

The Mightiest Little Peasant Chapter 2378

“Hmph!”

With a cold snort, the black-robed old man’s figure flickered. Like a ghost, he flashed in front of Zao Huazi and blocked his way.

“Young master didn’t let you go, so don’t even think about leaving!”

The old man said sternly.

Zao huazi stopped, his face solemn. This old man’s cultivation was higher than the young man’s. The young man had more than 1000 blood, while this old man probably had 2000 to 3000 blood. He, who had only 100 blood, could not compete with this old man.

“This is daylight, forcefully snatching a girl!”

“Which family’s young master is this? He’s too Savage!”

The crowd was in an uproar.

This young man was the one who had killed many fellow cultivators. From the looks of it, he had taken a fancy to the girl and wanted to take her as his spirit slave. Such an arrogant and domineering behavior immediately aroused public anger.

Many xiuzhe cursed from far away and pointed.

However, many of them remained silent and looked at the young man with fear.

They could all tell that this young man was not ordinary. He must have a shocking background.

“There’s no such person in the thirty-three heavens. He looks more like a venerable sovereign’s successor!”

They were guessing.

With the appearance of the black and yellow tower, many venerable sovereigns who had been hiding in seclusion also appeared. They also had descendants, and this person must be one of them.

Only a venerable sovereign’s successor could have such amazing cultivation and such a powerful servant.

Therefore, they didn’t dare to make a sound.

A venerable sovereign’s inheritor was even scarier than the thirty-three heavens’ inheritor. After all, the thirty-three heavens was a large sect, and they still cared about their reputation. They would more or less have scruples in their actions. However, this wandering venerable sovereign really had no scruples.

Once they offended such a venerable sovereign's inheritor, they would end up in a miserable state.

Not to mention them, even some mantras of the various heavens were not willing to provoke them.

"This girl ... And this fellow Daoist, I'm afraid they're out of luck. They've actually been targeted by such a wastrel!"

They looked at the green-robed elder and the beautiful girl and sighed.

Meeting such a lawless second generation, this girl would not be able to escape today!

"All of you, shut up!"

Hearing the curses from all directions, the young man's face darkened. He swept his cold gaze in all directions and roared, "whoever dares to say another word, I will exterminate his entire family!"

As soon as he finished speaking, everyone fell silent.

All the cultivators were stunned.

"Hmph! A bunch of trash, and you dare to speak to this young master like that! It's this girl's honor to be chosen by this young master!" When the young man saw this, he could not help but reveal a smug look.

"Old man, you should run! Let's see where you can run to!"

Then, he looked at Zao huaizi with a mocking expression.

"Little girl, come here and be my spirit slave. Otherwise, this old man will be in trouble!" The young man looked at Little Phoenix and said in a threatening tone.

"You bad guy, how dare you bully the sect master Grandpa. When my father comes back, you'll be dead!"

Little Phoenix stared with a pair of big eyes and gritted his teeth.

The young man was stunned when he heard this. Then, he burst into laughter as if he had heard the funniest joke in the world. Was this girl trying to compete with him for a father? Hahaha! This was the biggest joke in the world!

When it came to comparing fathers, no one could beat Pangu!

"Your father? You have a father?" The young man sneered. This was a real phoenix, where did it have a father? at most, it was just a xiuzhe that had hatched and raised this little girl.

Since he was a xiuzhe, how strong could he be!

The young man was disdainful!

In such an ancient race, there would at most be old monsters with a few hundred HP. He had never placed such a person in his eyes.

“Of course! My father is very powerful!”

The little Phoenix raised its head and said proudly.

“Hahaha! How powerful is he?” The young man found it even funnier. “Then tell me, what’s his surname?”

“My father’s surname is Tang!”

“Tang?” The young man was stunned. Could it be the Tang family from the East barren?

However, the Tang Clan did not seem to be that famous among the ten thousand clans in the wilderness. How could they raise a perfected six tribulation true hou?

He was a little puzzled.

When the cultivators in the surroundings heard this, their expressions became strange.

His surname is Tang, and he’s very powerful. Could he be divine Lord Tang?

However, they laughed at the thought and shook their heads, denying it. They had never heard of divine Lord Tang having a daughter.

“They must be from the Tang Clan of the eastern wilderness!”

They discussed.

The Tang Clan of the eastern wilderness was already quite famous. It became even more well-known because of divine Lord Tang. Of course, it was not a good reputation. Now, whenever people talked about the Tang Clan, they would be laughed at.

At this moment, Zao Huazi observed his surroundings. Suddenly, he gritted his teeth, as if he had made up his mind. He raised his hand and wiped his face, removing his disguise.

Now, there was no point in continuing to disguise himself. If he didn’t reveal his identity, there was still a chance for him to escape.

“Eh? Isn’t this ...?”

“This ... It can’t be?”

When the cultivators around saw this, they were suspicious at first. They couldn’t believe their eyes. Many people rubbed their eyes and then were dumbfounded.

Wasn’t this ... The creation sect’s sect master, creation Zi?

Right now, the gate of fortune was the number one sect in Pangu. Its reputation was on par with the 33 heavens. Who did not know this creation sect master?

If that was the case, could the Father that the little girl had mentioned really be divine Lord Tang?

It was this thought that confused everyone!

Since when did divine Lord Tang have a daughter? Furthermore, it was so big!

“I really didn’t expect this!”

“Exactly! I wonder which Dao companion of divine Lord Tang’s is it? the one from the Ling family, the one from the Zhao family, no, no, it should be the one from the Qin family. That seems to be the real master!”

The eyes of all the cultivators lit up, and the fire of gossip burned in their hearts.

Divine Lord Tang actually had a daughter!

This was shocking gossip!

One could imagine that when this news spread, the eight desolates would be in an uproar again.

They were excited for a while, but when they looked at the young man again, their expressions became a little strange.

Why did this fellow have to take a fancy to divine Lord Tang’s daughter? wasn’t he kicking an iron plate? Even if this guy was a venerable sovereign’s inheritor, he could not shake divine Lord Tang!

“There’s a good show to watch!”

The crowd was getting more and more excited.

Sensing the change in the atmosphere, the young man was stunned. He found it strange. This so-called divine Lord Tang seemed to be very famous in the eight Barrens. Everyone knew about him. Even the gate of fortune was somewhat famous.

“The gate of fortune? I don’t think I’ve heard of it!”

He thought about it carefully, but he didn’t have any impression of it. It had been a long time since he had been to the eight desolates.

It might be a newly rising sect! However, no matter how powerful the gate of fortune was, could it defeat him?

As the young man thought of this, he became more and more disdainful.

He glanced forward and shouted, "gate of fortune?" What the hell! If you don't hand over this girl, this young master will exterminate your entire creation sect!"

As soon as he finished speaking, everyone fell silent and their expressions became more and more strange!
