

The Mightiest Little Peasant Chapter 2563

“This is the nine-colored clan?”

In the air, Tang Hao, Xu Yuan, Jin Lin, and two other comrades from the temple squatted down.

Not far away, a group of people flew over.

At first glance, they looked no different from Pangu’s xiuzhe. Their bodies were exactly the same, but upon closer inspection, one could see that they all had a bright mark between their eyebrows.

It was different from the emblems on the foreheads of the rain master clan and the Thunder clan’s descendants. They were crystals.

“Yup! I was also shocked when I first saw it!”

One of the Holy sanctum’s comrades said.

His name was Yun Yi, eight acupores Supreme Emperor.

In the Holy region, anyone who could cultivate to the Emperor realm had been to the battlefield of gods and demons before. He had been there several times and was familiar with the nine colored clan.

“She’s quite similar to us.”

Emperor Xu Yuan was surprised.

“Their blood is really nine-colored? I heard that even their bones are nine-colored?” The arch golden scales was also curious.

“They are all nine-colored, that’s why they are called the nine-colored clan!”

Venerable solecloud said with a smile.

Then, his expression became serious. “You must not underestimate them. They are stronger than the descendants of the gods and the descendants of the chaos. In the same level, our cultivators are not their opponents at all.”

“It’s that powerful?”

Emperor Xu Yuan was shocked.

“Of course!” Another colleague spoke up. He was Li Yue, also an eight element Supreme Emperor.

He looked at the group of people in the distance, his expression somewhat fearful.

“In their race, every person is born with talent. They’re equivalent to our geniuses and freaks. Do you think such a race isn’t powerful?” He said with a bitter smile.

“We have fought with them several times in the past ten thousand years, but we were always at a disadvantage. We could barely resist them. Countless Supreme and venerable sovereigns have fallen. Even a stunning figure like Wu Shi has fallen.”

As he said that, he could not help but shake his head, revealing a sigh.

Supreme Emperor Yunyi, who was standing at the side, also sighed. He was frowning.

Xu Yuan and Thearch golden scales frowned when they heard this. They had not expected their opponent to be so powerful.

Tang Hao’s face was calm.

He already had some understanding of the nine-colored clan. After coming up, he had obtained a lot of information from the divine temple and had a more detailed understanding of them.

This race was originally created by the Dragon count celestial race, so how could the weapons used to invade Pangu not be powerful?

The nine-colored blood was the symbol of the Dragon count divine clan!

In other words, this race possessed a portion of the Dragon count divine race’s divine arts, and their natural talent was naturally much stronger than the human race.

After a moment of silence, Supreme Emperor Yunyi said, “Their cultivation system is also different from ours. We’re on the immortal Dao, while they’re on the so-called divine Dao. Look, the more crystals between their brows, the higher their cultivation.”

“Look, they are all eight small rhombus-shaped crystals, that is to say, they are all at the 8th tribulation level, and they do not have immortal apertures, so it is impossible to tell their exact strength, we will only know after we fight.”

“I see!” When Emperor Xu Yuan heard this, he frowned.

“Since we can’t distinguish their specific strength, how can we fight? what if we encounter a nine apertures level master?” Thearch golden scales said.

“Cough! We usually don’t act rashly when we meet. ”

Supreme Emperor Yunyi coughed lightly, looking a little embarrassed.

“Oh,” Thearch golden scales replied in realization.

“Four ... That’s a little too many!”

Tang Hao rubbed his chin and pondered as he looked at the four people approaching from a distance.

He really wanted to take action and meet this nine-colored race, but there were four of them, so it would probably be difficult to keep them here.

“What’s their intelligence?”

Tang Hao suddenly turned around and looked at Supreme Emperor Yunyi.

“Intelligence?”

Supreme Emperor Yunyi was stunned.

What was intelligence?

“It’s their brains. Are their brains working?” Tang Hao said.

“This ...”

For a moment, Supreme Emperor Yunyi didn’t know how to answer.

“It’s just average!” At this moment, elder Li Yue said, “they’ve always been arrogant and conceited. They look down on us!”

“I see!”

Tang Hao’s eyes glowed when he heard that.

He rubbed his chin with his hand, and many good ideas came to his mind.

“No rush! Let’s take a look first!”

He looked at the four people and grinned, his eyes shining.

“It’s been so long, but there’s not a single person!”

“I really don’t know what the divine Lord is thinking. He’s using this as a trial. Those humans are all useless cowards. When they saw us coming, they’d run away!”

The four of them were cursing and swearing all the way.

Tang Hao’s eyes glowed even brighter when he heard that.

It was a trial!

That’s good!

If they had found some treasure, he would have to wait.

“Come! Let’s discuss a plan. Later, we’ll do this, and then this ...”

Tang Hao called the four of them over and whispered to each other.

When the four of them heard this, their eyes widened, clearly shocked by this plan.

F * ck!

He was too despicable and shameless!

Was this plan really thought up by a cool, wild, and domineering person like fellow Daoist Tang?

They were in disbelief.

In their eyes, someone like fellow Daoist Tang should be extremely domineering and overbearing. They had never expected him to come up with such a plan.

They looked at Tang Hao’s excited and sparkling eyes, and they felt a chill run down their spines.

This was obviously not the first time. He had done this often.

F * ck!

It’s fine if you’re so F * cking strong, but you’re also so sinister. Do you still want people to live?

They couldn’t help but complain in their hearts.

He was so powerful and so cunning. This kind of person was too terrifying!

“You’re indeed Daoist Tang! Excellent!”

After hearing the plan, Emperor Xu Yuan was silent for a long time.

Then, he gave a thumbs up and praised.

He finally understood why this person was able to walk all the way from the lower realm.

“You’re so mean, fellow cultivator Tang!” Elder Li Yue looked at Tang Hao with a strange expression.

“Ahem ... I’ll listen to elder Tang!”

Supreme Emperor Yunyi held back his laughter and nodded.

“Good! Then let’s begin!”

Tang Hao chuckled and stood up excitedly.

Two hours later, the sound of mining could be heard from a certain pit.

“Hey! Heyyo!”

Two figures were hunched over. One was digging hard, and the other was cleaning up the crystal Soil. They were working in full swing.

“Eh? What’s that sound?”

Not far away, four figures flashed over.

Hearing the sound, they were all stunned and stopped.

“It’s the pit over there!”

“It seems like someone is digging for treasure!”

They listened carefully and looked in the direction of the pit, their faces revealing excitement.

They finally saw someone!

“Let’s go and take a look!”

The leader waved his hand, restrained the aura around him, and took the lead to sweep over.

The remaining three also concealed their auras and excitedly followed.

Very quickly, the four of them reached the side of the hole and explored the situation inside.
