

The Mightiest Little Peasant Chapter 2540

“What? Still not back?”

Supreme Xuan Hong was dumbfounded when he arrived at the Haotian cave abode.

What should he do?

A group of sect leaders and clan leaders were waiting in the main hall for pills. They had not returned yet, so where would he get the pills for them?

“This kid ...”

Supreme Xuan Hong flicked his sleeves and cursed in a low voice.

Although he was a little anxious, his expression was still very excited. He really didn't think that this kid was so powerful that he could actually create such a magical pill. He really was a rare alchemy genius!

“If you see elder Tang, tell him to come see me immediately. No, as long as you see him, inform me. I'll go and pick him up!”

Supreme Xuan Hong sent out a jade talisman to inform the guards at the entrance of the sacred Palace.

When the guards received the Jade talismans and opened them, they were all speechless.

A Supreme martial artist personally came to welcome him?

What a high standard this was!

Even if elder Tang was unparalleled in the Dao of alchemy and weapons, and was extremely popular in the palace, and could be said to be the most popular person in the palace today, it was not necessary for the Supreme martial artist to personally welcome him, right?

“Perhaps it's related to those people just now!”

They remembered the group of leaders who had rushed into the temple just now.

“Could it be that elder Tang is in trouble?”

They pondered.

This was not impossible. Elder Tang was young and arrogant. He had even killed an elder of the great void sect in the lower realm. There was nothing he would not do.

Their expressions turned serious as they looked down and waited for elder Tang to return.

After striking out the Jade talisman, Supreme Xuan Hong went to the pill house and asked them one by one. He was even more certain of his guess.

He returned to the main hall and continued to appease the high-spirited leaders of the various forces.

In the blink of an eye, a day had passed.

More and more people came up. They had all heard about the divine pill and had come to the Holy Temple to ask for it.

“That stinky brat ... Why isn’t he back yet?”

Supreme Xuan Hong was getting a little anxious.

After another half a day, there was finally news from the gate.

Elder Tang is back!

Upon hearing this news, Supreme Xuan Hong was so happy that he almost jumped up.

“That’s great!”

He cried out in joy and instantly tore open the void, descending at the gate.

“Where is he? Where is he?”

The moment he appeared, he shouted anxiously.

“Over there!”

One of the guards pointed to a place below.

“Lord Supreme martial artist, those people from before ... Were they all here for elder Tang?” Then, he asked worriedly.

“That’s right! Who else could it be if not him?”

Supreme Xuan Hong nodded his head.

As expected!

The guard nodded, his brows furrowed.

Elder Tang is in trouble!

There were probably more than a hundred people who had gone in before. They were all leaders of various forces, and most of them were at the level of the 3000 Taoist sects. Elder Tang must have done something earth-shattering to involve so many forces.

In order to calm the situation, the Supreme martial artist would definitely punish him!

When he saw the anxious look on the Grandmaster's face, he was even more certain of his thoughts.

However, in the next moment, he was stunned.

A warm smile appeared on the face of the Supreme-being, and then, he flew down to welcome the figure who was flying down.

"Elder Tang, you're finally back!"

He even shouted out loud. His tone was filled with joy and excitement.

He didn't look like he was going to punish elder Tang. He was clearly so happy that he was about to fly.

They had never seen a Supreme martial artist like this!

"I'm back!"

Tang Hao flew up from below. He cupped his hands when he saw the Supreme-being.

"What a coincidence! The Supreme martial artist is also here!"

Then, he smiled.

"Hey! I was waiting for you!" Supreme Xuan Hong laughed.

"Oh? Why are you waiting for me?" Tang Hao said with a smile.

"This little fox!"

Supreme Xuan Hong cursed in his heart.

This brat definitely knew why he was here, but he just wouldn't say it out loud. How detestable.

"Elder Tang, that pill ..."

Supreme Xuan Hong said.

"What pill?" Tang Hao was shocked.

Supreme Xuan Hong's face twitched.

He knew that this little fox was waiting for the right price and was ready to rip him off.

However, he had no choice. This pill was invented by someone else, and this pill was too important.

“Let’s be more direct. Tell me, how many merit points do you want in exchange for your pill formula!”

Supreme Xuan Hong gritted his teeth.

“I won’t exchange the pill recipe!”

Tang Hao shook his head.

“Why?” Supreme Xuan Hong was stunned. “How many merit points do you want? just tell me!”

“I’ve given you the pill recipe, but you can’t refine it!” Tang Hao said, shaking his head.

“What a joke! What pill recipe can’t my temple refine!”

Supreme Xuan Hong sneered.

This brat actually dared to look down on his temple’s Foundation!

“Then ... Do you have the flesh and blood of an eight tribulation Silver Dragon?” Tang Hao said.

Supreme Xuan Hong’s face instantly stiffened.

“An 8th tribulation Silver Dragon?” He was a little speechless.

Silver dragons were very rare and almost extinct, not to mention 8th tribulation ones. His temple did not have any.

“Cough! Then tell me, how many contribution points does one pill cost?”

Supreme Xuan Hong said helplessly.

At this moment, he could only lower his head.

“I have two versions of this!” Tang Hao took out two pills.

“Oh?”

Supreme Xuan Hong let out a bewildered cry.

He had never heard of there being different versions of the same type of pill.

“This one is the normal version, but it has a lower effect. It has about a 50% success rate. This one is the Super luxury version, and its effect is very powerful. The success rate is up to 90%.”

“As long as you eat this deluxe version, you’ll basically be poisoned. Moreover, this deluxe version has a strong effect in that area, which is to strengthen your yang!”

Tang Hao introduced them with a serious face.

Supreme Xuan Hong's mouth was wide open upon hearing this.

F * ck!

One type of pill was split into two versions. This was too much! How did you come up with this!

"I'll sell the normal version to you for 1000 merit points each. As for the deluxe version, I'll sell it to you for three times the original price, which is 3000 merit points!" Tang Hao said.

"Three thousand?"

Supreme Xuan Hong was speechless.

This price was a little too exaggerated!

One aperture opening pill was only 500 merit points!

"Not expensive, not expensive at all! You have to know that this pill is not only useful for the eighth tribulation, but also for the ninth tribulation. Think about it, is the price of a pill that is effective for the ninth tribulation expensive?"

Tang Hao said.

Whether it was really useful for the ninth tribulation, he was actually not sure. After all, he had not done any experiments, but it should be close to the mark. After all, compared to the eighth tribulation, the most different part of the ninth tribulation was the spirit, but the physical body was basically the same.

Therefore, if this pill was effective on the eighth tribulation, the ninth tribulation would not be able to escape either. At most, the success rate would be slightly reduced.

"Heavens! Even the nine tribulations are of use?"

Supreme Xuan Hong's face was filled with shock.

This pill can even allow a nine tribulation Supreme martial artist to reproduce?

This was too shocking!

"Not expensive! It was not expensive at all! Three thousand it is!"

Then, he immediately agreed, his face full of excitement.
