

## The Mightiest Little Peasant Chapter 2364

“Fellow Daoist mu, hurry up! I’m in a hurry!”

Tang Hao beckoned old devil mu over and called out enthusiastically.

The four people at the side had ugly expressions.

You’re in a hurry! Are you rushing to your death?

“Daoist Wutian, don’t worry!”

Old demon mu gave a rare smile and beckoned to the silly newcomer. Then, he looked at the four old monsters and smiled meaningfully.

The four of them looked ashamed.

Their original plan was already set in stone. As long as they followed this guy and found his star, they would be able to take him down smoothly. However, they didn’t expect that old demon mu would suddenly appear, making the situation suddenly complicated.

“Fellow Daoists, it’s fate that we were able to meet in this void! Let’s go together!” Tang Hao smiled at the five of them. “It’s too tiring to fly like this. I have a treasured boat. Let’s sit together!”

“Alright!”

Old devil mu nodded.

It’s good to take the treasured boat. It’ll be easier on the road.

“My fellow Daoists, what about you?”

Tang Hao asked the four of them.

“Anything is fine!”

The four of them looked indifferent.

They were discussing how to deal with this old demon mu, so they didn’t have the time to care about this.

“That’s good! Let’s take the treasured boat!”

Tang Hao smiled. He flicked his sleeve, and a golden light flashed beneath him. An enormous golden divine boat appeared.

The four of them and old devil mu had been calm at first, thinking that it was just an ordinary boat. However, when they looked down, their expressions changed. This boat ... Was too big, so big that it was difficult to describe.

“Heavens! How can it be so big?”

“What kind of treasure boat is this?”

They cried out in alarm.

Shocking!

He was extremely shocked.

They had never seen or heard of such a huge treasure boat.

“This aura ...”

“This material ... It’s not ordinary! Are they all made of divine materials?”

Then, they carefully examined the treasured boat and were even more shocked.

Such a huge treasure boat was actually made of some kind of divine material!

This ... Was too unbelievable!

“This ... This is definitely a divine boat! A peerless treasure!”

The four of them, as well as old devil mu, trembled slightly. They were so excited that their breathing became rapid and their eyes were red.

“Hahaha! That’s great!”

Old devil mu laughed in his heart, overjoyed.

He had originally thought that this fellow only had a lot of plants on him, but he did not expect that this fellow would also have such a peerless treasured boat!

Whether it was the plants or the boat, they were all his!

“I have to get my hands on this treasured boat!”

“I’m going all out. Today, we’ll fight that old demon. If the four of us join forces, we still have a chance!”

The four of them looked crazy and greedy.

“Ai! Fellow Daoists, what’s wrong?”

Tang Hao glanced at them. He was happy, but he did not show it on his face.

“It’s ... It’s nothing!”

The five of them immediately came to their senses and hurriedly shook their heads.

“We just think that this treasured boat is really good-looking!”

“Yes, yes!”

The four of them all squeezed out a smile.

“I think so too, Daoist Wutian! This treasured boat of yours is really extraordinary!” Old devil mu also smiled. “Pardon me for asking, but where did you get this treasured boat?”

“Oh! I picked it up!” Tang Hao said with a smile.

“You ... You picked it up?”

The five of them were dumbfounded and in disbelief.

Such a powerful treasure boat was randomly picked up? What kind of luck did this guy have!

“Come! Let’s go up! Hurry up, I’m in a hurry!” “Let’s go!” Tang Hao called out to the five people as he descended.

The five of them landed on the deck.

“Later, we have to think of a way to provoke that old monster into taking action. Then, we will help that idiot newbie escape. In this way, we can gain his trust, and then it will be easy to take action.”

“That’s a good idea!”

The four of them conversed and quickly came up with a brilliant idea.

With this method, the four of them felt much more at ease.

After the old monster landed, he glanced at the four of them. His eyes were gloomy, and he was considering how to attack.

Soon, both sides came up with a plan.

“A! Brother Wutian, why aren’t you leaving?”

A moment later, the four of them realized that the treasured boat under their feet did not move. They were a little surprised, so they turned around to look at Tang Hao.

“Leave? Leave what?” Tang Hao grinned.

“Eh? Didn’t you just say that you were in a hurry?” The four of them asked in surprise.

Old devil mu also raised his head and looked over in confusion.

“Even if you want to leave, you have to settle the matter first!” Tang Hao was too lazy to put on an act. He laughed mockingly.

“You ... What do you mean?”

“What are you talking about, brother Wutian?”

The four of them were a little dumbfounded.

Why did this foolish newcomer suddenly change his attitude?

“Of course it’s the five of you. I have to finish you off first before I can go!” Tang Hao’s expression turned cold.

“You ... What are you talking about?”

The four of them were even more confused.

What was this newbie saying?

Get rid of the five of them? He must be crazy! How low was his cultivation level? a newbie with 1500 hp dared to say that he could take care of so many seniors? Not to mention the old demon with more than 9000 HP, any one of the four of them could crush this guy!

“This guy must have been pretending just now. I was wondering why he was so stupid. He couldn’t tell that we were going to deal with him. However, this guy is really funny. He only has 1500 hp and he wants to turn around and deal with us!”

The four of them understood that this guy was acting just now.

But after they understood, they found it even funnier.

A newbie with 1500 hp against four of them who had 5000 to 6000 HP and an old demon with 9000 HP. If this wasn’t a joke, what was?

Old devil mu sneered, feeling that this fellow was becoming more and more foolish.

“Daoist Wutian, we were wrong. We didn’t see that you were acting just now. However, it’s a pity that you’re scheming, but you don’t have the strength. Your actions can only be described as stupid!”

“Originally, if you had run away, we wouldn’t have been able to catch up, but you were so full of yourself that we were able to get close to you. In front of us five seniors, do you think you can still run?”

The four of them stopped pretending and simply shed all pretense of cordiality, sneering out loud.

“Is that so?”

Tang Hao smiled noncommittally and looked at them with a mocking gaze.

“Hmph! You still dare to laugh, you’re quite arrogant! Then I’ll make a move and teach you a lesson. I’ll let you know that our seniors didn’t raise our cultivation base by a few thousand blood points for nothing.”

One of the four people stepped out.

This person was an old monster named Hua Xing from the East Pole. He looked old, but his aura was quite fierce. He sneered and activated the immortal blood in his body, causing a powerful aura to burst out from his body.

Then, he raised his hand and was about to take out his treasure to ruthlessly torture this newcomer.

However, just as he raised his hand, Tang Hao moved. He stomped his foot on the ground, and his body burst into the air. He disappeared in an instant, and the next moment, he appeared in front of the old monster of the East Pole. He clenched his right hand into a fist and punched out.

Bang!

This punch hit the old monster’s abdomen, causing a loud bang.

Under the impact of this terrifying force, the treasured clothing exploded instantly. Then, his body exploded into a mist of blood.

Then, his broken body flew backward like a cannonball and hit the side of the ship.

Instant kill!

One punch, instant kill!
