

The Mightiest Little Peasant Chapter 2377

“True Kang?”

Behind the young man, the black-robed elder was stunned.

The current Pangu still had true Kang?

Furthermore, he was a demon?

“It’s really rare!” He narrowed his eyes and looked at the girl.

By now, many top-grade living beings of Pan Gu had almost gone extinct, such as this true hou. It had been thousands of years since the last descendant of this kind showed up in this world.

On the other hand, there were quite a number of true dragons who were also peak-grade living beings. For example, the great void heaven had raised a young dragon.

This was also because the Dragon race was lustful and laid many eggs. As for the Phoenix race, there were not many of them in the ancient times, so naturally, there were not many eggs left.

“And this is only a Peak 6th tribulation true Kang!”

The young man said, the light in his eyes getting more and more heated.

When the black-robed old man heard this, he could not help but reveal a shocked expression.

It must be known that it was very difficult for such a top-notch creature to improve his cultivation. Just to improve to the sage realm, he needed to consume a shocking amount of spiritual essence, let alone to reach the peak of the sixth tribulation.

This number was extremely terrifying. Even thirty-three heavens would find it difficult to raise them.

As for relying on one’s own cultivation, in today’s heaven and earth, it was impossible to cultivate to the peak of the six tribulations, unless one was from the untainted land and cultivated on the untainted sacred mountain. However, this was the demon clan, so they could not enter the untainted sacred mountain.

“Hahaha! The heavens are really helping me!” The young man laughed out loud and was overjoyed. “I didn’t expect to meet such a Supreme-grade spirit slave as soon as I came out of the mountain. When I capture her, I’ll have another Supreme-grade spirit slave.”

Then, he sized up the girl and grinned, revealing a lecherous look.

“She’s still a top-tier beauty. When her cultivation is higher and her figure is more developed, this young master can taste the taste of a demon race beauty. It will definitely be good!”

“Young master, this ...”

The black-robed old man wanted to say something but stopped.

However, he had some concerns. If it was an ordinary woman, with his status as a young master, he could do whatever he wanted. But this was a perfected six tribulation real phoenix, so she must have some background.

“Hmph! What’s there to be afraid of? with my status, who do I need to be afraid of?”

The young man snorted and said arrogantly, “there’s nothing I can’t get if I want it. This real phoenix ... Is mine!”

The old man in Black opened his mouth, hesitated for a moment, and then stopped.

With the young master’s status, he could do whatever he wanted here. As long as it wasn’t from the 33 heavens, it didn’t matter. And this Phoenix shouldn’t be from the 33 heavens either, because he had never heard of such a Phoenix in the 33 heavens.

This must have been something that an ancient race had spent a long time cultivating!

As he thought of this, he glanced at the old man beside the real phoenix.

Seven tribulations, 100 blood!

As expected!

He secretly nodded and became even more certain.

This should be a powerful ancient clan. Otherwise, there wouldn’t be a hundred blood level figure. However, no matter how strong the ancient clan was, it was nothing in his eyes.

The two of them stood at the side and watched for a moment. When the old man pulled the demon clan girl away and was about to leave, the young man stepped forward and blocked their way.

The expression on Zao huaizi’s face changed.

Looking at the young man’s posture, he was clearly here to cause trouble. His eyes were sweeping back and forth on Huang ‘er’s body. Could it be that he had discovered Huang’ er’s identity?

When he looked at the young man and the black-robed old man behind him, he was even more shocked.

They were both at the 7th tribulation and their cultivation was higher than his. The black-robed old man’s cultivation level was unfathomable!

What surprised him even more was that the old man in Black seemed to be the young man’s guard. The young man must have a terrifying background to have such a guard.

“Is there anything I can help you with?”

Zao huaizi smiled, but he didn't reveal anything.

“This bracelet is not bad! If it wasn't for this young master's innate divine body, I'm afraid I would have been fooled as well. ”

The young man looked at the Jade bracelet on Little Phoenix's wrist.

Zao huaizi was shocked again. As expected, this guy had seen through Huang 'er's identity.

“Young master, it's our freedom to wear whatever treasure we want!” Zao Huazi cupped his hands and said, “you two, we still have something to do. We'll take our leave first!”

After he finished speaking, he pulled Little Phoenix and was about to leave.

“You want to leave? What courage! I didn't ask you to leave, and you dare to?”

The young man's face sank. He shouted and raised his hand to slap.

His cultivation level was at thousand blood. Although he had only used a few percent of his strength, his momentum was still extremely shocking. The pressure of thousand blood level spread wildly, sending everyone on the street flying, causing a wave of exclamations.

Some of the weaker cultivators even had their bodies burst apart.

Zao huaizi's expression changed. He hurriedly blocked the attack, but with a pfft, he spat out a mouthful of blood and flew backward.

“Hmph! A mere hundred blood dares to be so impudent in front of this young master!”

The young man retracted his palm and looked at the paralyzed Zao Huazi with disdain.

Hundred blood was a decent cultivation in the eight desolations, but in front of his level, it was just trash, trash.

“It's a 7th tribulation old monster, they're fighting!”

The xiuzhe that had been sent flying in all directions had been furious at first, but when they got up and looked, they were so scared that their faces turned pale.

The seven tribulation divine Lords were fighting!

This was too much!

To them, this was like a fight between gods. Once they were affected, they would be finished.

“Hurry up and run!”

They turned around decisively and ran away. The shops around them were also very fast, and they instantly packed up and ran away.

“There are seven tribulations fighting over there, run!”

The commotion quickly spread and affected the entire city. People scrambled to escape and hid far away before they dared to stop and look over.

“Who are these people?”

“It’s too inconsiderate of you to fight here!”

The cultivators cursed as they watched from afar.

In such a place, there were many established rules between cultivators, including not being able to fight at will, especially the higher the cultivation, the more they could not fight.

But now, these few seven tribulations had disregarded the rules and attacked at will, so they were naturally criticized by everyone.

“You don’t know him?”

They took a closer look and found that both sides were unfamiliar faces. They didn’t recognize any of them.

“Sect master Grandpa, are you alright?”

Little Phoenix ran to Zao huaizi’s side and said anxiously.

“I’m fine!” Zao haozi smiled at her. He stood up, looked at the young man, and asked coldly, “Who are you? He’s so vicious!”

“Hmph! You’re not qualified to know my name. As for those ants, their deaths have nothing to do with me. They were too weak!” The young man sneered.

Following that, he swept his gaze towards Little Phoenix and his gaze became heated, “old fellow, this young master is in a good mood today and doesn’t want to kill you. Leave this girl behind and you can get lost!”

“Little girl, from now on, you are my spirit slave!”

As he spoke, he laughed and reached out his hand to grab the little Phoenix.

“Huang ‘er, let’s go!”

Zao huaizi grabbed Little Phoenix and turned to leave.
