

The Mightiest Little Peasant Chapter 2573

“What’s that?”

When the Golden figure emerged from the crater, both long face and the white-robed Supreme were taken aback.

Then, his face turned blank.

At this moment, they were all suspecting if they were hallucinating. Otherwise, how could they see such an absurd scene?

The Golden figure carried the divine Thunder and walked up!

‘This is ...’

This was too fierce!

This was no ordinary lightning tribulation, it was a world-ending lightning tribulation!

Then, an even more shocking scene appeared!

The Golden figure opened its mouth and swallowed the divine lightning.

“Oh my God!”

Hierarch horse face’s eyes widened and his face contorted in shock.

“What ... What the hell is this?”

He shrieked, his words incoherent.

The white-robed Paragon’s mouth was wide open, and his expression was completely dazed.

Swallowing the world-destroying sacred Thunder?

‘How ... How is this possible?’

What kind of monster was that?

He looked at the Golden figure who was carrying the divine Thunder and walking up, and he felt his scalp go numb.

What kind of heaven-defying item was this!

And who could have refined such a thing!

“He’s still devouring. Look, there are even thunder patterns on his body. He’s devouring and fusing with the world destroying sacred Thunder!”

Not far away, Hierarch horse face kept screaming in shock.

“There aren’t many heaven-defying things in this world. Looking at him, could it be his original self?” The white-robed Paragon frowned as he muttered to himself.

But then, he shook his head.

The self body thing had long gone extinct.

It was only in the ancient times that some people who were not afraid of death dared to cultivate it. Later on, no one cultivated it anymore. In the past 10000 years, no one in the Holy region cultivated the path of self. How could there be a self suddenly appearing now?

But if it wasn’t his true self, what was it?

The more he pondered, the more puzzled he became.

BOOM! BOOM!

The sea of lightning surged and became more and more intense.

A thicker bolt of lightning began to form.

The actions of his self had infuriated it even more.

It wanted to strike down an even more powerful divine lightning to completely obliterate him.

Whoosh!

After a moment, the lightning struck down.

However, it did not kill the Golden figure. Lightning gushed out from the Golden figure, just like the world destroying sacred Thunder. When the lightning was blocked, it opened its mouth and continued to devour.

The lightning patterns on his body became denser and the color became brighter.

Whoosh! Whoosh!

The sea of lightning became more and more furious.

Bolts of divine lightning struck down densely, blasting the figure apart. However, it was unable to completely obliterate him. He would soon devour the divine lightning and recover.

Moreover, his aura was getting stronger and stronger.

In the end, the figure stepped under the sea of lightning. He opened his mouth and sucked in a breath. The lightning surged and was swallowed into his stomach.

The sea of lightning rolled and struggled violently.

However, it was useless. The lightning was constantly being absorbed, turning into a torrent that was swallowed into the figure's stomach.

Very quickly, the entire sea of lightning was devoured.

The entire world fell into a deathly silence.

The void where the world-destroying Thunder gushed out was still distorted, but no new sacred Thunder gushed out. It was also dead silent.

The Golden figure stood in front of the void vortex, looking straight at the center of the vortex.

Just like that, after a long time, the void vortex began to dissipate. In the end, it completely disappeared.

"He has survived the world-ending tribulation ..."

Long face and the white-robed Supreme martial artist looked on in disbelief.

The world-ending lightning tribulation that was said to represent the will of the great path had actually dissipated just like that!

This also meant that the heaven-defying object had already survived the Tribulation. The heavenly Dao had already acknowledged him and would no longer send down divine lightning to kill him.

"What exactly is that?"

Hierarch horse face swallowed with difficulty, his mind shaken.

He had lived for so long, but he had never heard of any heaven-defying object that could survive the world-ending tribulation.

"No! I can't let this thing Live! This thing is so heaven-defying that it's definitely a great threat to our gods race. I still have a chance to kill him while he's just going through his tribulation!"

Hierarch horse face gritted his teeth, killing intent flashing in his eyes.

He couldn't let this heaven-defying thing Live!

His figure moved and disappeared. When he reappeared, he was already in front of the Golden figure.

"Not good!"

The white-robed Supreme Master exclaimed as he realized what the horse-faced Supreme God was up to. He tore open the void and was about to stop him.

This was something that the human race's Supreme martial artist had refined, and he couldn't let the enemy race destroy it.

"Go to hell!"

As soon as Hierarch horse face appeared, he stretched out his hand and a pitch-black halberd appeared in his palm. He held the divine halberd and struck out.

The Golden figure turned around and looked at him, his eyes blinking.

In the next moment, it opened its mouth, and endless lightning gushed out.

"This ... This is ..."

Hierarch horse face's expression changed and his eyes widened.

F * ck! This was the world-ending lightning!

This guy could not only devour and absorb the world-destroying lightning, but also use it!

What kind of freak was this?

He roared in his heart.

He dared to swear that he had never seen such a perverted thing in his life!

Then, he cried out in pain as he was struck by the lightning.

The black robe around his body instantly turned into ashes, and the hand that was holding the divine halberd was also annihilated.

"This is too terrifying!"

He was so scared that his face was twisted and his mind was extremely terrified.

The power of the world-destroying Thunder was too F * cking terrifying!

Seeing that lightning seemed to be pouring out of that thing's mouth, he was even more scared out of his wits.

Only God knew how much world destroying lightning this guy had swallowed. If he spat it all out, he wouldn't be able to stop it.

Furthermore, there was a human Supreme martial artist who was unrivaled in the way of the sword eyeing them covetously.

Let's go!

He made a prompt decision, turned around, and ran.

"Wait, that thing's face looks a little familiar!"

He only heaved a sigh of relief after running far away. Suddenly, his mind stirred as he thought of something.

"Hahaha! How is this possible? that guy is only a half-zhizun! How could he have refined such a heaven-defying item? besides, the guy who ran out just now was clearly a zhizun. It can't be that guy!"

Then, he smiled and shook his head, rejecting the idea.

He felt that he was too frightened that his eyes were blurry and he was seeing things.

"I don't even know what this thing is, it's too scary! I have to go back and check the ancient books to see what it is!"

He turned around to look and couldn't help but Pat his chest, still looking a little shocked.

Then, he turned around and quickly returned to the black gold Tower.

"Then ... What is it?"

"What happened here?"

The white-robed Supreme martial artist stood in the air above the pit and watched as the Golden figure transformed into divine light and disappeared into the distance.

He didn't chase after it. After all, it was the human race's Supreme Being's item, so it wasn't appropriate for him to ask.

He stood there for a moment, then shook his head and left.
