

The Mightiest Little Peasant Chapter 2506

The group of emissaries shuddered in unison.

This little scourge had appeared!

“Fellow Daoist, you’re here! Hurry, go up!”

The head of the emissaries revealed a bright smile and said.

Daoist SkyWater, who was standing to the side, also smiled apologetically.

“Fellow Daoists, you’re too polite!” Tang Hao cupped his hands and smiled. “Didn’t they say that after going to the upper realm, those who have passed the eighth tribulation can enter the divine temple? then, we’ll be colleagues in the future! Please take care of me in the future.”

“Good! Good!”

The group of emissaries laughed bitterly.

They didn’t want this guy to enter the Holy sanctum at all. Being colleagues with such a person, they didn’t know when they would be tricked.

“Then I’ll be leaving!”

Tang Hao smiled and landed.

“It’s Emperor Hao Tian!”

“My idol has appeared!”

Unlike when Liu heihu had first appeared, the cultivators around him were all cheering, and the atmosphere was extremely lively.

In Pangu, this person’s reputation was too great. He was a legendary figure, the idol in the hearts of countless young cultivators.

“Tsk!”

Liu heihu was jealous.

On what basis!

This Tang guy was so popular. He was obviously more sinister than Liu heihu. Liu heihu, a bludgeon assassin, had been killed by this guy more than once.

This guy was the real bludgeon assassin, a peerless thief!

“Brother Liu!”

Tang Hao landed on the ground and smiled at Liu heihu.

Liu heihu snorted and turned his head away with a proud look.

“Wait and see, Tang kid. I’ll definitely be faster than you later!”

He was a little upset when he heard the cheers from the crowd. He turned around and challenged Tang Hao. “The ancient yin-yang Qi belongs to me!”

“Alright!”

Tang Hao smiled and did not argue with him.

“Go! Let’s have a competition!” Liu heihu waved at Tang Hao and led him toward the builder tree.

At this moment, a few bird cries sounded in the sky.

Looking up, they saw a huge bird flying down from the sky. On it stood rows of figures. At the front were two people, both shrouded in the undying celestial light.

“It’s the Vermillion Bird heaven!”

“Why are there two venerable sovereigns? I’ve never heard of anyone from the Vermillion Bird orthodoxy coming down this time. ”

All the cultivators looked over and were a little puzzled. They cast their gazes on the two people in the lead.

The bird landed, and the two undying immortal radiance disappeared.

Whoosh!

The four sides immediately boiled over.

One of them was a woman, wearing a fire Phoenix dress, beautiful like a fairy, was young master Li.

“Master Li is also at the 8th tribulation!”

The cultivators were slightly shocked. The eyes of many young xiuzhe were burning.

This li gongzi, not only was her talent shocking, but her beauty was also the most beautiful in Pangu. She was the most famous fairy.

“Congratulations!”

Even the group of divine temple emissaries was a little surprised. Then, they went forward and congratulated him.

In the upper realm, the Vermilion Bird orthodoxy was quite powerful. Together with The White Tiger, Black Tortoise, and other orthodoxies, they formed the four symbols dojo.

“Long time no see, brother Tang!”

Li gongzi’s beautiful eyes glanced at Tang Hao as she spoke.

As she spoke, she tapped the ground with the tip of her foot and glided toward Tang Hao.

“You’ve opened two apertures?”

Tang Hao said in surprise as he looked at her.

It seemed like the aperture opening pill that the Vermillion Bird path master had obtained had been used on her.

“Yup! However, I still can’t compare to you, brother Tang!” Li gongzi laughed. “I heard that you have already opened six apertures!”

She looked at the divine Tree not far away and said, “Brother Tang, why don’t we go together?”

“Alright!”

Tang Hao nodded.

Liu heihu was stunned. F * ck, didn’t we agree to compete with each other? why did you run away with a woman?

He looked at li gongzi and then at Tang Hao. His face could not help but Twitch.

F * ck!

What an adulterous couple!

Flirting in broad daylight, what a scandal!

He was too jealous!

He was so jealous that he was unrecognizable!

He really wanted to curse when he saw the two of them walking side by side up the divine Tree.

“You bastard, Tang kid! You’re not human!” He walked forward. As he walked, he mumbled to himself with a face full of resentment.

After stepping on the divine Tree and walking for a few thousand feet, Tang Hao sensed that there was an additional layer of pressure around him. The higher he went, the greater the pressure.

However, to him, this pressure could be ignored.

He went all the way up and quickly caught up with the troops in front.

Very quickly, it reached a height of two million Zhang.

At this point, the xiuzhe with normal talent were already struggling. Their speed had slowed down, walking and stopping.

When it reached 300000 meters, some of the more talented ones also began to slow down.

The higher they went, the more people stopped.

Tang Hao stopped when he reached a height of one million Zhang.

At this point, the road ahead had changed. It was no longer flat, and there were flames on the road. When he looked up again, he could see what seemed to be a blazing sun hanging high above the builder tree.

From this blazing sun, there were rolling flames surging out, and the air waves were scorching.

One could vaguely see golden sparrows swimming in the scorching sun.

That was the Golden Crow!

The true ancient golden Crow race.

“F * ck! Can’t you let me go up!”

Liu heihu followed him up. He looked up and cursed.

This blazing sun was no different from the stars in the starry sky. It was not something that an eight tribulation Supreme martial artist could withstand. Only a nine tribulation Supreme martial artist could possibly withstand the burning of this blazing sun.

Not to mention the Saints with low cultivation. They would evaporate as soon as they got close to the sun.

“There wasn’t this sun just now. It must have been set up just now. There must be a powerful being watching from above!”

Tang Hao said as he turned around to look.

The first to arrive here were basically all venerable sovereigns. In other words, this test was specifically targeted at this group of people.

“Fellow Daoists, I’ll go up first!”

The purple void path master took the lead and walked up.

Following that, the group of Dao Masters also stepped forward.

“Young people really can’t do it! Watch this young master!”

Another person came forward with a feather fan in his hand, looking very showy.

Tang Hao furrowed his brows when he looked at it.

This guy ... I’ve never seen him before!

Could he be a hidden venerable sovereign?

Tang Hao looked at him closely, but he did not find anything strange.

The man was very fast, as if he was not afraid of the flames on the path at all. He strode forward.

On the other hand, the purple void path master and the others had taken a slower step.

“I’m afraid this person’s talent is extremely strong!”

Li gongzi said with a puzzled look.

“Hmph!”

At this moment, a grunt was heard from the side. Then, a tall figure walked past Tang Hao and stepped into the flames.

Tang Hao was surprised when he looked at it.

This was another venerable sovereign that he had never seen before.

However, after taking a closer look, he vaguely felt that this person’s aura was somewhat familiar, as if he had seen him before.

“This might be an old acquaintance!”

Tang Hao guessed, but he was not sure.

“Let’s go!”

He stopped for a moment, then followed young master Li and continued to walk up.
