

The Mightiest Little Peasant Chapter 2488

“It’s the aperture opening pill!”

“How can he be so lucky!”

All the venerable sovereigns whispered to each other.

In their eyes, other than a trace of greed, there was also a trace of surprise.

They all recognized the person who had obtained the aperture opening pill. They had heard of him on the first day in the lower realm.

The number one evildoer of Pangu!

This person was so famous that it was difficult for them not to know him.

They had heard that this person’s luck was very strong, and it was true after seeing him today!

They had opened quite a few treasure chests, but none of them had gotten an aperture opening pill. This guy had gotten one.

“So what if he has strong luck? there are so many demons with strong luck in this world, and many of them die young.” A venerable sovereign said disdainfully.

It’s just good luck, what’s so great about it!

Having a strong destiny did not mean that one was strong.

For a monster like him who grew up in a greenhouse, no matter how lucky he was or how many treasures he had, it was useless. How could he compare to venerable sovereigns who were born in the upper province and grew up in the flames of war?

“This aperture opening pill was wasted by him!”

“That’s right! You should give it to us!”

The venerable sovereigns were discussing in low voices.

They looked at each other, and there was a tacit understanding in their expressions.

“Aperture opening pill ... This kid is doomed!”

In the distance, the messenger from the Tang Clan stood at the peak of the mountain with his hands behind his back. He could not help but smile as he watched the scene.

One aperture opening pill was enough to make these sacred venerable sovereigns fight.

This brat had a medicinal pill in his hands, so he was the target of public criticism.

More importantly, most of the venerable sovereigns looked down on the number one evildoer of Pangu and wanted to teach him a lesson. Therefore, even if he threw out the pill now, he would be beaten up.

“Arrogant ... Let’s see how long you can be arrogant!”

The messenger from the Tang Clan snorted coldly and stood there, watching the show.

“It’s the aperture opening pill!”

Xu mie and the others, who had been hiding in the scroll and waiting for an opportunity to strike, were also a little shocked.

But then, they were overjoyed.

Once the aperture opening pill was out, there would be a fierce fight. Even if this kid didn’t die, he would consume a lot of celestial core power. At that time, they would be able to take advantage of him.

“Although this kid is strong, the venerable sovereigns of the Holy region are not easy to deal with either. They all came from piles of corpses. Perhaps they might not be his match at the same level, but as long as they are one level higher, they can definitely defeat this kid.”

Old Daoist Xu mie said.

“That’s right!”

“This kid is doomed!”

Behind him, the great void sect master and the others agreed with wild joy.

“A good show is coming!”

At this time, in the sky above the immortal abode, several emissaries from the divine temple also saw the situation of the trial ground through their spiritual will.

“It’s best if we can teach this kid a good lesson!”

The leading Messenger muttered in a low voice.

He was a little resentful after being ruthlessly scammed by that kid just now.

The atmosphere in the trial ground was a little heavy.

A murderous aura filled the air and enveloped the surroundings.

Everyone’s eyes were focused on the young man who was holding the Golden core.

“Brat, if you’re sensible, hand over the pill!”

After a long silence, a venerable sovereign finally couldn’t help but stand up and shout.

Tang Hao raised his head and glanced at him coldly.

“You want the pill? Can’t you come and snatch it yourself?” He played with the pill in his hand and laughed teasingly.

“Hmph! What an arrogant kid!”

The venerable sovereign was enraged and shouted.

“Hahaha! Does this kid really think he’s so powerful that he doesn’t even put us in his eyes?”

“Hmph! Arrogant and ignorant!”

The rest of the venerable sovereigns sneered.

Many of them were four or even five apertures Masters. A mere three apertures master dared to talk to them like that. He was overestimating himself.

“Kid, I heard you’re very powerful. Number one of Pangu, right? Well, today I’ll see what you’re capable of!”

With a sneer, a figure stepped out.

He was wearing a pitch-black battle armor, and his face could not be seen clearly. However, the aura on his body indicated that he had opened three apertures.

“We’re both three apertures Masters, so I’m not bullying you!”

He stepped in the air and shouted.

On his body, a dazzling celestial light turned into a pillar of light that shot into the sky and shook the clouds.

At the same time, a shocking battle intent rose from his body.

“It’s the one from the Luo family! Although his cultivation is low, his divine sense is not bad. When he was at the seventh calamity, he killed more than ten enemy Sir gods on the battlefield of gods and demons. Otherwise, the Luo family would not have sent him down.”

“I heard that he once received the legacy of a true immortal on Mount daofall!”

The venerable sovereigns were discussing in low voices.

The venerable sovereign of the Luo family was quite famous in the Holy region. He was young and could be considered a rising star. Although he was not as talented as the geniuses carefully cultivated by the five great sites and the eight great families, he was still considered a genius.

He was a genius of the Holy region, while the boy surnamed Tang was a genius of Pangu. The battle between the two was also a battle between the young geniuses of the two worlds.

“This battle is going to be interesting!”

“It will definitely be a fierce battle!”

They were discussing again.

“You’re the only one?”

Tang Hao sized up the Luo family’s venerable sovereign and said calmly.

“What do you mean by that?”

The Luo family’s venerable sovereign was stunned.

“It’s boring to come one by one. What I mean is, why don’t you all come at me together?”

Tang Hao turned around and shouted in all directions.

When he finished speaking, the surroundings suddenly fell silent.

There was a deathly silence!

Everyone was dumbfounded. Whether it was the local venerable sovereigns of Pangu or the venerable sovereigns of the Holy realm, they were all in a daze, unable to believe their ears.

“This kid is crazy!”

“How arrogant!”

A moment later, there was an uproar.

Everyone cried out in shock. The Lord of numinous treasure path and the others were all shocked, while the sacred venerable sovereigns were even more furious.

A mere three apertures kid dared to challenge all of them. This was no longer a provocation, but a naked humiliation!

“You’re looking for death!”

The Luo family’s venerable sovereign was furious.

He threw his head back and roared, and the immortal radiance on his body instantly skyrocketed. Before he could even make a move, a violent aura accompanied by Emperor might had already transformed into a furious wave that madly slapped forward.

“You dare to humiliate me! I won’t rest until I kill you!”

He shouted, and a golden light flashed in front of him. A halberd appeared, and it was golden with Nine Dragons circling it.

As he clenched his fist, the halberd shook, and a deafening Dragon’s Roar was heard.

“Die!”

The next moment, he wielded his halberd and turned into a stream of light, charging over.

* Ang! *

In an instant, Dragon roars shook the sky.

Nine Dragon Souls appeared and circled around him. At the same time, there were flames of anger, Thunder, wind blades, and sword light that gushed out continuously. They turned into all kinds of strange beasts and rushed over with the halberd.

This move had already gathered all of his divine powers, and it was the strongest killing move.
