

## The Mightiest Little Peasant Chapter 2376

In the sky, there were streams of light constantly sweeping over.

Large warships descended from the sky.

Most of the treasure boats and warships had symbols on them that represented the major forces. They could be recognized at a glance.

However, among them, there was a large ship that had no markings on it. It landed among the other large ships.

On the deck, there were a few figures. The one in front was an old man in a green robe, and beside him was an eight or nine-year-old girl. She was cute and lively. It was Little Phoenix.

The green-robed elder was none other than Zao Huazi, who had changed his appearance.

The gate of fortune naturally couldn't miss the appearance of the pagoda. Elder Tang was still outside and had yet to send back any news. However, he knew that elder Tang would definitely not miss this opportunity.

Therefore, he had rushed over first.

He also brought most of the sect's disciples and elders with him, and they were all kept in the mobile cave abode.

By doing so, these disciples and elders would have the opportunity to go into the pagoda to seek out opportunities. Secondly, it would be convenient for them to unleash the power of the divine boat of creation.

This time, when the black and yellow tower opened, there would definitely be a gathering of venerable sovereigns. Elder Tang would need to rely on the creation divine boat to be able to compete with those venerable sovereigns.

Considering that the creation sect had many enemies, he had deliberately changed his appearance so that he would not get into trouble before elder Tang returned.

"Sect master, when will father come back?"

Little Phoenix laid on the side of the ship and looked outside curiously, "it's so lively here!"

This was the first time she had seen so many people.

"Soon!" Creation master smiled and said, "in the next few days. Let's wait for a while! When we get there, I'll take you for a walk and let you experience it!"

"Alright! Alright!" Little Phoenix's face was filled with joy. Its pair of big eyes blinked as it looked at the bustling cities, markets, and the tide-like stream of people below. It was full of curiosity.

“Take this and wear it! Remember, you can’t take it off!”

With a flick of his sleeve, Zao huaizi took out a jade bangle and handed it over to the little Phoenix.

“What is this?” Little Phoenix asked curiously.

“This is an ancient treasure that can hide one’s aura. Your father prepared it for you. Wear this and no one will be able to find out your identity!” Said Zao Huazi.

The little Phoenix was from the monster race and the powerful true Phoenix race. If her identity was discovered, it would attract the covetous eyes of many cultivators.

Also, Little Phoenix’s eight tribulation Emperor weapon must also be hidden. Otherwise, if others saw it, it would inevitably cause some trouble.

After all, there were too many people coming this time. All the seventh and eighth tribulations would come, and there must be many evil and crooked people among them.

Little Phoenix responded with an “Oh” and obediently put on the bangle.

After putting on the Jade bangle, the trace of demonic Qi on her body was hidden, and the aura of the Emperor weapons on her body was also hidden.

“You guys stay here, I’ll take her for a walk!”

The warship stopped above a city. Zao Huazi turned around and said to the two elders behind him,”

“Yes, sect master!”

The two of them responded respectfully.

“Go! Huang ‘er, let’s go down!” Zao huaizi pulled Little Phoenix’s hand and flew out of the ship, landing in the city below.

Standing on the street and looking at the streams of people on both sides, as well as the lively shops and restaurants, Little Phoenix’s eyes lit up, full of surprise and joy.

“Sect master! Sect master! What is this?”

“Can this be eaten?”

She pulled on Zao Hua Zi and skipped along the way. She was curious about everything she saw, and she wanted to see what was going on. When she saw the delicious food, she couldn’t move her feet.

“Delicious! It’s delicious!”

“Buy! I’m buying!”

Zao huaizi looked at her with a kind and loving smile.

He also liked this girl very much.

In the entire gate of fortune, there was no one who did not like this girl. It was not only because of her status, but also because she was extremely cute, intelligent, and had a sweet mouth. She was very likable.

The two of them strolled down the street.

Very quickly, Little Phoenix's mouth was covered in oil, and creator couldn't help but laugh.

Along the way, there were people who cast sidelong glances at the little Phoenix from time to time.

"What a pretty doll!"

Some female cultivators even exclaimed in admiration. Some even stepped forward to tease the little Phoenix.

"Eh? This little girl is quite pretty!"

At this moment, two figures walked over from the other end of the street. They noticed the commotion and looked over.

The one in the lead was a young man with a handsome face. He was wearing a golden robe with two golden crows painted on it. Behind him was an old man in a black robe. His face was thin and his eyes were dark.

The young man glanced over and when he saw Little Phoenix, he was stunned for a moment before he smiled.

He looked at her a few times and was about to look away. She was just a pretty little girl, nothing to be concerned about.

But suddenly, his expression changed and he let out a soft gasp.

The aura on this girl's body seemed to be a little off, as if she was being hidden.

Ordinary people might not be able to tell, but he was different. He was born with a divine body and was very sensitive to auras. No disguise could escape his senses.

"This seems to be ... Demonic Qi? This girl is from the demon race?"

He carefully sensed it and revealed a surprised expression.

In the current Pangu, demons were rare.

“She ... Is a real hou?”

Sensing it again, his expression suddenly changed, revealing a shocked expression.

In the next moment, his breathing became rapid, and his eyes flashed with a terrifying light.
