of eternity is gone!”

His eyes were wide open and he was furious.

It had been five to six thousand years since anyone dared to provoke him and the people of his devil Dao mountain. This was because he was the devil Dao ancient Emperor, one of the experts who stood at the peak of Pangu! No matter who met him, even the Dao Masters of the 33 heavens had to show him some respect.

But now, someone had come to his devil Dao mountain, crippled his disciple, and seized the God’s bone!

“What’s going on? Who is that guy?”

He roared in anger, and a divine light shot out from his eyes.

“Reporting to master, this person’s surname is Tang and his name is Hao. He’s junior Sister Jin ‘er’s enemy. This time, he took advantage of the fact that Junior Sister Jin’ er had come out of seclusion and was about to return to the Yuchi clan, so he secretly followed the Yuchi clan’s patriarch and the others here ...”

Leng ye bowed and said.

“Tang Hao? An enemy?”

The devil Dao ancient Emperor was stunned, when did Huang 'er have such a powerful enemy? Why haven't I heard her mention it before? just now, I saw clearly that the person's aura had at least 7000 HP, or even higher. ”

“There aren't many people like him in Pangu. Most of them are in seclusion to break through to the ten thousand Blood Realm. They never care about the outside world. How did Huang 'er get involved with such a person?”

“This person's armor is not simple either. Even I can't catch up with it. I'm afraid it's the legendary night race armor!”

“This ...”

Leng ye laughed bitterly and did not know how to explain.

“Master, this person is not an old monster!” He said after hesitating for a moment.

“Not an old monster? What was that? a cultivation base of seven to eight thousand blood points. Wasn't he an old monster? In terms of age, he's not much younger than me.” The devil Dao ancient Emperor said.

“M-master, it's ... It's really not him. He ... He has 5000 blood!” Leng Xiao said hesitantly.

“Five thousand? How is that possible?”

The devil Dao ancient Emperor's tone changed.

“Senior ancient Emperor, this man's blood is not ordinary. I heard that it's even more powerful than the immortal blood of no beginning. It's also known as the number one blood in the world.” Lord Yuchi bowed.

The devil Dao ancient Emperor was stunned.

As far as he knew, the immortal blood of no beginning had always been the first blood in the world. How could there be a blood that was stronger than the immortal blood of no beginning?

“This person ... Isn't an old monster. He's a young monster. He's not even a hundred years old!” Lord Yuchi said.

“Less than a hundred years old?”

When the devil Dao ancient Emperor heard this, he was stunned.

Even with his cultivation level, he lost his composure.

A person who was less than 100 years old had 5000 blood, and the blood he cultivated was even stronger than the immortal blood of no beginning. This ... Was too shocking!

“Senior, you’ve been living in seclusion for a long time and have long stopped asking about the outside world. It’s normal that you don’t know.” Lord Yuchi said, “this Tang Hao has only risen to power a few decades ago. He’s the same as Huang ‘er. They’re both from the lower realm.”

“He has a monstrous aptitude, astonishing luck, and endless fortuitous encounters. All these years, he has turned the entire Pangu continent upside down. Even the great void heaven and the God curse heaven can’t do anything to him.”

The more the devil Dao ancient Emperor heard, the more shocked he became.

“I didn’t expect Pangu to have such a monstrous talent!”

After listening to Lord Yuchi’s introduction, he took a deep breath to calm the shock in his heart.

“Hmph! This brat is really as bold and arrogant as you said. He even dares to provoke me.” Following that, he said angrily, “Yuchi family’s patriarch, don’t worry. Luan ‘er is this Emperor’s beloved disciple. This enmity, this Emperor will definitely take revenge for her and help her take back the God’s bone!”

“Many thanks, senior!”

Lord Yuchi was overjoyed.

With senior ancient Emperor taking action, that brat is dead for sure.

“Hahaha! Brat, I was still worried that I wouldn’t be able to invite senior ancient Emperor, but you’re courting death! I’ll see how you die!” He said hatefully in his heart, but his face was full of joy.

“However, I can’t leave for now. I’ve only sent a wisp of my soul here to talk to you. My real body is in an immortal ruin, and I’m afraid it’ll take some time” The devil Dao ancient Emperor said.

“When I get out, I’ll immediately go to the gate of fortune and kill this B * stard!”

“No rush, senior, your own matters are more important. That kid can’t run anywhere!” Lord Yuchi said hurriedly.

Ancient Emperor nodded and ordered Leng ye, “Luan ‘er, take good care of your Junior Sister. I’ll be able to cure her when I get the divine bone back.”

Then, he turned into a beam of divine light and disappeared into the vortex.

“An immortal miracle ...”

Meanwhile, in the void hundreds of millions of miles away, Tang Hao was retracting his heavenly eye.

He muttered to himself with a thoughtful expression.
