

## The Mightiest Little Peasant Chapter 2431

“Dao master is too polite. Everyone has the right to kill such a fierce demon! Besides, I already have some grudges with him!”

Tang Hao cupped his hands.

Emperor NVWA’s path master laughed and said, “eh! After all, that fierce demon is the responsibility of my wahuang heaven. I will remember this favor. If you need any help in the future, fellow Daoist, please don’t hesitate to ask!”

“Alright!” Tang Hao agreed without any hesitation.

He could tell that Dao master Empress WA was trying to win him over.

The 33 heavens were not United. There were many open and secret fights. In the past, many forces wanted to recruit him. Now that he had advanced to the eighth tribulation, these forces naturally would not want to miss out on him, a newly advanced venerable sovereign.

He was an elder of the gate of fortune and did not belong to the 33 heavens. In the eyes of these Dao Masters, he was the most worthy person to be roped in.

“Hahaha! Fellow Daoist Haotian, last time you came to wahuang heaven to ask for help with the item of our senior, and now you’ve helped us settle an old matter. It seems that we are really fated!”

The Emperor NVWA Dao master laughed heartily.

“Yup!” Tang Hao chimed in with a smile.

The two of them chatted for a while. Suddenly, Emperor NVWA’s path master lowered his voice and said, “”Dao friend, this time ... Old man great void and the others will be here too. You have to be careful. Recently, old man Dao devil and old man Ling yang have been in the great void heaven.”

“Is that so? Thank you for your reminder, Dao master!”

Tang Hao said.

“Fellow Daoist, you have deep grudges with them. This time, they might attack you ... They have many people, and it’s not easy to deal with them! At that time, if fellow Daoist needs any help, you can just ask. ” Emperor Yan said.

“Good! Then I’ll thank Dao master in advance!”

Tang Hao cupped his hands.

“Al! No need to be so polite!”

Emperor NVWA’s path master laughed.

“Fellow Daoist Haotian!”

Many venerable sovereigns noticed Tang Hao’s arrival. Many of them came up to him and greeted him warmly, while the rest greeted him from afar to show their friendship.

If it was someone else, they wouldn’t have paid so much attention to him, but this newcomer was different. He was too young, less than a hundred years old, and had already reached the great emperor realm. Such talent and luck were simply too terrifying. They couldn’t help but pay attention to him.

He’d reached great emperor in less than a hundred years. What would happen if he was given a few hundred more years?

Tang Hao returned their greetings. Then, he turned his attention back to the sacred mountain of Buddhism.

At this moment, the venerable sovereigns were exploring the divine mountain. They sent out their divine thoughts to every corner of the divine mountain. Occasionally, some treasures were taken out, which attracted a lot of attention.

However, these were all ordinary treasures. The highest one was an eight tribulation Buddhist treasure. If they were placed outside, they would definitely attract a fierce fight. However, the people here were all venerable sovereigns, the peak experts of this world. An eight tribulation Buddhist treasure was nothing in their eyes.

There was a particularly strong divine sense among them. Tang Hao recognized it at a glance. It was the Mahesvara Buddha.

This divine thought had once swept over him and checked him out, but it left quickly and continued to check the sacred mountain. It did not come to find trouble with him. Obviously, Mahesvara Buddha was more concerned about the treasures on the sacred mountain than his enemy.

Tang Hao stood there and used his divine telekinesis to scan the divine mountain.

“Fellow Daoist Haotian!”

After searching for a while, he didn’t find anything. During this period, many venerable sovereigns came. Acquaintances like the Vermillion Bird path master and the spirit treasure path master also came.

“It’s this kid again!”

The great void sect master and the others had also arrived. They bumped into Tang Hao as soon as they entered.

They cursed and swore. Although their faces were covered by the undying immortal radiance, Tang Hao was sure that they looked terrible.

“Isn’t this fellow Daoist great void and fellow Daoist divine incantation?”

Tang Hao smiled and called out to them.

“Hmph!”

They snorted in anger, and their expressions became uglier.

“Kid, don’t be too arrogant. Don’t think that we can’t do anything to you just because you’ve advanced to the eighth tribulation!”

The devil Dao ancient Emperor waved his sleeves and roared.

At this moment, he was filled with hatred. This kid was too arrogant and Savage. First, he crippled his precious disciple, then he humiliated him repeatedly. The divine boat creation cannon had completely embarrassed him.

What was even more hateful was that he could not do anything to this kid. They were both eighth tribulations, but he had no way to kill him.

“Isn’t this fellow Daoist fiend? how is your disciple?”

Tang Hao looked at him and smiled teasingly.

“You ...”

The devil Dao ancient Emperor’s tone faltered and he almost exploded.

This kid was clearly slapping his face in front of all his fellow Daoists.

“Good! It’s good! I’ll be waiting to kill you and retrieve the bone of eternal indestructibility!” The devil Dao ancient Emperor said hatefully.

“Then you’re too late!” Tang Hao said with a smile.

“What’s wrong? What did you do to the God’s bone?”

The devil Dao ancient Emperor was starting to panic.

“No more!”

“Why is it gone? Who did you give it to?”

“That bone-breaking ability is useless. I fed it to the dogs!”

“You ... You ...”

The devil Dao ancient Emperor's face turned red and his entire body trembled. This brat was simply too hateful. What dog? that was one of the strongest God bones in the world, the bone of eternal indestructibility! How could he feed it to a dog?

What kind of dog in this world could swallow such a God's bone!

Puchi!

On the side, many venerable sovereigns couldn't help but laugh.

"Al! Brother devil Dao, don't be angry. We'll let this kid be proud for a while, but he'll suffer in the future." The great void sect master said.

"Let's go!"

He glared at Tang Hao coldly, then led the devil Dao ancient Emperor and the others toward the sacred mountain.
